CONVENTION ADJOURNED.
THE WINNING TICKET COMPLETED.
The Convention was a harmonious Throughout and its Work is Generally Commended Everywhere.
[Delayed Telegram.]
RALEIGH, May 19.—[Special]—It was 8:15 last night when the first ballot ended. The chairman announced that the vote was as follows: Holt, 437; Sanderlin, 283; J. S. Carr, 157; Elias Carr, 112; Alexander, 14; Jarvis, 85. Merritt withdrew the name of Alexander in favor of J. S. Carr. At this there was great cheering.
On the second ballot there were no marked changes. Sanderlin got more of the alliance strength. The result was announced at 9:30 as follows: Holt, 402; Sanderlin, 306; J. S. Carr, 158; Elias Carr, 123.
The third ballot showed little change. Holt, 385; J. S. Carr, 157; Sanderlin, 332; Elias Carr, 127.
The fourth ballot resulted as follows: Holt, 371; Sanderlin, 318; Elias Carr, 170; J. S. Carr, 137.
Elias Carr made the largest gain of the fifth ballot and there was greater excitement then and more applause than during any save the first. The result of the fifth ballot showed gains for Julian S. Carr also. Before it was announced there were demonstrations in favor of various candidates. The vote: Elias Carr, 344; Holt, 295; J. S. Carr, 227; Sanderlin, 136.
There were great cheers by Elias Carr's friends, he having doubled his vote.
The 6th ballot began amid much stir. It showed in the start many changes in Elias Carr's favor. Franklin gave him 15 votes, Haldax 17, Harnett 19, Hyde 6, Mecklenburg gave I. S. Carr 28 votes, New Hanover gave Elias Carr 5 and J. S. Carr 7. It was seen by the time the vote was two-thirds completed that Elias Carr was the choice of the convention. T. B. Womack, chairman, on behalf of Holt's supporters, moved to make the nomination of Elias Carr unanimous. Chairman Jarvis announced that Carr had received 636 votes 504 being necessary to choose.
There was a rush of delegates and no end of cheering. The motion to name the nominator unanimous prevailed and the convention went wild as Chairman Jarvis announced Elias Carr as the nominee. There was a chorus of calls for Carr and unbounded applause when he appeared. He was waved and thrown in the air by Gov. Jarvis introduced him as "surely the next governor of North Carolina."
At 12:40 this a. m. Mr. Carr said: "No one knows better than myself that this compliment was undesired. You have seen fit to place the democratic banner in my hands. I accept the trust and will do my duty. I do not pose as a farmer. There are only two things I claim to do. One is to superintend a farm; the other is to vote the democratic ticket."
At this there was a roar of applause. At 12:45 the convention adjourned to 10 o'clock this morning. As soon as this was done an ovation was tendered Mr. Carr.

OTHER NOMINATIONS.
[Delayed Telegram.]
RALEIGH, N. C., May 19.—A splendid rain last night cooled the atmosphere and the weather was delightful this morning. Chairman Jarvis called the convention to order promptly at 11 o'clock and announced the first business to be the nomination of lieutenant governor. R. A. Doughton, of Alleghany, Kope Elias, of Macon; Harry Skinner, of Pitt; B. B. Winburn, of Hartford; H. A. Gudgeon, of Buncombe, and Lee S. Overman, of Rowan, were nominated.
Skinner took the stand and withdrew his name. The first ballot stood: Doughton 436, Gudgeon 407, Overman 17, Elias 29.
On the second ballot it soon became manifest that Doughton would be chosen. The vote stood: Doughton 570, Gudgeon 329. Gudgeon and Overman moved that Doughton's nomination be made unanimous, which was done amid enthusiasm.
Octavius Coke was nominated by acclamation for secretary of state. Coke came to the stand and made the best speech of the convention, amid uproarious cheering.
Nominations for auditor were declared in order, and the following were placed before the convention: J. D. Boushell, of Camden; G. W. Sanderlin; J. F. Spainhour, of Watauga; A. H. Merritt, of Chatham; R. M. Furman, of Buncombe; W. R. Williams, of Pitt. The first ballot stood: Boushell 14, Spainhour 74, Williams 24, Furman 213, Sanderlin 362, Merritt 128.
Furman was nominated for auditor on the second ballot amidst great excitement and enthusiasm and addressed the convention amidst tremendous applause.
Dr. Sanderlin then addressed the convention in a splendid speech, full of patriotism, asking the unanimous nomination of Furman, of Buncombe, for auditor, which was done.
D. W. Bain, of Wake, was then nominated for state treasurer by acclamation.
S. M. Finger, of Catawba; J. C. Scarborough, of Johnston; John S. Long, of Craven; J. S. Hill, of Mitchell; N. S. Abernethy, of Burke, and F. W. Sanderlin, of Wayne, were nominated for superintendent of public instruction. Dr. Sanderlin absolutely refused to allow his name to be used for this position and he was withdrawn by C. B. Aycock, of Goldsboro. The first ballot stood: Finger, 499, Scarborough, 348; Abernethy, 76; Long, 40; Hill, 27; Sanderlin, 10. Finger lacked six votes of having a majority.
Then numerous appeals were made to the convention by the friends of Scarborough which resulted in a rush to him on the second ballot, causing his nomination, the vote standing: Scarborough, 569; Finger, 446. This vote caused the wildest scene of the convention. Scarborough made arousing speech.
The nominations for attorney-general were called for, and the following were placed before the convention: W. A. Montgomery, of Warren; E. Chamberlain, of Wayne; A. W. Graham, of Granville;

