TRULY APPALLING TOTAL
THE SENATE'S RIVER AND HARBOR BILL.
It Cuts Some of the House Bill's Items, Increases Some and Also Furnishes a Few Entirely New Ones—North Carolina's Share.
WASHINGTON, May 13.—As the result of much preliminary work while the river and harbor bill was pending in the house, the senate committee on commerce is able to report the bill back to the senate with all the amendments which it regards as necessary. It has increased the total of the house bill by \$1,081,143 and made decreases to the amount of \$858,000, making a net increase of \$223,143 and a total of the appropriation made by the bill as reported to the senate of \$22,470,118.
Perhaps the most important changes made were the addition of four contract sections which will replace the yearly appropriations made by the house. These are: The lower Missouri, from its mouth to Sioux City, where the first appropriation of \$800,000 is reduced to \$750,000, but a proviso is added that contracts may be made for the same amount yearly for three years from July 1, 1893. There is a similar contract provision in the case of the St. Johns river, Florida, the annual expenditure being limited to \$400,000; for the great Kanawha, West Virginia, where the aggregate of the contract is not to exceed \$1,300,000 and for the boat railway at Dalles, Oregon, where the total contract expenditure is not to exceed \$2,850,000. All of the appropriations for harbors on the Mississippi river are stricken out, but the general appropriation for the improvement of the river was increased by \$250,000. There were a general reduction of all appropriations in cases where contracts were authorized to be made for the completion of the work. There is a long list of items of increase and some new appropriations, ranging in amount from \$500 to \$250,000. Among the larger new items is one of \$200,000 for Lake Washington canal, Washington, and \$250,000 for the Dalles Boat railway, Oregon.
Among the principal items of increase in the southern states are: Cumberland sound, Ga., \$87,500; Cape Fear river, N. C., \$125,000; Roanoke river, N. C., \$35,000; Black river, N. C., \$10,000; Indian river, Fla., (new appropriation), \$25,000.
The appropriations made by the house were decreased by the following amounts: Charleston, \$100,000; Savannah, Ga., \$125,000; Mobile, Ala., \$100,000; Rappahannock, Va., \$10,000.
In the senate today the river and harbor bill was reported back on the committee on commerce, and with a report, as required by the resolution of the senate, on each item of the bill. Mr. Frye, chairman of that committee, stated that the bill was one for two years and that no river and harbor bill reported from that committee next session. He gave notice that on Tuesday he would ask the senate to proceed to its consideration.

CAPITAL BUILDING BURNED.
It Was Not Insured, Thanks to the Legislature.
SANTA FE, N.M., May 13.—At 8 o'clock fire was seen issuing from the roof of the attic near the base of the south dome of New Mexico's capital building. Citizens at once drew up the fire hose only to find that the water from the water works had been shut off from the building and grounds. It was at once evident that the building was doomed and all hands set to work at once to strip the building of furniture, carpets, the law library and every movable article in the two lower floors. The vaults were uninjured.
Owing to some misunderstanding in the late territorial legislature no money was appropriated for the insurance on public buildings and the policies were allowed to expire. The building was valued at \$250,000 and is a total loss.

250 FATHERLESS CHILDREN.
Subscriptions for the Afflicted at Roslyn.
ROSLYN, Wash., May 13.—At 11:30 o'clock last night the remaining bodies were taken from the slope, making a total of 43 men who perished in the terrible explosion Tuesday.
About 250 children have been left fatherless by the disaster and in most instances they are young and unable to help themselves. Subscriptions are coming in liberally from the cities and towns of the northwest, several thousand dollars having been received already. Manager Koenigly the coal company is in receipt of sympathetic messages from the Chicago board of trade and prominent persons in Washington, New York and other eastern cities requesting him to draw on them for financial aid to relieve the distressed.

A SOLDIER'S HOME.
Tennessee Now Has One to Be Proud Of.
NASHVILLE, May 13.—The Confederate soldiers' home at the Hermitage was formally opened yesterday. The main building of the institution is now completed and provides a home for 125 disabled veterans, surrounding it is nearly 500 acres of land once owned by Andrew Jackson, all of which the state has given to the trustees of the institution for twenty-five years. The main building is a substantial two story brick structure and is equipped with all modern conveniences. No state building in Tennessee is better built or better adapted for its purpose. Probably two thousand people assembled at the opening exercises which consisted of music and addresses.

