some people like their game. However, few people want even a picture of Asheville that way. Appreciating that fact and ever desirous of saving the people money (while making some for ourselves) The CITIZEN has purchased the exclusive right to sell the VIEWS of Asheville (which have been sold at \$5 each) for a paid-in-advance subscription to The Daily Citizen. That is, you pay us \$3 for THE DAILY CITIZEN for six months, and we will give you a superb picture of Asheville

FREE.

That's a telling ofter-or ought to be. You get THE CITIZEN at the usual rate and the picture besides, and we get the interest on your \$3 and the pleasure that comes of being liberal. If you want extra copies of THE PIC-TURE to send away that matter can probably be arranged at the business office of THE CITIZEN. But first we must have the paid-in-advance subscription of \$3.

That's fair. N. B.-You can take your choice of the pictures, those on thin or those on thick paper. The former are best to send away; the latter are the best to frame.
