Don't cry hard times when you can buy goods for half price. Buy everything you need in our line from us, and thereby save 25 to 50 per cent. you would pay to other houses who do a credit business.

The secret of low prices is "Spot cash for all our goods—and spot cash before they leave the house." We avoid the necessity of having a bookkeeper and then paying 10 per cent to a collector. By selling for cash we march to the tune of (Sweet Home) Cash.

Cho—Cash, cash, good hard cash; There's nothing so powerful As clean, solid cash. Try and be convinced.

If you haven't seen our elegant trifles in gold and in silver, there is a treat awaiting you, and, whether you have purchases in mind or not, you should not miss them. It is difficult to resist going into details—we are strongly tempted to describe some of the exquisite products of the season's art, some of which show that the caprices of fashion are apt to be wonderfully charming, but you'll get a much better idea if you come and look for yourself.

## THE ANTI-LOTTERY WON!

DEMOCRATIC VOTES DID THE BUSINESS.

**Foster, De Witt, Alliance and Anti-Lottery Candidate Elected in Louisiana—More Cleveland Delegates Chosen.**

MILWAUKEE, April 20.—The Rock, Iowa and Waupaca democratic county conventions yesterday elected delegates to the state convention, and instructed them to favor Cleveland for president. The Rock county convention strongly censured Congressman Rabbitt for opposing the free wool bill, and for voting for free coinage. The Kenosha county delegates were not instructed, but two are strong Cleveland men; eight others are equally strong for Palmer.

COLUMBIA, S. C., April 20.—An old time republican convention which met here yesterday spent its time in trivial wrangles. A resolution that no federal office holder be sent as a delegate to the national convention was passed, but was afterwards withdrawn. Resolutions were adopted endorsing President Harrison, protection and reciprocity. Elected as delegates at large: Dr. W. D. Crum, of Charleston, applicant for post-mastership there; E. H. Deas, of Darlington, candidate for congress two years ago; E. A. Webster, collector of internal revenue; and E. M. Brynton, an old time and well known leader.

HARRISBURG, Penn., April 20.—The republican state convention to nominate as candidates two supreme judges, two candidates for congressman at large, and electors at large, and eight delegates at large to the national convention was called to order this morning. The flags and banners that did duty at last week's democratic convention still hung from the walls and balconies. Secretary Leech read the call for the convention and James L. Miles of Philadelphia, nominated General Jas. W. Latta, also of that city for temporary chairman. The general addressed the convention and at the conclusion of his speech the usual resolutions for the organization of the conventions were adopted.

NEW ORLEANS, April 20.—The indications now are that the majority of Foster (democratic farmers' alliance) for governor will reach 30,000. A large negro vote was given to Foster in many of the parishes. Fitzpatrick's majority for mayor is estimated at 5,000. The count has not been completed.

When the democratic convention met in December and nominated the ticket headed by McKinley, the anti-lottery people bolted and nominated a second ticket headed by Foster, and which was composed of anti-lottery democrats and farmers' alliance men. The candidate for secretary of state, T. S. Adams, is president of the Louisiana alliance; the candidate for superintendent of public education, A. J. Lafarge, is lecturer of the alliance; and the candidates for treasurer and auditor, John Fickett and W. W. Head, are also alliance men.

## MURDER AT FLAT ROCK

**L. B. Brookshire Killed by His Nephew, John P. Jones.**

FLAT ROCK, April 18.—The most horrible and cold-blooded murder ever known in the history of Henderson county occurred at the postoffice here this afternoon at 6:50 o'clock. The shooting was done by John P. Jones, a prominent and well known young man of this place, the victim being L. B. Brookshire, also a well known and prominent citizen.

Mr. Brookshire went into the postoffice and transacted some business with the postmaster and was walking quietly out when young Jones stepped up to him and commenced shooting at him. Brookshire went down at the second shot and in the left temple, expiring instantly, and never speaking after the first shot was fired. Brookshire did not have time to draw his pistol or even utter a word of remonstrance.

The trouble is supposed to have originated from Brookshire's being too intimate with John Jones. Several months ago Brookshire was tried at the last term of the superior court, charged with assaulting Jones' wife, but was acquitted. Bad blood has existed between the two ever since, and a tragedy had been expected for some time. The prominence of both parties makes the affair doubly sad. Jones was Brookshire's nephew. Brookshire, if he had lived, would have been a candidate for the office of sheriff in the fall election.

## STILL ROCKING.

**Uneasy Real Estate On The Pacific Coast.**

SACRAMENTO, Cal., April 20.—A slight earthquake shock occurred this morning. No damage was done.

SAN FRANCISCO, April 20.—The following shows the damage done by the earthquake this morning:

Vacaville, town of 2,700—many buildings destroyed. Rev. D. A. Palmer, of San Jose, was badly hurt by falling from a bridge. Estimated loss, \$100,000.

Dixon—The Masonic hall, a two-story brick structure, is ruined. Estimated loss, \$50,000.

