Clay King to imprisonment for life. H. CLAY KING'S SENTENCE COMMUTED. The Governor could not stand the pressure and, in effect, says he knows more than Judge and Jury. It developed today that an application had been made to Justice Harlan, of the United States supreme court, to have the case taken before the United States supreme court on a writ of error, but that Justice Harlan sustained Judge Jackson's decision and refused the application. Hon. W. T. Crawford at the court house tonight.

THE NEW ROAD LAW. Where's it "A17"—A String of Live News from Weaverville. WEAVERVILLE, Aug. 8.—Can you tell us where the new "road law" is? Wonder if it could be found at the seaside or the mountains? Its health must be extremely bad just at this season of the year. The road from this place to Alexander is the most horrible imaginable. It is used and cut up by all the northern part of the county and the few hands along the route liable for road duty cannot possibly keep this road in any possible condition. Mr. Chenes the prohibition lecturer, was here Saturday evening and a very good audience in the college chapel. After the lecture a prohibition club was formed. Rev. Mt. Thomas of Holston conference, who is on a visit to Rev. J. H. Weaver, delighted a good audience with an excellent sermon from a text from Job: "If a man die shall he live again?" Judge Tyson, of Montgomery, Ala., who has just been re-elected circuit judge, came up the other day to join his wife and family who are at Col. Coleman farm for awhile. Mr. Hafford and daughter, Mrs. Tom Myers, and "the baby" from Humboldt, Tenn., are here on a visit to relatives, stopping at the Willard hotel. Mrs. Jas. Reynolds, from Jackson, Tenn., is in the mountains for a month visiting relatives. Miss Alice Griggs of Lincolnton is visiting Miss Nora Austin. Miss Beulah Hootch, a charming young lady of Abingdon, Va., is visiting her sister, Mrs. Yost.

SENATOR VANCE AT HOME. His Health Improved by the Pure Air and Water of Gombroon. BLACK MOUNTAIN, N. C., Aug. 7.—A representative of the Dispatch went out yesterday to Gombroon, the residence of Senator Vance, to call upon him and learn how the climate was effecting his health. The senator was found with some books and papers before him, sitting on the front porch, some 3,000 feet above the sea-level. He has been here just one week, and a decided improvement in his condition is apparent. The right hand is no longer in the sling, but was extended with the old-time warmth if not the strength of former days in receiving friends. He finds his strength gradually increasing, and insisted on walking on the level way to his garden with the visitors, though in climbing the prominent point of the grounds he was compelled to let them go without him.—Richmond Dispatch.

FREE COINAGE. Carlisle Favors Letting Both Metals Have an Equal Chance. WASHINGTON, Aug. 10.—Senator Carlisle has addressed a letter to John A. Lyne, of Henderson, Ky., in answer to his question whether Mr. Carlisle had heretofore been in favor of free coinage of silver, and whether his views on the subject had undergone any change. Mr. Carlisle says: "My position upon this subject is briefly this: I am opposed to the free coinage of either gold or silver, but in favor of the unlimited coinage of both the metals upon terms of exact equality."

JONES'S MAJORITY. It Will Be Over 10,000—Kolb Still Kicks. MONTGOMERY, Ala., Aug. 9.—The official returns from 28 of the 66 counties give Governor Jones 9,386 majority. Ex-commissioner Kolb, the late alliance candidate for governor, is out in a published letter disputing the claims of Jones's election. The letter concludes: "I have been fairly and honestly elected by an overwhelming majority, and the people of my native state recognize the fact and will see that justice is accorded by placing me at the head of our state government for two years." Killed by Indians. DEMING, N. M., August 8.—The dead bodies of Lee Hodgson, son of J. B. Hodgson, of this town, and a Mexican named Escanala, were found near Hatch yesterday. A band of fifteen renegade Indians from San Carlos, Arizona, have been committing many depredations and undoubtedly committed this crime. He is an Englishman. OMAHA, Aug.—It has been discovered that Rev. J. G. Tate, republican nominee for lieutenant governor, is ineligible. Tate is an Englishman and failed to take out naturalization papers until a year ago. The state committee will fill the vacancy.

W. T. CRAWFORD TONIGHT HE WILL SPEAK IN THE COURT HOUSE. Let All Democrats Turn Out and Hear the Ninth's Representative Address the Voters on the Issues of the Day. Congressman William T. Crawford, democratic candidate for re-election from the ninth district, will speak at the court house in Asheville tonight. Congressman Crawford arrived in the city this afternoon, and was met at the depot by a number of local politicians and personal friends. Mr. Crawford has consented to speak in the court house at 8 o'clock tonight. He is fresh from the halls of congress and will enthrone every democrat who hears him. The court house should be filled—and it doubtless will be, notwithstanding the very short notice given of the speaking. Listen for the ringing of the bell, and go to hear Crawford! Don't forget it! Hon. W. T. Crawford at the court house tonight.

