## GREAT FIRE IN MEMPHIS

THE LOSS WILL PROBABLY REACH \$1,000,000

The Fire is Supposed to Have Had its Origin in the Crossing of Electric Wires No Loss of Life is Reported.

Mements, Feb. 9.-At 9:30 o'clock last night the building occupied by the Bruce-Beine hat company, dealers in hats, caps and straw goods, was discovered to be on fire. The entire rear portion of the six story building, from basement to top, seemed to be ablaze in an instant. At 10:15 the building occupied by the hat company collapsed; and into the space formerly occupied by it crashed the building of the Langstaff Hardward Co., which adjoined it at the south.

At 10:30 the Levy trunk factory was

It is thought that no lives were lost in the Leuhrman hotel, as the goests had ample opportunity of escaping before the fire was communicated to the hotel. The magnificent five-story hotel at the orner of Main and Monroe streets was splendid food for the flames and in less

than an hour was totally destroyed.

A breeze arose and changed the course of the fire and it began to sweep eastward. The firemen were forced back at every point by the resistless fury of the flames, and in a short time the "Ruby" saloon and the saloon of J. G. Mayer, adjoining buildings, were destroyed, Eastward and to the south of where the blaze started the fire went on. Soon Lemmons & Gales' wholesale dry goods store was a mass of ruins. H. Wet-ters' hardware store and Wm. Jacks' china store were next to be destroyed and W. N. Wiler Sons' wholesale drug store was the next reached. It was thought that this structure with its well-known fre-proof walls would prove a barrier to the flames, but the fire crept in upon the stock of inflammable drugs from the side and rear, and it was a blazing circle. Again the wind veered to the west and the fire started castward to second street. Jones, Huhn & Co,'s printing establishment was barned to ashes in a short time. The Lilly carriage company, on Second street, next caught, and the rear portion of their factory, with part of the stock, was de-

stroyed. It is impossible, as yet, to give any accurate list of the losses or the insurance, but the following estimates are given by a prominent insur-ance agency: Hotel Lenhrman, loss \$100,000; insurance, \$60,000, Levy trunk co., loss \$20,000; insurance unknown. Loss on buildings \$10,000. Beine hat co., stock \$35,000; building owned by Margaret Hoist, loss \$45,000; insured for \$23,000. Langstaff hardware

Ruby saloon, loss, \$5,100; insurance, \$2,500. 1, G. Meyer, saloon, loss, \$3,000; insurance, not known. B. McMalon, 36 Union street, loss, \$5,000; insurance, \$2,500. L. A. In addition to the above individual losses and buildings will amount to at least \$25,000. The origin of the fire is not known, but is supposed to have been the result of the crossing of electric wires on the third story of the Bruce Beine hat store.
