WEDNESDAY, JUNE 1, 1892.

WHERE is "Dave Hanks?"

It is announced that the Grant fund citizen and to tax pavers. monument is at last completed. It was high time, for decency's sake.

In would have been possible, of course, to keep one side of Patton avenue passable for teams while the other was being paved, but it was perhaps too much to expect that it would be done.

The Methodist protestant general conference at Westminster reformed the necessary.

Sam the president at Watkins, N.Y. the other day on his way to Rochester. "The breezy good nature of the people I see from the rear of the car when I

travel has helped me to forget the ugh-ness of some of those with whom I come in contact at home."

Well, now, does this refer to Blaine or to baby McKee?

THE Atlanta Constitution has so far liew reformed as to be able to say that "Cleve-land's friends will have control of the Chicago convention." By persistently

CLEVELAND's choice for vice-president to run with him is ex-Governor Campbell. A better choice it will puzzle the convention to make. Campbell is a man after tariff reform and honest politics, and for eiples of democracy, conomy in public affairs. He is a bright, clean man and he should carry Ohio for Cleveland.

WHERE IS STEPHENS.

-The Marion Record exposes the business. The other day, the Record same him. He field. A constable caught him county belong exclusively to them. Are order that justice may be more to the from the railroad, constitute tength with the work of the work of the source of the s committed to jail. On trial he was re-leased for lack of evidence. Some firsh party and the country than the great army of democratic voters who have evidence came up, but he was by that time gone. Mrs. W. H. Roberts arrived asked nothing. By no means' Have they done more for the intellectual, main Marion with Stevens a week ago, She is a lady of refinement and education, reared in luxury and married Roberts about eighteen months ago,

about eighteen months ago, —An attempt was made at Wadesboro hast Wednesday night by a negro to com-mit rape upon a young white woman di the name of Laura Harris. The woman appeared to be about 20 years of age-She claimed to be on her way from Mahama to Cheraw, S. C., where she She claimed to be on her why from as grave a crace, when measured by a Alabama to Cheraw, S. C., where she standard or right as personal diskonesty, have what they were signing. I want there or four who said that they did not standard or right as personal diskonesty. That incomparable, moral maxim, "To know what they were signing. I want to know, and so do the people, what into others as you would that they did not in so important a matter with-our first-class passenger room at the depot till 5:40 a.m., when the attempt of an the disgraceful scramble for was made. No arrests and no lynching. -News has been received of a murder in Michell county. James Byrd shot and killed Issae Nelson. The latter had for some time been intimate with Byrd's wife. Byrd law in ambush near his house. Byrd and Mrs. Nelson soon came out. As Nelson kissed the woman Byrd fired, and two bullets entered Nel-son's back just below the shoulderblade. n's back just below the shoulderblade. Nelson fired twice at Byrd with his pistol, but the latter was not hit.

place these same holdover ringmasters in he lead of the party again and again. Now fellow democrats, let us make up new slate and this time put out a Forror THE CITIZEN: -As the state ticket made up of new material, instead democratic convention has done its of the same old effete contingent; let us work so admirably, and the national nominate new men, with new ideas and especially that there is no nivine right of convention soon to meet is looked to office in this country, and let them throw with so much interest, it behooves us as nto the coming eninpaign all the correspondence democrats to look to our local affairs, and spirit of a vigorous manhood, inco-which narrow polities down to a perwhich narrow polities down to a perand we will have nothing to trar sonal matter, with every law-abiding Some one will be ready to erv out, "Oh

It is well to look carefully into the cotes, I seek to office and I have no a present and future of Bancombe county tive but the good of the democratic politics before nominating a county party, and a desire to see equal justice ticket. The offices of Buncombe county meted out to all, and not clevate a few time and again at the express of the many, Natt T. Chambers, are not simply places of trust and honor, but places of pecuniary profit as well

"This Needs Attention "

of his fellow citizens at the ballot box is published in THE CITZEN of May 28, the services of a patriot, but that they will be substantially rewarded as well, signed by S. J. Lucher, there are some inmarriage service of the church last week by striking the word "obey" from the bride's promise. The change was unorrect statements which 1 feel called has or democrats who believe that to he "reters belong the spoils," for this and as the brother-in law of the teacher is at best sound political doctrine. We mentioned. No petition was presented hold that those who have been most active in the promotion of the best inter-employed asking them to employ a "first ests of the democratic party, as set forth in the declaration of principles. "Equal instice to all, special privileges to none," in Law applied for the school 1 told the should reap the reward of the victory they have won. And these hornors and the rank and file of the party, and not concentrated in the hands of a favored few. For no party in existence can with so all three signed it. We all three signed

and continually cating crow till next viduals who seek to get in office and to change the teacher. I never heard o heep in at the expense of the great mass any one who sent to the school savin

is class polities of the worst type. The party machine has been so manined school law, they would stop the school nated for years in Buncombe county that certain individuals have been in, or kept their immediate friends fat tening on, the victories won by the rank Cleveland's, and the peoples', own heart He is a reformer who turned out the rar-cause of democracy their cause, and its as be told me our teacher's name wa cals of Hamilton county, 0, no matter treed their political creed, with no motion his roll of teachers. When he tive in view but that they believed in had entered it on his book he wrote which party they belonged to. He is for the righteousness of the eternal print something on the back of it, while y were talking, and I never looked to see Does the party recognize that two what it was, until I give it to the men have held one of the most import- teacher that right. She then asked mo ant offices in the county for twenty who wrote "first" on the back of it

They are honorable high-toned goutle on it, but I had not looked to see what men and have conducted the business of it was, and that he did it through mis the office to the entire satisfaction of the take, I was suce. The certificate was public, but thus was only their sworn not changed by him from 2nd to 1st operations of one, W. II. Roberts, who pretended to be conducting a banking erats could and would have done the very riid say that she had a arst-grato any living being, and 1 never he-And this is not altogether an except anyone else say so. The report of now states, Jno. J. Stephens, the ostensi-ble sceretary of the company, arrived at Morganton. Warrents were issued for the scenario to think that the offices of the ble scenario to that the offices of the scenario to the scenario the scenario to the sce