Odd Fellows' Officers.
WILMINGTON, N. C., May 13.—The Grand Lodge of Odd Fellows elected the following officers: Grand Master, John D. Bellamy, jr., Wilmington; Deputy Grand Master, W. D. Gastner, Fayetteville; Grand Warden, W. C. Douglass, Carthage; Grand Secretary, B. H. Woodell, Raleigh; Grand Treasurer, R. J. Jones, Wilmington. J. F. Bruton was elected Grand Representative to the Sovereign Grand Lodge which meets in Portland, Oregon, next September.

Couldn't Get Five Dollars.
NEW YORK, May 11.—Isaac Orinski, out of employment, was yesterday refused a loan of \$5 by a friend on East Broadway. Last night he sent his friend a package of pawn tickets and an unsealed letter, which he asked to be forwarded to his parents in Russia. The letter said that Isaac intended to commit suicide.

To Nominate a Successor to Mills.
WACO, TEX., May 13.—The third party, or Jefferson democrats, as they call themselves, will meet here tomorrow to nominate a successor to Roger Q. Mills in congress. The third party in Texas is composed of nearly all the elements opposed to the democrats and republicans.

THE REVIVAL.

THE REVIVAL.
The revival services at the French Broad Baptist church began last evening. There was a good congregation, although a number did not arrive until 8:30 o'clock, while the meeting opened at 8 o'clock.
At the opening a gospel hymn was sung, followed by prayer offered by Rev. A. C. Dixon, Prof. and Mrs. Towner, who are to lead the choir during the meetings, then sang "The Wayside Cross" in a touching manner.
This closed the song service, and Rev. Geo. H. Simmons, the evangelist, began his sermon, his subject being "Prayer," and taking for his text Nehemiah 2:4: "Then the king said unto me, For what dost thou make request?" He prayed to the God of heaven.
"What sweet recollections we have," Mr. Simmons said in the course of his sermon, "of the times when we have been helped by prayer. We take our troubles to God in prayer and He takes them from us. None other than God can help us."
"Prayer is the making known of the heart to God, and the desires of the heart. There are three elements in prayer: 1. prayer; 2. confession; 3. supplication.
"Some of us content our lives by saying 'all things work together for good.' That is not so. All things work together for good to them that love the Lord." It is conditional, you see.
"I don't take any stock in this idea that some good people have, of keeping up prayer and if you don't get what you want you will get something else. If you don't get what you want, quit praying. If you pray and receive not, it is because you pray and believe not."
Mr. Simmons is a young man and his manner of preaching shows that he is thoroughly devoted to his work. He brings the lessons of the gospel straight home to every one, and his work here is sure to do great good.
Prof. and Mrs. Towner's singing was such as Asheville seldom hears. The simplest gospel songs were sung in such a way that each song was a sermon.
The services began each evening at 8 o'clock, not a minute later, and, as Mr. Simmons said last evening, those who are in the habit of going to church a half hour late, should remember that the service begins at 7:30 for the benefit of the tardies.

W. N. C. TEACHERS.
The Second Annual Session to be Held in Waynesville.
The second annual session of the Western North Carolina Teachers' association will be held in Waynesville June 14-17.
A program of the meeting is published in the Waynesville Courier, and presents an attractive intellectual bill of fare to the members of the association. A special event will be the lecture on the 16th, by Dr. R. W. Douthett, of West Virginia, his subject being "How to put a head on a boy; or, the old and the new, the wrong and the right methods of education."
The railroads in Western North Carolina will offer reduced rates to members on this occasion, and the people of Waynesville will provide ample and reasonable accommodation for all.
The officers of the association are: John W. Starnes, president; Walter Hurst, secretary; D. L. Ellis, treasurer.

They Climb Leonard's Election.
BATON ROUGE, La., May 10.—P. Leonard, the republican candidate for governor, Major Andrew Hiro and Judge Morris Marks are here to file a demand for the seating of Leonard. They claim that if the votes were properly counted Leonard would be elected. These proceedings are supposed to precede a congressional investigation of the late election.

Cleveland Ahead.
RICHMOND, Va., May 13.—A democratic primary election, under the old-fashioned system known as the viva voce method of voting, was held here to elect delegates to the state convention, which meets on the 19th to select delegates to Chicago. The issue was sharply joined between the friends of Cleveland and Hill. The result of the contest is that Cleveland gets 64 delegates and Hill 34.

