WHY DRINK

So-called foreign wines? In nine cases out of ten you get a vile compound of cheap potato spirits, essences and ethers. The product has never been within sight of a vineyard. You simply pay an exorbitant price for a label with a French name. The result is misery and dyspepsia.

THE HOLIDAYS ARE AT HAND!
What you want is absolutely the pure juice of the grape; that will promote digestion, act as a tonic and cure dyspepsia. Ask your wine merchant for the

"ENGADINE RED."
It is pure, good enough for any and cheap enough for all. If your dealer cannot supply you, then write to the vineyard. Prices will be given on application. Wine sold from the vineyard only. By the case of 1 dozen quarts, or 2 dozen pints.

FAIR TO SEE.
None of the season's novelties begins to compare with our glittering array of novelties. How popular they are is evidenced by the demand for them. It has been steadily increasing and it has not reached a climax yet. If you are out of the fashion, you are virtually out of the world and the world never yet boasted of anything daintier or more fashionable than our Jewels. They are so exquisite in design and so perfect in elaboration that nothing but an unconditional surrender is in order when you see them. If you want to look at something more than usually tempting, come and glance at our fine Christmas goods.

COMING: FAST!

With the lightning speed of a fiery steed, Down the track in view comes '92.

The New Year is speeding toward us—laden with things good, bad and indifferent for us all. Those who will get the largest share of the good out of it will be those who take advantage of our offerings. There's nothing like a good beginning, so here's a few starters for '92. Everything in the way of Fancy China Teas, Toys, Etc., will be offered at cost for the next 30 days. Now is the chance for you to get bargains from our stock of fine goods. Our object is to clear up for stock taking, and the goods must go. No bargains charged, every thing cash. Do not let this chance pass by to secure something nice and cheap from our well known stock.

M'ILLIN IN THE CHAIR.

CRISP CONTINUES TO IMPROVE SLOWLY.

A Joint Resolution Introduced Providing Transportation For Flour to Russia—It Will Cost \$100,000.
WASHINGTON, Jan. 5.—The condition of Speaker Crisp continues to improve, but it will probably be at least two weeks before his health will permit him to resume his duties as presiding officer. The speaker was consulted as to his wishes with reference to the speaker pro tem of the house. He said that the rules did not give him authority to name a temporary successor, and that he did not wish to express any preference.

At noon today the house was called to order by Clerk Kerr, who announced the illness of the speaker, and declared that the only business in order was the election of a speaker pro tem. On motion of Mr. Springer, the honor was bestowed upon Mr. McMillin, of Tennessee, who was warmly applauded on taking the chair. Routine business followed.

In the senate Mr. Washburn introduced a joint resolution authorizing the secretary of the navy to employ any United States vessel best adapted to such service for the purpose of transporting contributions to those inhabitants of Russia that are suffering from want of food and it necessary to charter vessels for that purpose. He read a telegram received by him from Minneapolis stating that the amount of flour already pledged was 1,750,000 pounds. The president's message on the same subject (just received) was laid before the senate. The joint resolution was then amended by limiting the appropriation to \$100,000 and it was then passed—49 to 9.

THREE MEN KILLED.

A Terrible Wreck on the Murphy Branch This Afternoon.
News was received here late this afternoon of a terrible wreck that occurred on the Murphy branch of the Western North Carolina railroad about 1 o'clock, about forty miles west of Asheville.

A freight train was going west, and on reaching a heavy grade beyond Balsam the engineer had to "double" to get his train over. In doing this he lost control of the engine, and it dished down the grade. When it reached the Dark Ridge trestle it left the rails and fell to the bottom of the gorge, and into Scott's creek. The engineer, Sam Francis, of Asheville, the fireman, Sam Arthur, and Rufus Hemphill, a colored train hand, were instantly killed.

The fall was a terrible one, the trestle being 103 feet high. Dr. W. D. Hillard, the surgeon of the railroad company, has gone to the scene on a special train.

TELEGRAPH TOLLS.

What Manager W. G. Peebles Has to Say on the Subject.
In a conversation with W. G. Peebles, manager of the Western Union telegraph office in Asheville, he gave THE CITIZEN some figures of interest, especially since the publication of an item to the effect that the Western Union had put up telegraph rates to points outside the state.

"Instead of increasing the rates," said Mr. Peebles, "they have been reduced. For instance, the rate to Mullensborough, Ky., which was 50 cents for a ten-word message, is now but 25 cents. Then there are the cities of Atlanta and Augusta, the rate to which formerly was 50 cents, but which is now only 40 cents. The same change applies to Chattanooga and Bristol, Tenn., and Rock Hill, Chester and Willsboro, S. C.

"The old rate to Spartanburg was 40 cents, but that has been reduced to 25 cents. The same reduction has been made to other points in the South Carolina on the Air Line road."

Mr. Peebles said he could name hundreds of cities to which the telegraph rate had been lessened.

