ALDERMEN AND ADVISORS

MEETING OF TWO BOARDS YESTERDAY.

City Engineer Lee Makes His Report on the Bee Tree Water Supply—The Fire Department Gets \$500 for Uniforms.

Mayor Blanton called the joint board of aldermen and advisors to order about a half hour late yesterday afternoon. There were present Aldermen Starnes, Gudge, McDowell, Leonard and Brevard, and Advisors Scott, Cummings, Bearden, Hunt and Conant.

The Water Supply.

Mr. Cummings read reports made by City Engineer Lee as to the proposed increase in the city's water supply. The report says that the distance from Bee Tree creek to the standpipe is a little less than ten miles. To put in a 14-inch pipe line would cost about \$90,000. The damages to property would be small. The supply of water at the point from which it would be brought was at the lowest mark last fall about 1,800,000 gallons daily. Ordinarily there would be twice that amount. A 14-inch pipe would discharge 2,250,000 gallons a day.

Cost of raising the present dam five feet Mr. Lee estimates as follows:

| | |
|------------------------------------|---------|
| Raising walls..... | \$1,610 |
| New walls for additional pump..... | 1,323 |
| Earth dam..... | 150 |
| Total..... | \$3,083 |

The board did not discuss the question at length, but postponed consideration until Monday afternoon at 3 o'clock making it the special order for that meeting.

Contractor Corpening was instructed to complete his grading on Depot street immediately, in order that A. M. Smith, the granite contractor, can go to work early next week.

The city engineer was instructed, on motion of Mr. Starnes, to test a specimen of asphalt submitted by A. M. Smith, for sidewalks, which can be laid for about \$1.25 a yard.

Upon motion of Mr. Gudge the board decided to pay Mr. Orr, on South Main street, \$100 damages to his house, which he has to turn down or rolled out of the street as it will be widened.

These bills were ordered paid: J. D. Henderson, pay roll, street department, \$148.75; Mountain Home Journal, advertising, \$10; The Crizes, advertising, \$3; C. E. Graham, \$1.00.

The board then adjourned until Monday afternoon at 3 o'clock, the day for the regular monthly meeting.

THE ALDERMEN.

Five Hundred Dollars Given for Firemen's Uniforms

When the board of aldermen had been called to order, W. W. Jones, esq., appeared for Finlay & Nelson and asked that the firm be granted license to sell fresh meats in Asheville from June 1, 1892, to June 1, 1893. He said that the firm sold from 50,000 to 75,000 pounds of meats here a week, and argued that the new market house would scarcely be large enough for this and two or three of the largest meat dealers. He spoke eloquently of the difference between the little mountain hill killed by some butchers, and the fine meats kept by his clients. Mr. Jones was informed that it was too early to extend licenses for another year.

Fire Chief J. P. Sawyer requested the board that the state firemen's convention would meet in Asheville on July 13. He asked that the city furnish the money necessary to purchase uniforms for the members of the department. On motion of Mr. Starnes \$500 was appropriated for the purpose.

Capl. H. C. Fagg was authorized to order 200 feet of rubber hose to be used by the sanitary department.

Mr. Lynch applied to the board for appointment to the position of market house inspector. A committee composed of Messrs. Brevard, Starnes and Leonard was appointed to investigate as to the necessity for such an officer.

It's a Nuisance.

W. O. Wolfe, who owns the building in which the city offices are situated, complained that the way in which the fire alarm batteries are looked after was a nuisance, as water frequently leaked through the floor and discolored the marble in his place of business down stairs. The chief of police was requested to have the floor cleaned. The board also requested the chief to have the hallway cleaned and all rubbish removed, as complaint had been made about the sanitary condition of the hall.

No More Division.

T. J. P. Peacock, representing the London and Lancashire insurance company, wrote a letter to the board asking that a part of the insurance on the city hall be placed with his company. The board expressed the opinion that the insurance had been divided up enough already, and no action was taken.

THE MOB WAS THWARTED

OFFICERS FIRE UPON THEM AND KILL ONE MAN.

Governor Buchanan and Adjutant General Norman Address the Bloodthirsty Mob and Dispersed After Great Effort.

NASHVILLE, Tenn., April 30.—A crowd of men gradually assembled near the Davis county jail about midnight last night. The officers of the jail feared that their intention was to lynch the negro prisoners charged with an assault on Miss Brive, committed Wednesday night.

ALL THE BODIES FOUND.

THE DEAD OF THE PHILADELPHIA FIRE.

Possible Victims From the Audience Will Now Be Searched For—The Work of Search Carried on at Night—Bated by the Heat.

PHILADELPHIA, April 30.—At 10 o'clock today the body of the sixth and last of the members of the Devils Auction company who lost their lives in the Central theater fire Wednesday night was recovered from the ruins. All the members of the company are now accounted for and the work of searching the ruins for possible victims among the audience is being proceeded with.

CRIMINAL COURT.

Work of the Body Yesterday and Today.

It should have been stated in THE CRIZES report yesterday of the case of Will Erwin, for burglary, that at the conclusion of Mr. Jones' argument that the state had not made out a case, the opinion of Solicitor Carter was asked by the court, and that official stated frankly that in his opinion the state had not made a case, and consented to the discharge of the prisoner.

"Illustrated World's Fair."

Tilman K. Gaines, editor of the Lyeum, has accepted the general agency for nine counties of Western North Carolina, including Buncombe, for the Illustrated World's Fair, a magnificent monthly magazine, issued in the World's Fair buildings, in Chicago, which will be an official exponent of the work of our great Columbian exposition. Each number will contain splendid engravings of leading men, the buildings and the most impressive scenes connected with the World's Fair. The price of this monthly is only \$2.00.

Rich Gold Fields in Virginia.

WASHINGTON, April 29.—Private advices from Richmond say that the old Gold Fields, which before the war were worked in the crudest manner and then suspended, have resumed operations by the aid of a modern spiral, bush milling and washing, and are "paying" an amount equal to the western mines, yielding from \$10 to \$100 per ton. The excitement just now, though, is due to the rich "washings." Some of the diggers secure as high as \$130 a day, and none less than \$10 in Fluvanna and Goodland counties.

Bridalroom, 15; Bride, 13.

PARKERSBURG, W. Va., April 27.—Two clothing children, Bertie Ellison, aged 13, and Andrew Jackson McFarland, aged, 15, fled across the Ohio yesterday in an attempt to evade their parents, but were caught and forced by their parents to surrender. Bertie's father kept her in close confinement for twenty-four hours, but when she was released she became unmanageable and the parents consented to the marriage. The afternoon the children were made husband and wife.

Dynamite Outrage in Naples.

NAPLES, April 27.—Considerable excitement was caused here today by a report that anarchists had attempted to blow up the old Treasury Department. A dynamite cartridge had exploded under the building, but it is not believed that it was placed there by anarchists. Only trifling damage was done. The police are trying to find out who put the cartridge there.

Theatrical People Arrested.

EUSTON, Tex., April 30.—On a telegram from Atlanta, Ga., William Clancey Grigsby, alias Wm. Corning, Mrs. A. Taylor, alias Gettie Jacobs, and Chas. Mason were arrested here yesterday and jailed on charge of forgery, preferred by the American Trust and Banking Company of Atlanta. They are all variety theatrical people.

Police Report.

According to the regular monthly report of Chief of Police McDowell, there were 147 arrests by patrolmen on the force during the month of April. The fines total was \$284.50, and costs \$13.75, making in all \$298.25. Of this \$129.20 was collected in cash, the remainder being worked out in the city chain gang.
