THEY HISSED HILL'S NAME

PENNSYLVANIA DEMOCRATS FOR CLEVELAND.

The Chicago Delegation Will Vote as a Unit and go Uninstructed For Any Candidate—A Large State Convention.

HARRISBURG, Pa., April 13.—As early as 10 o'clock yesterday morning the delegates to the democratic state convention began to assemble in the Harrisburg opera house. Tickets of admission were not given out by State Chairman Wright until this morning, and there were consequently much confusion. Every safeguard was thrown around the distribution of tickets for the reason that it was feared that those not friendly to Mr. Harrity and the state administration might counterfeit tickets and fill the hall with an undesirable class of visitors. When the convention was called to order at noon the lower floor of the opera house was filled with 463 delegates and two galleries were packed full of spectators. No convention held here in years has attracted such crowded galleries. As the various party leaders entered and were recognized they were greeted with applause which was in all cases impartially bestowed.

The convention was opened to order by Chairman Wright at 12-10, and business was formally begun by the reading of the call of the convention issued Jan 30. The calling of the roll of delegates occupied 45 minutes, many substitutions being made. Then John R. Keed, of Philadelphia, nominated Congressman Beltzhoover for temporary chairman and he was elected unanimously. In the course of his speech on taking the chair, Mr. Beltzhoover took occasion to refer in complimentary terms to Gov. Pattison and Grover Cleveland. These references were received with cheers long continued. One individual in the gallery shouted "What's the matter with Hill?" but only groans and hisses followed. The mention of the name of the New York democratic leader.

After the adoption of the report of the credentials committee the platform was read and another controversy arose over the plank instructing delegates to vote as a unit. The platform does not instruct the delegates as to any particular candidate. It simply instructs them to vote as a unit. There is in the platform a strong endorsement of Cleveland as follows:

"We believe in the doctrines which have been taught and practices which have been endorsed by the administration of the government by Thos. Jefferson and Andrew Jackson, by Samuel J. Tilden and Grover Cleveland."

Two national delegates and one presidential elector from each of the twenty-eight congressional districts were then named.

NEEDS QUAY.
The Other Side of a Recent Story.

WASHINGTON, April 11.—A despatch printed this morning in a New York newspaper to the effect that the president recently warned Postmaster-General Wanamaker, in the presence of several prominent Pennsylvanians, against Senator Quay, has afforded no little amusement to politicians here. The president's opinion of Quay is, of course, well known. He advised Quay, in the World's series of damaging publications had brought down upon him the contempt of the country, to retire from the chairmanship of the republican national committee, but since that time he has treated Quay rather tenderly. He has not, it is true, yielded to all of Quay's importunities about offices, but he has done nothing to offend him, and he has been very far from abusing him in company.

The truth is that the president is anxious to re-establish friendly terms with Quay. In the language of the street, he is beginning to need him in his business, and if one or two snug places here and there through to Quay's followers would call Quay back to his side the appointments would be made tomorrow. The difficulty is that Quay is constantly pushing applicants for judgeships, and the president realizes that to farm out patronage of that character to a man like Quay would be to completely discredit the bench.—N. Y. World.

YELLOW PINE UP.
The Price Advanced by the Southern Association.

ST. LOUIS, April 14.—The directors of the Southern lumber manufacturers' association have raised the price of yellow pine lumber fifty cents a thousand. This change is to take effect on May 1. The directors assert that the association is not trying to control the output of yellow pine lumber, but is simply seeking to maintain prices at a paying figure. The directors decided to meet in Memphis May 4 to further consider the condition of trade.

Kissed and Made Up.
LONDON, April 14.—A despatch received here today from Rome says that a series of notes has passed between Blaine, the American secretary of state, and the Marquis Emperiani, Italian charge d'affaires at Washington, resulting in the settlement of the differences between Britain and the United States, growing out of the lynching of the New Orleans.

Never Too Old to Seek Divorce.
WHEELING, W. Va., April 10.—Mrs. Sarah Ann Shoemaker, aged seventy-five, is suing for a divorce from her husband, who is eighty and a prominent minister of Romney. She charges cruelty and neglect, and it is said that another woman has been situated her husband. Mr. and Mrs. Shoemaker have lived together for fifty years and are great-grandparents.—New York World.

