be forgotten; they are among the best friends the party and North Carolina Asheville fire companies.

THEFT AND GREEN GOODS.

mond and Danville Railroad Company.

He was one of three men who recently went to New York to invest \$1,000 in the future?

Can we not help them? We will have by no means given up all hope of Mr. Blaine. A general impression preservices, shall we not encourage them in the future?

It is hardly possible however, that its went to New York to invest \$1,000 in green goods. They lost all their money of course. Wilkins invested in this ven-

—H. W. Dupree, of Edgecombe county, carly Monday morning awoke his wife and told her he was going to set fire ton stack of fodder near by. His wife tried to reason with him, but he left the house, and in a few minutes the fodder stack, and in a few minutes the fodder stack is lightly lightly and his horn at lightly l was in a light blaze, and his barn, a short distance off, was beginning to catch. Mrs. Dupree ran out and managed to save only the buggy from the you have kindly given me in your coldoor-steps of his dwelling apparently well pleased with the work he had done. He is believed to be insane.

-In Moore county, the Blade says, two of Samuel Brower's little children were playing, when one, six years old, tound his brother's pistol and pointed it at his three-year old brother. It was discharged, the ball striking the little discharged, the ball striking the little discharged. The fellow in the centre of the forehead. The

LETTERS FROM THE PEOPLE.

A Reply to Dr. Baird.

EDITOR THE CITIZEN:-After the meeting of the democratic convention on April 30th I published a short statement that Locke Craig had been appointed a fight of that kind I will not fail."

I certify that at the meeting on Beaver Carolina, find several descendants of the Carolina, find several descendants of the Mrs. Carter, of whom he says he can find none. They are scattered through the country from Danville, Va., to Wilmington, one of them being the wife of a prominent Wilmington merchant, Mr. B. G. Worth.

I certify that at the meeting on Beaver Dam after Mr.R. V. Wolfe was a prointed the meeting on Beaver Dam after Mr.R. V. Wolfe was a prointed the meeting on Beaver Dam after Mr.R. V. Wolfe was a prointed chairman 1 made a motion that the chairman appoint the delegates to the country convention, and my motion was carried. The chairman thereupon adoption ticket."

When I closed my remarks, brother Hill said to me: "I am sorry that you are on the wrong side of politics," as I understood him. Thus I certainly supposed everybody would understand that I was in the same condition as on for mer occasions, an ardent prohibitionist on the merits of the question, as I had marked at the time that he would also mer occasions, an around production write Mr. Craig's name on the paper. I think he handed the paper to some one else, and when the list was published. I was surprised not to find Mr. Craig's name on it for I knew that he had certainly been appointed by the chairman. Asheville, May 9.

May 10 The World and around productions on the merits of the question, as I had not by word or act endorsed any new political party.

STATE POLITICAL NEWS.

The Mecklenburg county democratic

This is to certify that I heard a conversation between R. V. Wolfe and J. D. Rog that Mr. Craig's name was on the list as a delegate from the Beaver Dam pri-

Asheville, May 6, 1892.

The appointment of any particular

Smity Furnceat Baird.

Dr. Baird knows that Craig was appointed. Prof. King's statement shows that le, Baird, went to the convertion with a prepared list of delegates and refused to write Craig's name on the list of delegates.

A second of the state and congressional conventions. The meeting was harmonious throughout, and the straight democrats are much pleased at the result. The movement now fairly on its feet to secure for Asheville further prosperity, in degree greater than she has ever known, by getting a competing railway system to connect with through lines, north and south should be encouraged by every person in Asheville. The pro-

ment and conservative tendencies who can have only the good of the city at faces and so many porties and on so heart. They are being encouraged by a conviction, well founded we believe, that now is an especially favorable time to make a move to

this city the accilities it must have to become what its natural situation shows very last, Dr. Baird betraved his people very last, Dr. Baird betraved his people along the state of the s it is destined for.

Everyone can help some in this matter, and if you are a business man with an interest in lower rates and better shipping facilities you can help a good deal.

Come forward now and contained to the party's eternal gain. Several years the party's eternal gain. Several years to the gardy to give a gainst it and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several to give a gainst it and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always ready to give aid and counsel to the current in the several gain and though always pretending to be a democrat heis always pretending to gain always been than the several gain and though always pretending to gain always been the several gain and counsel to the several gain always been the several gain and though always pretending to gain always been the several gain and though always pretending to gain always been the several gain always been ping facilities you can help a good deal.

Come forward now and put your shoulder to the wheel. Attend the railgarty but was speedily kicked back by ling bombs. Anarchists have not a way meetings and be for the project Richmond Pearson Restless, however, in ing election.

Please excuse me for such a long article,

EDITOR THE CITIZEN:-Living in the for the blood of men must cease in the believe in the state ownership of rail-roads, with all the debt and taxation that such ownership implies, did not test sufficiently at home in a democratic teel sufficiently at home in a democratic convention to demand representation in the state convention. In one or two in the state convention. In one or two in the site of the ideal fire departments; semble and lay bleeding wounds. the state convention. In one of two counties, agreeable to President Butler's advice, republicans tried to create trouble, to the public, without pay or profit, in the city of Philadelphia, I can speak from experience of the service rendered to the public, without pay or profit, in all kinds of weather, never too hot or cold, too wet or too much snow, did we man. His usually pale face had a health-

the lines where he belongs and his intentions are well known; that is half the battle.

And now in making the nominations The Citizen hopes that the alliance friends of the democratic party will not be forestern there are among the heart the later having the roof destroyed, but the cause, Mr. Blaine's face was in a glow, his eyes were bright, and he was ammaded to the point of liveliness.

The conventions are hurrabing for walls and floors saved intact by the

has. Moreover they have been tried in can contrast the Asheville volunteer comthe fire of third party temptation and have been found proof against the wiles of one of the most insidious enemies the democracy ever encountered in North Carolina. Give them a high seat in the carolina, Give them a high seat in the carolina who is a contrast the Asheville volunteer conspanies favorably in promptness of duty, have it in their power to control enough a delegates to make Blaine's friends massiferation, or loss of limb or health, no sideration, or loss of limb or health, no friends, and each day the increasing poperation. night too dark or cold to turn out and save the public's property gratis.

These generous and gallant men, as we all know, have invited several of their -Tuesday C. D.