Winters—The house of John T. Hibel was destroyed by fire, caused by an overturned lamp. The Bliss hotel, containing forty guests, collapsed, but no one was injured. Estimated loss, \$100,000.

**Quick Treaty Work.**  
WASHINGTON, April 20.—The Behring sea treaty was received yesterday afternoon, referred to the committee on foreign relations which acted upon it this morning, and reported it to the senate favorably this afternoon. For less than two hours was the treaty discussed, and then it was ratified with substantial unanimity.

**The Railways Must Pay.**  
ATLANTA, Ga., April 20.—The supreme court of the state of Georgia has affirmed the constitutionality of the law passed by the legislature making the property of railroads amenable to county taxation.

**Favorable to Cleveland.**  
PORTLAND, Ore., April 19.—The state democratic convention met here today to select delegates to the national convention. The delegates go uninstructed but are favorable to Cleveland.

## NEW SANITARIUM.

**A \$12,000 One to Be Erected Near Hotel Belmont.**

Dr. Karl von Ruck, proprietor of the Hotel Belmont, at Sulphur Springs, has just purchased eleven acres, eight from E. G. Carrier and three from J. M. Campbell, on the north side of the hotel, in a pine grove. The land cost \$6,000.

Dr. von Ruck purposed the erection of a sanitarium on his new purchase. The building will cost from \$12,000 to \$15,000. It will be on the line of the West Asheville and Sulphur Springs electric railway. The plans and specifications are not being prepared, and work is to be begun early in the summer.

The object held in view by Dr. von Ruck is to separate the invalids from those in the Hotel Belmont, which is in no sense a sanitarium. The sanitarium will be situated apart from the hotel and will be under different management. The grounds to be occupied by the new building are now being graded and set in grass.

Dr. von Ruck has engaged a band for the Belmont at \$150 a week. It will be on hand May 15. The band consists of seven pieces, both brass and string, with a harp soloist.

Dancing and concert pavilions are now being erected at the hotel for the enjoyment of the summer guests. Afternoon and evening concerts will be given during the summer.

## SOUTHSIDE CHURCH.

**Ground Broken for the New Building Yesterday.**

Ground was broken yesterday for the new Southside Presbyterian church. The church will be built on two valuable lots which were presented by Maj. W. W. McBowell. The entire depth of the lots is 310 feet. They front on Southside avenue and extend back to McBowell street, so the building can be approached from either street.

The church will be two stories above ground. The first story will be adapted to the different meetings held and to the Sabbath and day schools. This story can be used with an unbroken floor, seating three hundred persons, or it may be divided into four different rooms by drawing sliding doors and lifting glass sash. The main auditorium will be on the second story which will be approached by two easy flights of steps located in the front vestibule.

The corner stone will be laid by Rev. W. S. P. Bryan on Monday afternoon, April 25, at 2 o'clock.

## "DAVID COPPERFIELD."

**The Last of the Y. M. C. A. Course Next Friday Night.**

Of Chas. F. Underhill, who will appear at the Grand opera house on Friday night, under the auspices of the Y. M. C. A., the Louisville Courier-Journal says: "The reading by Mr. Chas. F. Underhill at the Academy last evening drew to that place one of the largest audiences of the season. He presented eight scenes from 'David Copperfield,' and for nearly two hours kept the audience entertained and interested in the story to a degree that reflected the greatest credit on his abilities. Mr. Underhill has a prepossessing appearance and manner, a rich, full voice capable of expressing the entire range of human emotions under excellent control. His changes from one character to another were so abrupt as to be startling, and his reading was frequently punctuated by applause."

## PLEASANT RECEPTION.

**Given by Capt. and Mrs. C. J. McCape Last Evening.**

A very pleasant occasion was the reception given last evening at the residence of Capt. and Mrs. C. J. McCape, on Grove street, in honor of Miss Katharine Cook, of Camden, N. J., and Miss Jennie Stecker, of Easton, Pa.

During the evening Miss Helen M. Lewis gave a recitation, and Robert Bingham sang a song, both of which were well received. Miss Cook treated those present to several songs, and was heartily applauded. Miss Cook has a rare, pure voice, as the many who have heard her during her stay here can attest.

A greatly enjoyed supper was served to the guests. Those present were: Capt. and Mrs. M. E. Carter, Mr. and Mrs. W. T. Pentim, Misses Bingham, Misses Lewis, Miss Clegg, Dr. J. H. Williams, J. H. Law, Robert Bingham, Edward Clegg and Capt. Webb.

## AT THE Y. M. C. A.

**The Business Men's Gymnasium Class a Success.**

The new business men's gymnasium class at the Y. M. C. A. opened yesterday, is a success already. Notwithstanding the rain, eight business men started in for work, and others have given their names.

Three 200-pounders commenced with a zest that was surprising. All sense of work is dispelled in the fun generated. By request of the class, and to reach a standard of 245. All who wish to take systematic body building should hand in their names at once. Next class Friday. Special instructions will be given other afternoons if desired. New members joining now have the privileges of this class.