Two Brutal Fight.
CHATTANOOGA, April 14.—The McElroy-Lawler mill took place last night near Chattanooga creek, but over the Georgia state line. McElroy was evidently the best man and betting was in his favor. In the fourth round McElroy knocked Lawler out. The fight lasted twenty minutes. Lawler hails from Cincinnati and McElroy is a Birmingham, Alabama, man.

THE MEANING OF WORDS.

"If any one should call, Higgins, I shall not see them."
"Shall I say madam is out?"
"Oh, dear, no! That would be a falsehood. Say I am not at home."

BLAINE AND PRESIDENTY.

It is Now Said he Will Accept the Nomination if it is Offered Him.

WASHINGTON, April 12.—A devoted friend of Mr. Blaine's told a reporter today that it was absolutely certain that Mr. Blaine would accept the nomination for the presidency if it should be offered to him by the convention. He said he had talked long and earnestly with Mr. Blaine, and that he could say positively that he would not decline the nomination if offered to him, though he did not desire it and would not seek it. The new impetus that is being given to Blaine talk is a matter of great interest to politicians of both parties. There is probably no one who doubts that Mr. Blaine is sincere in his desire to avoid the responsibility and annoyance that would come upon him as the candidate of his party, but there is a very large element in the party who cannot reconcile themselves to the thought of his retirement from public life without having the highest honor there is in politics. There are many others who feel that the success of the party may be dependent upon his acceptance of the nomination, that he could surely be elected, and that possibly no one else could. These men simply will not give up the idea of Mr. Blaine's nomination.—N. Y. Sun.

TALK WITH GOV. CAMPBELL.

The Democratic Masses in Ohio Are for Cleveland, He Says.

WASHINGTON, April 11.—Ex-Governor Campbell stopped over in Washington today on his way back to New York from Fort Monroe, where he has been staying for the past three days. He was warmly welcomed at the capitol by his numerous friends, and had a brief chat with Speaker Crisp.

Gov. Campbell said the democratic prospects were bright. He thought that the democrats had strong ground for hope in Rhode Island, that in a national contest no local questions would be involved, and that with the democrats aroused there was a good fighting chance.

"Ohio, in Ohio," said he, "the sentiment of the democratic masses is for Cleveland. Do I think Mr. Cleveland can win? I think if any democratic nominee can win he can."

The governor left for New York this afternoon.—N. Y. World.

ITALY'S GOVERNMENT.

A Change in the Cabinet Over the Finances.

ROME, April 14.—Owing to a difference that arose at the last three cabinet councils over financial measures to be submitted to parliament, the whole ministry tendered their resignations to King Humbert today, and they were accepted. The king has charged the Marquis Di Rudini, prime minister, to reconstruct the cabinet. No change in the ministerial program is expected, except that the Marquis Di Rudini proposes to insist more strongly upon the government's financial proposals.

A FURIOUS STORM.

Minnesota and Pennsylvania Report Bad Weather for April.

ST. PAUL, Minn., April 14.—Dispatches this morning from twenty points in Minnesota says a furious snow storm is raging and the weather is growing colder.

BOONE, Pa., April 14.—The storm which has been raging here for some time has so increased in fury as to be a fearful blizzard. All telegraph and telephone wires are down and all business suspended.

An Heiress 93 Years Old.

PITTSBURG, Pa., April 11.—Mrs. Johanna Kelleher, aged ninety-three, living on Thirtieth street, in this city, has fallen heir to \$100,000 by the death of her brother's widow Mrs. Jerome Cahill, at Litchton, county Kerry, Ireland. Mrs. Kelleher married against her father's wish and came to this country with her husband. She became afterwards forgiven by her father, but never returned to Ireland.

The Giant Arch Finished.

CHICAGO, April 11.—The mammoth central arch of the manufacturers' building at the World's fair grounds was completed late this evening. This immense steel span, which has a height of 212 feet and a width at its base of 375 feet, is the largest arch ever constructed for any building in the world. It can be plainly seen from the centre of the city, over seven miles away.

Dead from Fright.

PITTSBURG, April 11.—Cora Vanora, of Allegheny, on April 5, dropped her baby sister from her arms, from the effects of which the little one died. Cora was frightened by her playmates, who told her that she would be hanged. She became dangerously ill, and her reason was affected. Today she died from the direct results of her fright.

