Don't cry hard times when you can buy goods for half price. Buy everything you need in our line from us, and thereby save 25 to 50 per cent. you would pay to other houses who do a credit business.

The secret of low prices is "Spot cash for all our goods—and spot cash before they leave the house." We avoid the necessity of having a bookkeeper and then paying 10 per cent to a collector. By selling for cash we march to the tune of (Sweet Home) Cash.

Cho—Cash, cash, good hard cash; There's nothing so powerful As clean, solid cash. Try and be convinced.

THE BIG RACKET

A BRILLIANT RING.

We are showing some of the daintiest novelties ever displayed in jewelry. It would be easier to tell you what we haven't got than what we have. If you haven't seen our elegant trifles in gold and in silver, there is a treat awaiting you, and, whether you have purchases in mind or not, you should not miss them. It is difficult to resist going into details—we are strongly tempted to describe some of the exquisite products of the season's art, some of which show that the caprices of fashion are apt to be wonderfully charming, but you'll get a much better idea if you come and look for yourself.

Everything kept that is usually found in a first class grocery store.

MEETING OF PRESBYTERY

THE SPRING SESSION HELD AT WADESBORO.

The Opening Sermon Preached by Rev. W. S. P. Bryan—Concluded—Notes of Barium Springs Orphanage.

WADESBORO, N. C., April 9.—The spring meeting of the Presbytery of Mecklenburg was held in this place, beginning Tuesday evening, April 5. The opening sermon was preached by Rev. W. S. P. Bryan, of Asheville, the last moderator present. The Rev. Roger Martin was elected moderator and Rev. F. D. Hunt and G. A. Sparrow, clerks. The attendance of elders was larger than has been seen for many years, and the total roll showed about fifty-five presbyters present.

Rev. D. F. Sheppard was at his own request dismissed to the presbytery of North Mississippi, that he may serve the church at Senatobia, and Rev. G. A. Sparrow was elected agent of the Bible cause in his stead. The Rev. Dr. Lawrence, of Asheville, president of the Normal and collegiate institute, was invited to sit with the presbytery and made an address on the subject of his new undertaking. The deaths of Rev. A. W. Miller, D. D., L. L. D., and of Rev. Jas. E. Morrison were announced and committees appointed to report suitable memorials at the next meeting.

Rev. Roger Martin resigned pastoral charge of Providence church and accepted a call to Mallard Creek. Rev. Dr. J. J. Harrell accepted a call to Philadelphia and Robinson churches. Rev. G. D. Parks accepted a call to Mulberry church. Cook Memorial church was enrolled. The Rev. Dr. Biddle, president of Biddle institute, and Rev. H. M. Payne, of the presbytery of Fort Dodge, were invited to sit as corresponding members. King's Mountain was chosen as place of next meeting and the Wednesday before the second Sabbath of September appointed as the time.

The Rev. Dr. Rumble, of Salisbury, presented the condition and prospects of the Synodical orphanage at Barton Springs, near Statesville. Funds for one new building costing \$5,000 are already in hand and \$3,000 towards the second building is promised. These will accommodate sixty orphans and funds are needed to complete and furnish and maintain the buildings. Presbytery directed pastors and elders to say this before their congregations at once.

Rev. W. S. P. Bryan, chairman, reported, advising the presbytery to vote against the proposed substitute for the directory of worship and this was done unanimously. Rev. W. S. P. Bryan resigned as trustee of Davidson College and Rev. C. W. Robinson was elected to fill his unexpired term.

The following were chosen principal commissioners to the general assembly: Revs. Roger Martin and E. A. Sample, Elders E. N. Hutchinson and J. S. Collins; alternates Rev. F. D. Hunt and G. A. Sparrow, Elders T. H. Hoke and C. G. G. Love. The auditing committee reported that the books of the treasurer were in good order and disbursements covered by vouchers. Rev. W. S. P. Bryan from the committee on church and christian education presented a report showing the number of church schools and the condition of the schools in the bounds of the presbytery. He having resigned, Rev. J. L. Williamson was appointed in his place.