RATS IN CLOVER.

Rodents Make a Nest in a Roll of Greenbacks.
About one month ago G. W. Bowe, who lives at Alexander, and is in the employ of the French Broad Lumber company, of this city, while working about a pile of lumber lost a roll of greenbacks, containing \$34. He searched everywhere, but could not find the least trace of his money.

A day or two ago, however, Mr. Bowe, in moving the pile of lumber, found his money. But it was in a sad plight. Rats had gotten hold of it and made a nest therein. Twenty-four dollars were found in tolerably good shape, but a ten-dollar bill was in fine bits. Mr. Bowe gathered up all the pieces and brought them to Asheville this morning, and the money was recovered through the First National bank.

REPUBLICAN SENSE.

Some of It Crops Out in the New York Senate.
ALBANY, N. Y., Jan. 5.—Both branches of the legislature assembled at 11 o'clock. The senate, after the usual formalities, proceeded to the election of officers and those chosen by the democratic caucus were duly elected, Edwards, independent, voting with the democrats. No effort at obstruction was made by the republicans. The question of seating Walker, democrat, from the 27th senatorial district, then came up and he was declared entitled to his seat and was at once sworn in.

THE BLATANT FORAKER.

He Will Be Defeated by Sherman Tomorrow.
COLUMBUS, O., Jan. 5.—The greatest senatorial contest that the republicans of Ohio have ever known, is practically at an end and every indication points to the nomination of John Sherman tomorrow by a majority of ten or twelve votes over J. B. Foraker.

The Play of Death.

MACON, Ga., Jan. 5.—Eight men were killed in a general fight at Bright & Williams' turpentine still in Clinch county Saturday over a game of cards.

"BLOCKS OF FIVE" REVIVED.

Judge W. A. Woods to be Subject of a Party Fight in the Senate.

Of the six gentlemen recently nominated by President Harrison to United

States judgeships, five will be confirmed without opposition. Special interest attaches to the nomination of Judge Woods of whom the above is likeness, because Senators Voorhees and Turpie will lead an opposition to his confirmation, in which they hope to succeed by the aid of some republican votes. The discussion will review the "Blocks of Five" matter, of the campaign of 1888, when Woods, as district judge, was accused of preventing the indictment of the writer of the letter reputed to have contained the phrase quoted, and of having quashed about two hundred indictments in the federal court, made, it is claimed, against men guilty of bribery.

The judge, who is about 55 years old, is a native of Tennessee, but has resided in Indiana since his boyhood, and is a graduate of Washburn college. He practiced law at Goshen, Ind., was a state circuit judge of the supreme court of Indiana. In 1882 he was appointed a United States district court judge.

RECORDER'S COURT.

Cases Worth \$43.50 Up for Hearing This Morning.
There was a sort of waking up in Recorder Miller's court this morning, there being six cases for his disposal.

L. McIntosh, a brawny Hibernian, was charged with being drunk and disorderly. He would not deny the charge, but laid it to the grip. The fine was \$5. Thos. Groves, McIntosh's partner, had also had the grip, and it cost him five different dollars.

Stewart Brooks, colored, had been drunk and resisted the officers who went to arrest him. The drunk cost him \$5, and the resistance \$10.

Jake Buckhart and Julia Buckhart, colored, were up for assaulting Amanda Walker, an old colored woman. Amanda got up and gave the recorder a long harangue about what she called justice, and how she had been treated, quoting liberally from the Scriptures. But it appeared to Mr. Miller that Amanda sometimes got "off" in the head, and she could not make out her case, for lack of evidence, the defendants were discharged.

Mag Perkins, colored, was up for knocking her father in the head with a brickbat, and was allowed to go free on payment of \$3.50.

One fine forfeited \$5, making the total fines \$33.50.

THE CENTENNIAL.

The Buncombe Historical Committee Meets This Morning.

A meeting of the historical committee of the Buncombe county centennial association was held this morning in the office of Chairman Sondley. There were present Col. John D. Cameron, J. M. M. Gudger, T. F. Davidson, Chas. A. Moore and F. A. Sondley.

The object of the meeting was to prepare for the gathering of historical matter regarding the settlement of Buncombe county, looking to the centennial commemorative of the formation and history of the county. The only work done was the assignment of the members to the various departments, who will look after the collection of suitable material.

Another meeting of the committee will be held on April 19, when the prepared matter will be compared and further arrangements made for the holding of the centennial.

DEMOCRATIC CLUBS.

Meeting at Washington of the Executive Committee.
WASHINGTON, Jan. 5.—The following call for a meeting of the executive committee of the national association of democratic clubs was issued this morning:

DEAR SIR—There will be a meeting of the executive committee of the National Association of Democratic Clubs held Wednesday, the 20th of January, at the rooms of the association in Washington, the loan and trust building. It is very desirable that every member be present at this meeting either in person or by proxy.
William L. Wilson,
Chairman executive committee.