The Chinese Exclusion Bill.

WASHINGTON, April 14.—In the senate yesterday Mr. Dolph, from the committee on foreign relations, reported back the house bill for the absolute exclusion of the Chinese, with the senate bill as a substitute for it and gave notice that he will call it up as soon as possible.

REPUBLICANS IN COUNCIL

OPENING OF THE STATE CONVENTION IN RALEIGH.

Counting on Democratic Dissensions—V. S. Lusk Will be Permanent Chairman—The Eaves Mott Fight Still on—Ninety-Six Counties Represented.

RALEIGH, April 14.—[Special.]—The republican state convention met here at noon today, ninety out of the ninety-six counties being represented. More white men are present as delegates than at any convention of the party in years.

John B. Eaves, chairman of the state executive committee, called the convention to order. He declared in his speech that the democratic party was torn to pieces in the western part of the state, and that while the alliance would join with republicans in purifying local self government, he predicted victory for the republican party in the state, and urged the republicans not to yield a single plank in their state and national platform, but to stand solidly together and harmonize all differences.

Jas. H. Young, of Wilmington, was made temporary chairman and the convention then took a three hours' recess, while the committee on credentials worked on contested seats.

V. S. Lusk, of Asheville, is to be permanent chairman and Eaves will be selected chairman of the state committee by a two-thirds vote, though there will be a hot fight against him, led by John J. Mott. Eaves is backed by the administration.

TWO CONVENTIONS.

It is Not Known Yet What Either Will Do.

ATLANTA, Ga., April 14.—The republican convention of Georgia met at noon today with J. W. Lyons, of Augusta, as temporary chairman. After preliminary organization adjournment was taken till the afternoon.

CHEYENNE, Wyo., April 14.—The democratic state convention met at the opera house at Douglas yesterday afternoon with permanent chairman W. H. Folliday, of Evanston, secretary Jno. F. Carroll, of Cheyenne. Gen. Chas. Thompson got the floor as soon as possible and made a speech in favor of passing strong resolutions against the stockmen and the invading of Johnson county. The convention then adjourned until today. It is impossible to tell what the convention will do or what the delegates elected will favor.

BRAZIL AT PEACE.

It Seems Necessary to Say So Frequently.

RIO JANEIRO, April 14.—The state of siege has been raised. The official announcement says that the city is tranquil, and adds that the loyalty of the army enabled the authorities to frustrate the attempts made by the malecontents to disturb the peace.

The movement in Matto Grasso to declare that state independent of the federal government was the outcome of an organized plot, but the affair was of no importance as the state is not able to uphold the rebellion. The whole country is quiet and the energetic action of the government has given general satisfaction.

TURN OUT!

The First Gun of the Campaign to be Fired Saturday Night.

There will be a large attendance at the meeting in the court house on Saturday night, held for the purpose of organizing a democratic club and beginning the campaign work.

Two of Asheville's best speakers, Hon. J. H. Merrimon and H. A. Gudgeon have accepted invitations to speak, and an enthusiastic meeting is expected. Every democrat in the city having the success of the party at heart should be present to put the ball in motion.

The meeting begins at 8.30 o'clock. Listen for the ringing of the bell.

There was a Ten in It.

General Secretary Mays received the following this morning:

"The Young Men's Christian Association in Asheville will please accept the enclosed as a slight token of my high appreciation of the important and grand work in which your associations are engaged. I wish you great success in rescuing the exposed and unwary, within the circle of your influence, from the vortex of vice, and in developing and building up noble Christian characters for yourselves."

Immense Immigration Scheme.

OTTAWA, April 11.—A German immigrant agent named Siemens, whose operations are conducted on a colossal scale, waited upon Premier Abbott this morning and proposed to settle 400,000 German immigrants in the northwest at \$500 each per head. What the per capita price is neither he nor any of the members who were with him will divulge. The government is considering the proposition.

Cleaned Out the County.

SALT STA MARIE, Mich., April 13.—Geo. M. Fritts, postmaster at Trout Lake, near here, keeper of a general store and township treasurer, who absconded a few days ago, took with him the