Rules for the guidance of session clerks in keeping records were adopted. The narrative to the assembly prepared by Rev. Dr. Reed was also adopted. A petition to congress to vote no money to the World's fair at Chicago except on condition that no liquor be sold on the grounds and that the grounds and buildings be closed on Sunday was unanimously adopted. An overture to the general assembly was adopted asking the scriptural and constitutional authority of synodical evangelists, their relation to the presbyteries and the general scope of their work.

A resolution of thanks to the hospitable people of Wadesboro was adopted by a rising vote.

Presbytery adjourned Friday afternoon to meet in Asheville on Friday, April 22, at 11 a. m., to dissolve the pastoral relation between the First church and Rev. W. S. P. Bryan.

AT BIRMINGHAM.

The Next Reunion of Confederate Veterans.

NEW ORLEANS, April 11.—The ovation to the confederates Saturday has scarcely, if ever, been equalled in the south, or in the country. Immense crowds blocked the streets along the line of march and the galleries and windows of all the houses were filled with men, women or children waving handkerchiefs and shouting all along the line. General Gordon rode with uncovered head nearly the entire route, but the crowding incident of the parade occurred at the grand stand, where he took his position to view the veterans. As his command came up many of the men broke ranks and rushed up to grasp his hand.

The ways and means for the erection of the Davis monument was left to a committee, one to be appointed from each state. General John B. Gordon, commander-in-chief, and all the officers were re-elected. The date for the convention at Birmingham, Ala., was left to the commander in chief to appoint and the meeting then adjourned.

Blaine Still Not a Candidate.

WASHINGTON, April 9.—Senator Hale, in an interview regarding the stories which have been assiduously circulated the past week with reference to Mr. Blaine's willingness to accept the nomination for presidency, said: "I do not speak for Mr. Blaine, because I have no authority to do so, but I know he stands today as when he wrote his letter of withdrawal. He has not reconsidered his determination, and he has given no intimation of any intention of reconsidering it."

Effect of the McKinley Bill.

NEWCASTLE, Pa., April 11.—Notices have been posted at all the furnaces in this city that there will be a reduction of wages to take effect April 17. The furnace men will be reduced 15 cents, day laborers 10 cents and iron men 3/4 of a cent per ton. This will give the furnace men \$1.75 per day and laborers \$1.35, which is the same that they received before the raise last November.

BUTLER DODGED.

Denouncing the Democrats as Well as Republicans.

STATESVILLE, N. C., April 9.—At the joint discussion between Robbins and Butler here today 2,000 or 3,000 people were present and gave both speakers a patient and courteous hearing. Although men from Catawba, Rowan and other adjoining counties were present in large numbers and were liberal in applause for Mr. Butler, but the radicals and the negroes present also manifested their delight. Maj. Robbins made an able and convincing argument against the sub-treasury plan, and the government ownership of railways, and was especially strong against the plan to pay the federal soldiers over again as disbanded by the St. Louis convention. He denounced the conspiracy of Polk, Butler and others to lead the alliance democrats into the third party. He made an eloquent plea for democratic supremacy and unity which was applauded by all. Mr. Butler started out by saying that he was not going to make an alliance speech, but was simply going to reply to Mr. Robbins. He denounced the two old parties with great impartiality, denounced Cleveland, denounced Hill and, though he was asked the question three or four times if he would support the nominee of the Chicago convention, he dodged it every time. The first time the question was put he answered it by asking if Robbins would vote for the nominee if the convention adopted the St. Louis demands and nominated a man in sympathy with them. Robbins replied that he would, for the reason that he had no idea that the Chicago convention would do such a thing. Butler's answer was that if the Chicago convention adopts the North Carolina platform he would support the nominee. Upon being pressed for an answer, he said that if a majority of the people in the next state convention said that he ought to vote that way he would do so. The speech of Robbins was convincing, and among the intelligent alliance men, will do much good.

SCOTCH-IRISH CONGRESS.

It Will Meet in Atlanta, Georgia, April 28.

ATLANTA, April 9.—The fourth annual congress of the Scotch-Irish society of America will convene in Atlanta on April 28, and remain in session three days. The Atlanta Scotch-Irish society is making great preparations for the event, and the indications are that the meeting will be the most interesting and the best attended in the history of the society.