## Death in Greenville.

The Greenville, S. C., News says: "Adolphus Brown Spier, jr., of Brooklyn, N. Y., died Sunday at the house of R. G. Williams, 61 Duncombe street, this city. The young man came here last fall from Asheville for his health. He had made many friends during his short stay here by his genial and gentlemanly bearing, and his family, several members of which spent the winter here with him, have the deep sympathy of the entire community."

## Where is The Negro?

EL RENO, Oklahoma, April 20.—The Cheyenne and Arapahoe reservation was thrown open yesterday and 30,000 people found homes there. The scarcity of the negro is one of the surprising things.

## Our Zeb Has Been Ill.

WASHINGTON, April 20.—Senator Vance has been seriously ill from an attack of facial paralysis, but is reported to be improving.

## STOLE FROM ROTHSCHILD

**THE GREAT FIRMS CHIEF CASHIER AN ABSCONDER.**

**He Has Stolen \$230,000 and is Missing—Has Either Committed Suicide or Fled to the United States.**

BERLIN, April 20.—A most decided sensation was caused on the bourse here today by the report that Herr Jaedor, chief cashier for the great banking house of the Rothschilds, at Frankfurt, was a defaulter. According to this report Jaedor had succeeded in defrauding his employers of over 1,000,000 marks (\$230,000.)

Jaedor has held the position of chief cashier for 17 years. He was implicitly trusted and there has never been a breath of suspicion concerning him. Some time ago he was missing from his post and as time elapsed and he did not appear a partial examination of his books was made. This resulted in the declaration that he is an absconder.

The examination of the books has not yet been concluded and the exact amount of the defalcation is therefore not known. No denial has been offered. The cashier's office is closed and experts are employed to examine and revise all the books of the bank. It is said that Jaedor knew his dishonesty would shortly be discovered, and that he has killed himself. On the other hand it is claimed that he has the greater part of the stolen money in his possession and that under an assumed name he is endeavoring to reach a foreign country, most likely the United States.

## THE MAYNARD CASE.

**Two Partisan Reports Made to the Legislature.**

ALBANY, N. Y., April 20.—The majority and minority reports of the Maynard investigating committee have been presented to the legislature. The majority report, signed by the democratic members of the committee, contained about six thousand words. It says that all that Judge Maynard did, he did as an honorable, upright and conscientious lawyer, and recommends the adoption of resolutions endorsing the action of Judge Maynard in taking the Dutchess county returns from the comptroller's office, and also endorses the action of the state board of canvassers in determining the four contested election cases.

The minority report signed by the republicans was about 12,000 words long, and characterizes Maynard's action in connection with the Dutchess county returns as a criminal act, and closes with a resolution demanding his removal from the court of appeals bench.

Today the assembly adopted by a vote of ayes 67, nays 58 the majority report of the committee.

## CATTLEMEN ARRESTED.

**The Wyoming War About Over. It Would Seem.**

CHEYENNE, Wyo., April 20.—The United States troops have arrested the invading army of cattlemen and are en route to the railway. The journey will occupy four or five days.

Gov. Barber does not say what he will do with the men. Rustlers to the number of 500 to 700 men are following the command and only the knowledge of the serious results that would ensue prevents them from making an effort to secure the cattlemen for private punishment.

Capt. Parmlee, of the national guard, reports from Buffalo that the town is quieting. Three range foremen who have been "warned" arrived from the war territory yesterday and two others have gone east from Gillett. The rustlers believe these men know of the raid in advance and want to kill them for telling of it.

## SILVER RESOLUTION UP.

**No Hurry About the Chinese Exclusion Act.**

WASHINGTON, April 20.—After the usual morning business today, Mr. Sherman notified the senate that further examination of the Chinese immigration question had convinced the committee on foreign relations that the existing Chinese exclusion legislation would not expire till 1894, and that there was therefore no pressure for immediate action on the question. He would, however, call it up at the convenience of senators who desired to speak upon the subject.

Thereupon the silver resolution offered by Mr. Morgan was taken up, and Mr. Teller proceeded to address the senate upon it.

## THE "REDS" IN PARIS.

**Workmen Asked to Rise in Their Might Some More.**

PARIS, April 20.—The Gaulois publishes the text of a violent manifesto of the revolutionary wing of the socialist party, which will finally be discussed at the meeting to be held tonight. If the manifesto is adopted 100,000 copies will be distributed throughout France on the eve of May day.

The police at Etienne and Lyons have made raids upon the lodgings of a number of anarchists in those places, and have seized a quantity of manifestos setting forth the alleged wrongs under which the working men suffer and calling upon them to "rise in their might and break the shackles which enthrall them."

## Four Negroes Murdered.

JACKSONVILLE, Fla., April 20.—An Inverness special to the Times-Union says four negroes were hanged there late last night for the murder of Stevenson and Payne.

Before they were swung into eternity, three made confessions and implicated the fourth.

## A. B. & O. Dividend.

BALTIMORE, April 20.—The board of directors of the Baltimore and Ohio company at their meeting today declared a 1 1/2 cash dividend on the common stock for the three months ended December 31, 1891.

## California Still Rocking.