WERE PLUNGED INTO RUIN
CYCLONE AND HIGH WATER
WORK MISERY.
Terrible scenes in the flooded districts of Missouri and Illinois—A Woman's Narrow Escape—A Heroic Life Saver.
St. Louis, May 20.—A destructive cyclone passed over St. Louis county yesterday, contributing to the misery of the flood stricken inhabitants. The funnel shaped cloud wrecked several farm houses and great damage was done to crops.
At 1 a. m. the river passed the thirty-six foot mark and was slowly rising. A warehouse at 721 to 789 South Main street fell in yesterday, with thousands of dollars' worth of cement, tobacco and sugar, a total loss.
St. Louis, Mo., May 20.—According to the latest telegrams, the flood has been even more disastrous in its results than was at first anticipated. The estimates as to the loss of life vary from 60 to 100.
Some heroic scenes were witnessed in attempts to save the unhappy victims. Near the Omaha bridge Mrs. West and her little five-year-old girl were unable to get away from the flood in time. The father and two children were seen, and the rescuing party was returning for Mrs. West and her child when the waves swept the house away. They floated down with the roaring flood until the bridge was reached. An engineer succeeded in saving the woman, but her strength failed her and she was compelled to relinquish her hold on her child. With a despairing cry of "Mama, catch me!" the child disappeared in the river.
At the manufacturing suburbs of Leeds nine persons were drowned, and four at Springdale.
Observers on the high bridge counted fifteen bodies that swept under it.
Matt Roe, an old sailor, saved twenty-eight lives. A woman who managed to wade to a box car, gave birth to a child there and two hours later was rescued. A woman named Hinton and three children were drowned in their own house. Two Swedish families were swept away.

HILL DOWN AT CHARLOTTE
AND 30,000 PEOPLE ARE WITH HIM.
It was a Great Day For a Live Town and Everybody Was There—The Day in Other Years
CHARLOTTE, N. C., May 20.—Senator Hill, of New York, who delivered an oration today at the 17th anniversary of the signing of the Mecklenburg declaration of independence, arrived here last night accompanied by Senators Ransom and Gray, representative Alexander and others of prominence.
The anniversary of the signing of this declaration has always been celebrated in Charlotte, May 20, 1875. Thomas A. Hendricks was the orator of the day. Amos J. Cummings was here then, as were also the governors of eight or ten southern states. The next largest celebration was May 20, 1882, when Thomas F. Bayard was the orator and Senators Hampton, Vance, Ransom, and other distinguished men made addresses. May 20, 1884, Hon. George H. Pendle was the orator, and a delegation of prominent men accompanied him. The celebration of 1875 attracted the largest attendance ever known in the history of the town, but the assemblage gathered here today is considerably greater than that one.
The city is profusely decorated and a stately arch that spans the four corners of the principal square of the town is a particularly handsome object. Thirty thousand visitors are on the streets.
The day opened with the firing of salutes. A sham battle was a feature of the morning exercises and was participated in by 1,000 troops. Senator Hill and party reviewed the military parade from the Central hotel balcony at 11 a. m. At 1 o'clock Senator Hill delivered his oration in the auditorium building with a seating capacity of 8,000.

NEGROES LEFT IN COMMAND
White Posts Succeed from the G. A. R. in Louisiana.
NEW ORLEANS, May 18.—The color question has led to the disruption of the Grand Army of the Republic department in Louisiana and Mississippi.
At a special meeting of the department encampment tonight it was decided to surrender the charter. The eight white posts will form a new society.
There is a great glee among the colored members, as the control of the department passes into their hands.—N. Y. World.