CENTENNIAL NOTES. The Addresses to be Delivered Tomorrow—Fireworks Display. Tomorrow is Buncombe's Centennial day. There will be a parade to the grounds beginning at 10 o'clock. Addresses will be made by Gen. Theo. F. Davidson and others. In the afternoon the Trades Display parade will occur, and again at night. The fireworks display will occur on the Centennial grounds tomorrow night at 9 o'clock. The tournament will take place at the race track tomorrow afternoon. The museum feature of the Centennial promises to be of unusual interest. Very many rare books, thirty of them written by North Carolinians, are now on exhibition. Some of these books are 240 years old. A large number of paintings of the old citizens of Buncombe, including "Uncle Jimmy" Smith, N. W. Woodfin and others are shown. The pair of duelling pistols with which Vance was killed, and with which Maj. Erwin and Col. Baxter fought, are also to be seen. Tickets for entrance to the museum will be sold at the nominal sum of 10 cents, for the double purpose of raising money to defray expenses of the museum, and to keep the room from being crowded with idle loafers and rabble. Tickets may be had at Rysor & Smith's, Patton avenue. T. C. Smith & Co., south court square, DeVault's water stand, north court square. Special rates to families and parties. Bryson Banks, of Yancey county, who was mustered out of the United States army 60 years ago in Asheville, is in the city to attend the Centennial. Congressman Crawford at the court house tonight.

BETTER THAN A SHOW MULE. An Animal Which Performed Wonders and Then Died. LINCOLNTON, N. C., Aug. 8.—Mr. Abiel Avery, the proud owner of a fine young mule last Saturday, rode over and spent the night with his friend Lawson Shuford, who lives two miles north of Lincolnton. During the night the mule burst a plank out of the stable door, thrust his head out at the opening, caught the pin fastening of the same in his teeth and pulled it out. The wooden pin still bears the imprint of his teeth. Thus freed he sought pastures green for adventures new, finally founding up at the Chester and Lenoir narrow gauge railroad, where he attempted the remarkable feat of walking on one of its trestles laid simply with cross ties. These he plumed admirably as his hoof prints attest until when nearing the opposite bank a misstep plunged him into the depths below, where he met death without a struggle. The loss falls heavily on Mr. Avery, who is a Confederate pensioner and a tenant, and only a few weeks since lost a horse by snake bites—these two constituting his entire stock of horse flesh.—Charlotte Observer.

THE DREAD SCOURGE. Over 200 Persons Died on Sunday of the Disease. ST. PETERSBURG, Aug. 10.—Advices from Teheran, the capital of Persia, show that the cholera is increasing in violence there. Deaths in the city now average 60 daily. The official report shows that there were reported from all the cholera infected districts of Russia Sunday 4,261 new cases. On the same day 2,177 persons died of cholera. Catholics' Separate Schools. WENNEP, Manitoba, Aug. 10.—The Catholics of Manitoba, at a mass meeting last night, unanimously decided to maintain separate schools for their children, despite the decision of the privy council in England compelling them to pay taxes for the Manitoba public schools. Disgraced His Country. COPENHAGEN, Aug. 10.—Henry Rider, United States consul here, under arrest charged with misappropriating funds, has confessed that he was guilty of embezzlement and forgery. Don't Want to Go Out. ELBERNO, O. T., Aug. 10.—Despatches from Capt. Michler, commanding the troops in Cherokee strip, show an alarming condition of affairs. It is feared the cattlemen will resist eviction.

Death for an Infant. CAMDEN, Ark., August 10.—Bob Jordan, a negro prisoner, in the custody of Constable Wright, while being brought to the city last night, was taken from the officers by a party of masked men and shot to death. He insulted a white woman. Mars Has People on It. NORTHFIELD, Minn., Aug. 9.—Goodsell's observatory claims the distinction of being the first during this opposition to see Mars' two moons. Prof. Payne says there is no doubt that Mars is inhabited. Cotton's Low Average. WASHINGTON, Aug. 10.—The report of the statisticians of the department of agriculture shows a reduction in the condition of cotton during July, from 86.9 to 82.3. This is the lowest average since August 1886. Injured 18 Persons. DENVER, Aug. 10.—A wreck yesterday on the Santa Fe, at Petersburg, proves to have injured 18 persons, of which Mrs. Roberts and Mrs. Edington may die. Weaver Gone West. SAN FRANCISCO, Aug. 10.—General Weaver, the peoples' party candidate for the presidency, arrived here last evening.

The Pipe Line. Alderman Waddell and J. G. Merrimon, esq., yesterday went over the proposed pipe line that will connect the standpipe with the pumping station, with a view to compromising with the property owners for a right of way. The majority of these were willing to compromise, but a few were not, and so a jury will have to be sent out by the board of aldermen. Mr. Waddell will report to the board on Friday.
