HOUSEHOLD NECESSITY

—THE—

PERFECTION FLOUR BIN AND SIEVE

Keeps flour perfectly dry and free from dirt, vermin, etc. It combines bin, sifter, pan and scoop; saves and preserves flour from mold; keeps free from dirt, mice, rats and roaches. Enough for baking can be sifted in a moment. The best article in the world for the kitchen.

DEBHAM, Iowa, Feb. 7, 1891.

Gentlemen—The "Perfection" is the best for keeping flour I ever used; would not be without it.

Yours Respectfully,

MRS. A. MCGROGHER.

CLING TO THEIR IDOLS

RHODE ISLAND IS STILL REPUBLICAN.

A Providence Paper Says The State is Still Doubtful in a Presidential Election—The Third Party Cut No Figure in the Result.

PROVIDENCE, R. I., April 7.—According to the latest returns the republicans have a plurality on the state election, but lack 106 of a majority, the vote standing republican, 27,289; opposition, 27,305. The Journal commenting on the situation says the state is still doubtful on the presidential question; that the independent vote will turn it.

Corrected returns give Brown, republican, a majority of 186 and a plurality of 2,047 in a total vote of 54,746, which is 10,000 more than was ever cast at any previous previous election.

LATER—Complete returns from all parts of the state show a total vote on the state ticket of 54,746, an increase of

MR. CHANEY'S LECTURES.

The Free Kindergarten Association Gets Half the Proceeds.

Rev. Mr. Chaney's lectures on Monday evenings were originally designed to benefit his church alone. Hearing, however, from ladies of the Free Kindergarten association that this admirable charity was in urgent need of funds, it was generously agreed by the committee having the lectures in charge, that they would give the Free Kindergarten half the proceeds of the tickets which the friends of the kindergarten should sell. This is free of all expenses. This arrangement will be strictly carried out, and all persons purchasing tickets of the kindergarten committee will greatly aid the Free Kindergarten association.

The first lecture took place last Monday night and gave keen enjoyment to those who listened to Mr. Chaney's charming sketch of the poets, Whittier and Sidney Lanier. Singing by the Mendelssohn quartette added greatly to the pleasure of the evening.

Next Monday's lecture promises much in its subject, Oliver Wendell Holmes, of whom the speaker is able to give personal reminiscences.

STILL TALKING FREE WOOL

LITTLE INTEREST TAKEN IN THE CONTEST.

Free Silver Discussed in the Senate, But No Vote Reached Yet—Contested Election Case Reported.

WASHINGTON, April 7.—In the house yesterday morning Mr. McMillin moved that the debate on the first section of the free wool bill be limited to one hour and a quarter. After some discussion between McMillin and Burrows, McMillin suggested that three-fourths of an hour be given to each side. Burrows said the time offered was not sufficient, but he was so anxious to proceed with the bill that he would acquiesce.