Five thousand engraved invitations have been printed from steel plates and mailed to prominent people on both sides of the Atlantic. Two thousand newspaper editors are among this number, and some of the most distinguished men in the United States have accepted invitations to address the congress.

The program includes addresses by Colonel A. K. McClure, editor of the Philadelphia Times, Hon. James E. McLenzie, of Hopkinsville, Ky., one of the vice-presidents of the World's Columbian exposition, Dr. Francis L. Patton, president of Princeton University, Dr. John Hall, of New York, Hon. James McMill, who succeeded Judge Cooley on interstate-commerce commission, Mr. Henry Wallace, of Des Moines, Iowa, Hon. Pat. Callahan, of Atlanta, Dr. J. H. Bryson, of Huntsville, Ala., and other distinguished speakers yet to be announced.

FREE TO ALL.

The Cotton Bagging Bill Passed the House.

WASHINGTON, April 11.—The following is the text of the cotton bagging bill as passed:

"That the following articles, when imported, shall be exempt from duty, namely: Bagging for cotton, gunny cloth, and all similar material suitable for covering cotton, composed in whole or in part of flax, jute, or other barks, roving frames, winding frames, softeners, and other machinery, purchased abroad and used in the manufacture of bagging for cotton, gunny cloth and suitable for covering cotton; cotton gins and parts thereof, and also hoop or hand iron, or band steel cut to length, or wholly or partially manufactured into hoops or ties for baling purposes, with or without buckles or fastenings."

THIS IS GOOD NEWS.

The Trains Recently Taken Off are Soon to be Put Back.

It will be gratifying to many Ashevilleans and the traveling public generally to know that the double daily passenger service on the Richmond and Danville's lines running into the city will soon be restored.

Trains Nos. 9 and 10, on the Western North Carolina road, the night trains, are to be put back, as are also trains Nos. 13 and 14, on the Asheville and Spartanburg roads.

The schedules have not yet been made up for these trains, but THE CITIZEN is informed by a railroad man that the trains are certainly to be put on by the 10th of May.

COACHING PARTIES.

Col. Frank Cox Giving Them to Visitors in the City.

The coaching parties now being given by Col. Frank Cox are the most enjoyable events of the month. He is undoubtedly the best whip in the south, and his driving is the admiration of everybody who witnesses it. On Saturday afternoon Col. Cox gave a coaching party to several ladies and gentlemen, among whom were Mrs. Lee Holcombe, of Washington, Miss Luke, of New York, Miss Gregorie, of Maine, Miss Alford, of New York, F. S. Cox, of Philadelphia, and John Hitchcock, of Boston. Another coaching party was given to some prominent people this afternoon.

Will Wind Them at Home.

An item of considerable expense in the running of the Asheville street railway is the repair of armatures frequently burnt out on the cars. Up to the present time these parts had to be sent to Schenectady, N. Y., to be rewound. This will be stopped, however, as the machinery necessary to do the work has been ordered and is expected daily, while Mr. Yates, an expert from the Edison shops at Schenectady, is now here for the purpose of instructing street railway machinists in the art of rewinding armatures.

EACH PRAYED FOR ALL.

A SAD DROWNING ACCIDENT NEAR BOSTON.

Nine Persons Lose Their Lives Through the Capsizing of a Sail Boat During a Squall—Eight of Them Were Boys.

BOSTON, April 11.—Last evening an instructor and ten boys connected with the Boston farm school at Thompson Island capsized in a sail boat and the instructor and eight of the boys were drowned.

The instructor had been to the city during the day to attend church, and ten boys, constituting the regular crew of the school, left the Island at 6:30 to sail to City Point to convey the instructor to the Island. The boat was considered perfectly safe under ordinary circumstances.

The boat started on the return trip at 7 p. m. At a point supposed to be between Spectacle Island, and Thompson Island, the boat was struck by a squall and immediately capsized. The eleven occupants were thrown into the ice cold water, but being accustomed to strict discipline and exercise of heroism in school, they all secured positions where they could cling to the overturned craft, and then began a long wait for the rescue which, to most of them, was never to come.