THE TICKET CONVENTION
PEOPLE'S PARTY COMMITTEE IN OMAHA.
They Are Making Arrangements For Their Convention July 4—Fears of an Attempt to Break up the Meeting.
OMAHA, May 13.—The people's party national executive committee met yesterday with the local executive committee to discuss in detail some of the arrangements to be made for the convention to be held July 4.
Ignatius Donnelly, of Maine, H. E. Lambrecht, of Illinois, Robert Schilling, of Wisconsin, and Mr. Washburn, of Massachusetts were present. The question of admission to convention hall was discussed and it was decided to issue tickets. Schilling thought that would raise a terrible howl against the committee, but it was stated that 30,000 people would be there clamoring for admission, and only 4,000 could get in.
Paul Vanlervert, of Nebraska, stated that if the doors were thrown open to the crowd the committee would regret that it ever attempted to hold a convention. Nominations would not be made in a week if at all, and even then they would not be by the people's party. There was enough opposition to the party in some parts of the country to cause the house to be packed by the enemies of the party, and the proceedings would be disgraceful.
It was proposed to hold a union of the blue and the gray during the convention. Vanlervert stated, that the union soldiers and the people's party in this state would attend to that matter, and that all the old gray coats in the south could be told that ample arrangements would be made to take care of them and a hall furnished for the blue and the gray to howl in together.
The national committee will remain in the city several days and any further provision or arrangements that they may wish to make will be suggested to the local executive committee.
An independent rally was held last night and addresses were made by Messrs. Lambrecht, Donnelly, Davis, Washburn and Schilling.

THE STREET WORK.
How it Moves Along on South Main and Depot Streets.
Albermarl Starnes and The Citizens this morning drove over the grading and paving work being done on South Main and Depot streets. On the former, Contractor Corpening has a large force, putting the southern half of the street in condition. The grade near Town branch has been raised so as to admit of the passage over the culvert of the steam roller, and Kelly & Strachan are putting down the water pipe that runs from the branch to the city limits.
On Depot street, Contractor Smith is busy with his force of granite pavers. The street is 50 feet from curb to curb. About 200 feet of the paving has been put down so far, and the work goes steadily on. That street is closed to traffic between Roberts street and Patton avenue.

CITY SCHOOLS.
Exercises at the Schools This Morning.
The city graded schools closed today for the term, and they will remain closed until the first Monday in October.
At Orange street the last hour of the morning was given in the hall to a brief resume of the session's work by Superintendent P. P. Claxton and a congratulatory talk by Hon. H. A. Gudgeon. Several vocal selections were exceedingly well done by the pupils and the school year closed. In the lower grades programs had been prepared and the children acquitted themselves with pleasure to their friends and credit to their teachers.
Appropriate exercises were held at the Montford avenue school.

DID HE TRY TO COMMIT SUICIDE?
The train which leaves the Asheville depot at 3:45 was rounding the bend yesterday when a man rushed to the platform and jumped off. His rash act created great excitement among the other passengers—they all thought it was a case of suicide. Ladies fainted, men rushed to the platform expecting to see his mangled form upon the track, but the fact was he had forgotten to put his bottle of "Buncombe Pills" in his satchel and would not start on his journey without them. He took great chances, but he might have taken greater.
GRANT'S PHARMACY.
In purchasing medicines don't try experiments—the first and only consideration should be genuineness. Buncombe Sarsaparilla has stood the test of several years and today it is in greater demand than ever. Over five hundred bottles sold this spring, a triumphant proof of popular approval. For sale at
GRANT'S PHARMACY.
BUNCOMBE LIVER PILLS are mild, yet efficient; do not cause pain or gripe, and act upon the liver and bowels. They are especially valuable as after dinner pills, and readily cure constipation and costiveness, nausea, distress in the stomach, etc.
They are purely vegetable and we believe they are the best family pill yet prepared and offer them with perfect confidence, believing that whenever used it will be with the happiest results.
Try them and judge for yourself. For sale only at
GRANT'S PHARMACY.
"SYRUP OF TAR AND WILD CHERRY" is manufactured at Grant's Pharmacy is the best cough medicine you can use for yourself or your children—it is a positive cure and we guarantee it to contain no opiates in any form, it is entirely harmless. For sale only at
GRANT'S PHARMACY.
Years ago people regarded cold cream and camphor ice as the ultimatums for chapped hands and all similar skin troubles, many persons find that the application of either of them aggravates their trouble. To such "CAMPHOR-GLYCERINE COMPOUND" is a boon—it is a positive cure for chapped hands, chafing, sunburn, etc., and an elegant face dressing after shaving—it contains no mineral or noxious ingredient, is elegantly perfumed, will not soil the most delicate fabric, is entirely harmless and safe to use on the most delicate skin and contains nothing greasy or sticky.
