Ite Had Two Windows and Two

"By George, that's another one!" The blond young man with the pl.,

scraper, and for several hours each day. while the members of the firm were scouring the streets for business or giving exclusive "scoops" to every real estate reporter in the city, he had the way, where he began yelling 'Fire! fire!'

room to himself.

During the frequent spells of loneliness that came upon him he had cultivated by degrees the acquaintance of a

their regular morning greeting, repeated now and then during the day, was a smile and nod on his part and a nod and smile on hers.

One-day, while temporarily at work at another desk than his own, he chanced to look across the court and found himself opposite a window near which sat another typewriter girl the reason why, and again the hall re-AMMUNITION, &c., found himself opposite a window near which sat another typewriter girl whom he had not seen before, and, as "The terrified guests, negreging the already related, she struck him as being an improvement upon No. 1.

Thereupon he set himself to work to

sultivate her acquaintance also. It was a slow process. It took him some time merely to impress upon her, as a circumstance worth noting, the fact that he was there.

But he persisted. Without suffering 33 Patton Avenue, Asheville. his acquaintance with Typewriter Girl No. 1 to lapse in the slightest degree, it became his custom while suffering from his lonesomeness-his tired feeling-to repair to the desk that brought Typs-writer Girl No. 2 within the range of his vision, lean his head upon his hand, and look at her with an expression of deep melancholy on his face that would a fine all-Hayana ten-cent have softened the heart of a cab driver.

For a long time she seemed oblivious, but one day, while he was regarding her cigar; But by buying the with his most pensive and woelegone gaze, he was surprised to see her lean her head on her hand and fix her eyes factory's output we are able upon him with an exaggerated look of anguish on her own face,

The mimicry was perfect, and in the laugh that followed it the acquaintance was established on a basis of reciprocity.

The regular salutation between the young man and Typewriter Girl No. 2 thus came to be different from that of

After he had exchanged bis nod and smile at his own desk with No. 1 he would wander in a casual way to the but for five cents it is simply change a look of the most profemd inclancholy, usually followed by a wave of the hand, with No. 2; and in thou unapproachable. For sale recreations and diversions the blond young man relieved the monotony of his lonely hours, and plumed himself not a little, moreover, upon his powers

of fascination. What it might all have led to had not an unexpected occurrence, an event bordering closely upon tragedy, broken in upon the current of his existence-but

let us not anticipate. One morning there was an alarm of fire close at hand. From the court between the two sections of the building only a glimpso of the street could be had, but the sentimental bookkeeper ran to the nearest window, raised it, thrust his head out and looked toward the street to see if the fire engines were

gathering. Directly across the court two winlows, pertaining to two different offices, were raised at the same moment and

two female beads were thrust out simultancously. They were the heads of Typewriter

He couldn't smile and nod in one di-

It is simply impossible. Try it and As he stood there gazing vacantly at

nothing in particular, shrinking visibly in his clothes and feeling his plastered hair rise slowly on end, the two typewriter girls, happily oblivious hitherto of each other's existence, turned and looked at each other.

Then they looked at him again, with

From that time to this they have utterly ignored him. He has moved his desk to a corner of the office where he can see neither win-

He tries to look cheerful and unconcerned, but he is a changed young man His old gold mustache, once his pride and the object of his loving care, looks

discouraged, forlorn and drooping. The fire has gone from his eye and his hair, its glossy smoothness all departed. has a wilted, frowsy look about it that tells of a once glowing, but now dead bave never found a medicine that would be a synthesis of a content of the cont and gone ambition.

quarter of an inch long naus that once gave an aristocratic air to each little finger now roughly gnawed off, a faded tie about his neck, old slippers on his feet, a three days' growth of beard on his face, and the general look of a person who hasn't anything to live for and doesn't care to have, he affords a sol-emn warning to all young men not to emn warning to all young men not to undertake rashly a flirtation with two typewriter girls at the same time.—Chitypewriter girls at the same time.-Chi-

TWO GOOD STORIES.

cago Tribune.

How Stanley Huntley Got the Fire That "I shall never forget," said Lawyer McGaffey, "a trip I once took to Jeffer-son City, Mo., with the clever but erratic Stanley Huntley, author of the famous Spoopendyke papers. I was then practising law in St. Louis, where Huntley

his paper. When we reached the double room to which we had been assigned we Girls to Look at Through Them -A Fire Brought an End to It we decided to go straight to bed and have the fire built the first thing in the morning.

"Huntley was the first to open his eyes, and he awoke me by exclaiming that the water was frozen solid in the S.S.S. Cared my little boy of heredireared all over his a year I had of his induced to use I was findeed to use Symptoms of the disease remain.

Mis. T. L. Mattiers, Matherville, Miss.

Our boar of his Miss. The Mattiers, Matherville, Miss.

Our boar of his misself and looked around for an electric bell, but that was a luxury the hotel didn't sport. A leg of wood had been left over from the last fire, and seizing this Huntley began pounding on the carpet. But we were on the disease remain.

Our boar of his misself and looked around for an electric bell, but that was a luxury the hotel didn't sport. A leg of wood had been left over from the last fire, and seizing this Huntley began pounding on the carpet. But we were on the third floor, and beyond knocking of the plaster in the room below no results followed this attack.

"'I'll fix 'em, blank 'em!' hissed Huntley, and he stripped the counterpane off the bed, wrapped it around his bony figure and rushed out into the hallat the top of his lungs.

"In a few seconds there was a fearful commotion in that hotel. Men, women and children streamed into the corridors. typewriter girl who sat at a window all in various stages of undress, frightened out of their wits, and most of them half frozen to boot. "Oh, where is it?" shrickingly de-

manded a poor woman whose bare feet protruded from beneath a red petticoat.
"That's what I'd like to know, madam,' answered Huntley fiercely. 'I ordered one built in my room this moruat another desk than his own, he ing, but not a ghost of a flame have I

> "The terrified guests, perceiving they had been deluded by a madman, sucaked back into their rooms. But the clerk had been aroused and we got our fire. although we had to seek lodgings at auother hotel right after breakfast,"— Chicago Herald.

Mark Twain and the Obliging Editor. "I never met Mark Twain but once, and I have no desire to renew his acquaintance," said Frank Pettigrew. "It was ten years ago, when I was very young and correspondingly fresh. I had secured a position as r-porter on the Boston Trav eller, and felt that I held the destinies of nations in my hands. 1 was taking hotel arrivals one day, when a stranger lounged up to the register and asked with a drawl, 'Editor of a paper

"I nodded patronizingly, and he ob served that it was a great responsibility He said that he had tried hard to be come a great editor, and once secured : position on a western weekly, but had been ingloriously discharged. He seemed quite hearthroken, and I proceeded to tell him that journalists were born, no made, and to make an egregious ass of myself generally. He lounged away the clerk told me his name, and I made a sneak out the back way."-St. Loui

Didn't Need Both.

Mildred-I don't see you around with your poodle any more. Mabel-Oh. I've given him away. Mildred-What made you do that? Mabel-Well, you see, I've got mar

ried and I don't really need both .-The Summer Season, The season of the year's at land.
When the summer girl so peart,
Will stroll along the whitened sand.

Clad in her brother's shirt. With dainty straw hat on her head,

And freekles on her face, With sprightly air she'll gayly trend To summer's breezy pace. And each counc man will not inquire

Her pedigree or hirth.

But he will wonder, walking by her.

How much her pa is worth.