According to the testimony of the two survivors they encouraged each other by words of cheer and occasionally shouting in hope that they might be heard by some one on the shore. At one time a tug was seen in the distance and they shouted with all their remaining strength, but could not attract attention. The night was cold and the shores and wharves were abandoned.

When the time for the boat to return to the Island had passed, the superintendent of the school, Chas. H. Bradley, went to the beach to scan the waters of City Point, but he saw nothing. The survivors say they saw his form patrolling the beach, and felt sure rescue would come, but it did not. Finally the chill of the water and the exertion necessary to keep their heads upon the surface overcame the unfortunates and one by one they were compelled to relinquish their hold. The instructor was the first to go. Each offered a prayer or word of farewell to the others as he gave up his hold on life. Some of them endured the unequal contest for nearly four hours, and it was quite four hours, or about 11 o'clock, when the boat with two survivors still clinging to it, but exhausted, drifted ashore. They were immediately cared for and are rapidly recovering from the effects of their exposure.

The names of the lost are: A. F. Nordberg, instructor, Frank Hitchcock, Homer Thatcher, Geo. Ellis, Thomas Phillips, Wm. Curran, Chas. Graves, Henry E. Loud and A. H. Packard.

SURROUNDED BY FIRE.

The Boy Who Stood on the Burning Deck Outdrew.

NEW BEDFORD, Mass., April 11.—The steamer "City of Fitchburg" of the Old Colony steamship company, which arrived from New York yesterday morning, was seriously damaged at her dock this morning. When the hatches were opened the deck hands encountered a mass of flames and smoke. The entire forward hold, loaded with cotton and grain, was in flames which spread aft, around the boiler of the engine room, and into the afterhold where the miscellaneous merchandise was stowed. Working its way to the upper deck, it gutted the forward saloon and the officers' rooms. The officers lost nearly all their personal effects. The crew's quarters on the after part of the deck were also damaged and the men lost much of their property.

Two streams were poured in from the wharf hydrants and nine streams from the fire engines. Besides this the assistant engineer, Thomas Emerson, was sticking at his pumps on the Fitchburg, surrounded by burning freight and showered with burning embers. All escape was cut off, and well nigh suffocated, yet stuffing his wet handkerchief in his face, he remained at his post till the blaze was extinguished. Two tugs also sent in their powerful streams of salt water.

Freight on the wharf was rapidly removed and much of the steamer's cargo was thrown overboard and picked up uninjured, except by the water. The flames raged two hours, but finally succumbed after a hard struggle. The steamer is insured and it is thought her cargo is also.

MAY BE LYNCHED.

The Governor of Oregon Orders Out the Militia.

PORTLAND, Ore., April 11.—Gov. Penner has received a dispatch from the sheriff of Malheur county, calling upon him to order out a detachment of state militia to quell a riot at Vale. Tuesday last the Baker brothers laid in wait for Wm. Humbert, and without warning riddled him with bullets. The murder was the result of a quarrel between the men over the democratic primaries. The Bakers were landed safely in jail, but the citizens of Vale and the surrounding country gathered in large numbers and lynching is quite probable.

A Free Show.

For fifteen minutes this afternoon people passing Barnum's show window, north court place, were treated to a novel sight. A young man was lying in plain view, with his face painted in all the fantastic style of an Indian chief, chewing contentedly upon some sour kroust. The free show was the outcome of a wager, and the young man won.

A Booming River.

VINCENNES, Ind., April 11.—The Wash river, which has been rising several days, is now 17 feet deep in the channel and still going up. The lower bottoms are inundated, and much damage has been done to bridges and fences. The farmers are getting their stock to high ground.

Houk Renominated.

KNOXVILLE, Tenn., April 11.—John C. Houk was renominated for congress today in the second district republican convention.

Smallpox in New York.

NEW YORK, April 11.—Eight cases of smallpox were reported at the bureau of vital statistics since Saturday.

WANTED.

1,000 DISABLED MEN.

Must be in poor health and unable to do a good day's work.
