DIAMONDS ARE TRUMPS!

We have some entirely new designs in Rings. Of course they are not to be bought for nothing, but they're to be seen for nothing, so that, if you can't possess them, you can at least lo k at them. Some of them are set in diam ands that flash with wondrous yadi-ince; others are set in brilliants only to be d stinguished from the genuine gem by the experienced eye. It is the fashion to couple purchases of jewelry with the idea that lavish outlays are essential Nothing of the kind. You can buy 10 uch and speed little or you can buy little and spend much as exceptionally ju iclous selection can be