Just Escaped Lynching
CHATTANOOGA, Tenn., May 20.—Yesterday in one of the suburbs a negro attempted to rape a farmer's wife. After a struggle she freed herself. The negro was arrested and lodged in jail. At noon he was quietly taken from the prison and sent to Nashville. Last night a crowd surrounded the jail and demanded the negro. They were assured that the negro had been removed and the committee of five thoroughly inspected the jail under escort of the sheriff and satisfied themselves that the negro had been taken to Nashville the crowd quietly dispersed.

Salt Tom Thumb in Tears.
SALT LAKE, May 18.—Mrs. Margere, known all over the world as Mrs. Gen. Tom Thumb, was in tears at Ogden today, an attachment having been levied on her theatrical effects, including her wardrobe and jewelry. The sum claimed is \$7,000, an amount which will cripple her to pay. The suit is brought by Kellogg & Keiler, who four years ago sold Mrs. Thumb a museum in Denver, taking in part payment her notes for \$7,000, which still remain unpaid.

A Batch of Nominations.
INDIANAPOLIS, Ind., May 20.—Dr. Spurgeon, of Mercey, has been nominated for congress by the prohibitionists of the sixth district at Newcastle; N. T. Butes, of Winchester, by the farmers alliance of the same district, and J. S. Swan, of Benton county; by the third party of the 9th district at Lipton.

Deacon on Trial.
NICH, May 20.—The trial of Edward Parker Deacon, charged with manslaughter for killing M. Abeille began today.

DID HE TRY
TO COMMIT SUICIDE?
The train which leaves the Asheville depot at 3:05 was rounding the bend yesterday when a man rushed to the platform and jumped off. His rash act created great excitement among the other passengers—they all thought it was a case of suicide. Ladies fainted, men rushed to the platform expecting to see his mangled form upon the track, but the fact was he had forgotten to put his bottle of "Buncombe Pills" in his satchel and would not start on his journey without them. He took great chances, but he might have taken greater.

GRANT'S PHARMACY.

COME TO ASHEVILLE.
The Place For Mrs. Harrison To Recuperate.
WASHINGTON, May 20.—There is no truth in the report that Mrs. Harrison's condition is dangerous and that the family is in a state of alarm. Mrs. McKee said this morning that she was encouraged at the improvement already shown in Mrs. Harrison's condition since her return to the white house yesterday afternoon. She added that she knew her mother had a good sleep last night, because she was by her side all night.
Mrs. Harrison is still very weak, however, and is in need of a long rest. She will probably be taken to the mountains in a few weeks if she can stand the journey. Her relapse is attributed to the cold damp weather on Chesapeake Bay following an unusual wet season.

MME BONAPARTE.
Establishes Right as the Wife of Prince Bonaparte.
LONDON, May 19.—Mme. Rosalie Clovis Bonaparte has indicated her right to be called the lawful wife of Prince Louis Clovis Bonaparte, the natural son of the late Prince Louis Lucien Bonaparte. Her husband went through the ceremony of marriage on October 14 with Louisa Elizabeth Scott at Redhill. The marriage of Bonaparte and Miss Scott was announced in an illustrated newspaper, which gave a description of the jewelry given to the bride, it being Mme. Rosalie Bonaparte's jewelry. It is reported that Mme. Rosalie Bonaparte will probably follow up her vindication in a civil court by criminal proceedings against her faithless husband.—N. Y. Sun.

HOUSE AND SENATE.
The Sub-Treasury Bill—River and Harbor Bill.
WASHINGTON, May 20.—In the house today the third party, as represented by Watson, of Georgia, attempted to secure consideration of the resolution requesting the ways and means committee to report the sub-treasury bill, but a demand for the regular order operated as an objection.
After the call of committees for the reports, the house went into committee of whole (Lester, of Georgia, in the chair) on the Sunday civil bill.
The senate today resumed consideration of the river and harbor bill, and various amendments of small importance were offered and agreed to.

Blaine's Admirers in Fort Wayne
FORT WAYNE, Ind., May 18.—A large Blaine meeting was held here tonight, demanding his nomination at Minneapolis and appointing a large delegation to go to that city in a special train and advocate his nomination.

Half and Half.
RICHMOND, Va., May 20.—The state democratic convention endorsed Cleveland's administration. The delegates go unfractured, they are about evenly divided between Cleveland and Hill.

Years ago people regarded cold cream and camphor ice as the ultimatums for chapped hands and all similar skin troubles, many persons find that the application of either of them aggravates their trouble. To such "CAMPHOR-GLYCERINE COMPOUND" is a boon—it is a positive cure for chapped hands, chafing, sunburn, etc., and an elegant face dressing after shaving—it contains no mineral or noxious ingredient, is elegantly perfumed, will not soil the most delicate fabric, is entirely harmless and safe to use on the most delicate skin and contains nothing greasy or sticky.
