

**BALL GAME TOMORROW**

IT WILL BE A MEMORABLE DAY FOR SPORT.

The We Uns and the You Uns are to cross bats to raise money for the Confederate Monument Game called at 3:30.

The Citizen can promise all who attend the ball game at the race track tomorrow afternoon a pile of pure, unadulterated fun.

Members of the We Uns and You Uns teams had a practice game on Montford avenue Saturday afternoon. Three innings were played, game being called on account of darkness. Dan Reynolds filled the box for the We Uns, while Gus Reynolds did the pitching act for the You Uns. Dr. Grant and Mai West caught for We Uns and You Uns respectively.

The We Uns went to bat first and put two runs to their credit, these being made by Henry Penland and Dr. Grant. Powell, Randolph and Weaver went out. When You Uns came in they batted the ball all over, scoring six. Gus Reynolds made a home run, knocking the ball almost out of sight.

In the second inning, We Uns made nothing, and You Uns increased their score by two, West and Kerr being responsible for the runs.

The third and last inning was as full of runs as a Montford avenue car is of passengers in Centennial times. Every man on the We Uns team scored two with the exception of Dan Reynolds, who made one run and one out. Grant and Weaver also went out while trying to get three runs to their credit. This brought the We Uns' score up to 17. In the You Uns' half eleven runs were made, footing up 19 for that team. Outs were credited to Adams, West and Kerr.

The game was not strictly speaking a scientific one, but considering the fact that the majority of the players have not played ball in years the game was very well done. By tomorrow the players will have brushed themselves up on the game and a good exhibition full of fun may be expected. It will be worth the price of admission to see Mai West at the bat and Henry Penland at first base.

The clubs will play in uniform, and the colors will be: We Uns, red; You Uns, blue. An effort is being made to have the team colors profusely displayed by those who attend the game. This will lend interest to the event and encourage the contesting teams.

The game will be called at 3:30 tomorrow afternoon. There will be an immense crowd at the grounds. Ladies are especially asked to attend. The proceeds of the game are to be donated to the fund for the erection of a monument to the Confederate dead. Admission fee, 25 cents.

The arrangements for handling the crowds that attend the game will be well nigh perfect. The Asheville street railway company will put a half-dozen cars on the depot line if necessary, and the West Asheville and Sulphur Springs Railway company will run all of its cars between the depot and the grounds, making the trips as fast as it is possible for the cars to be run. It is anticipated that the people begin going out early in the afternoon, so the crowds may be transported without the discomforts usual when everybody wishes to go to one and the same time.

Two of Asheville's ladies have assured prizes for the two teams. The winning team will receive a magnificent basket of flowers, while a cabbage head will be the defeated team's prize. These prizes will be presented to the teams on the grounds at the conclusion of the game.

It is suggested that the business houses close and allow everybody to go to see the game. Every admission fee adds so much to the fund for the Confederate monument.

Dr. H. B. Weaver has been added to the We Uns team for tomorrow's game. Keep this game in your mind and go out to see it!

**ANOTHER GAME.**

Tomorrow evening a german will be given at the Park by H. H. Corson and Col. Leroy Springs complimentary to Mrs. Hillman of Montgomery and Mrs. Throckmorton of Birmingham. This german will be a private affair.

**TO CANDIDATES.**

Get Your Names Printed on Tickets at Once.

All who are going to be candidates before the Democratic convention, Sept. 3, should have their tickets printed at once to be ready for the primaries next Saturday. The voting in Asheville township will be by ballot, and every Democrat is urged to come out and vote for the best man of his party for the several offices. Don't fail!

**Adlai—Asheville—Sept. 15.**

From the Raleigh Chronicle it is learned that the State Democratic committee has fixed the date on which Gen. Adlai E. Stevenson, candidate for vice-president, will speak in Asheville. Thursday, September 15, is the day for the important event, and the Democrats of the county round about may fix the date in their minds. This will be Gen. Stevenson's first appointment in North Carolina.

**AROUND TOWN.**

Washington, Aug. 22.—Forecast till 8 a. m., Tuesday—Fair, variable winds.

Go to the baseball game tomorrow afternoon.

Chas. A. Webb has gone to Tate Springs, Tenn.

Chas. M. Ray of Charlotte is at the Grand Central.

F. R. Whiting of Hickory is here on business today.

S. T. Pearson, cashier of the Bank of Morganton, is in Asheville.

Chief Clerk Stewart of the Swannanoa went down to Lincolnton today for a short stay.

Internal revenue collections for the Fifth North Carolina district Saturday were \$2,871.67.

Among the prominent arrivals at the Swannanoa is Senator R. Dozier of Georgetown, S. C.

The superior court has today been engaged on the case State ex. rel. J. H. Hyatt vs. E. Baird et al.

Dr. J. C. L. Hardy and wife of Savannah, passed through the city yesterday on their way to Waynesville.

The ball at Kenilworth given by I. Gazam Mackenzie in honor of Miss Nina Spofford occurs this evening.

Mrs. F. E. Blackshear and Miss Olive Goodyear of Thomasville, Ga., are in the city on a pleasure trip, stopping at the Swannanoa.

A picnic party that went up on the dunes Saturday evening would like to know why they got left, and consequently had to walk home?

It is estimated that 1,000 Asheville people attended the Turkey Creek camp meeting yesterday. There were near 2,000 people on the grounds when the morning sermon was preached.

Surely you are going to the race track tomorrow afternoon to see the great ball game between the We Uns and the You Uns teams. You will aid a worthy cause and have lots of fun besides.

The memorial service to be held by the Asheville Bar association, in honor of the late Capt. C. M. McLoud, Reuben McBrayer, B. S. Gaither and J. J. Davis, occurs on Thursday of this week instead of Tuesday as announced in THE CITIZEN on Saturday.

This morning as W. D. Houghteling was driving into the city in his loggy, accompanied by his daughter, his horse's front feet went through a hole in the flooring of the bridge across the French Broad, and skinned its legs in an ugly manner. That a county bridge should be allowed to get in this dangerous condition is certainly good ground not only for actual but punitive damages.

**BILTMORE DEMOCRATS.**

Everybody Turn Out to Their Meeting Next Thursday.

Geo. W. Davis, Secretary Swannanoa Democratic club, at Biltmore, sends THE CITIZEN the following:

A large number of Biltmore Democrats met Saturday afternoon at the Newton academy for the purpose of organizing a club to be called the Swannanoa Democratic club. The following officers were elected: R. P. Walker, President; I. C. Lipe, M. L. Reed and S. A. Davis, of Biltmore; Jason Ashworth, of Fairview; Charles Alexander, Swannanoa; T. P. Sutton, Black Mountain; Charles Whitson, Gosh's Creek; Arthur Case, Skyland.

Vice-presidents: G. W. Davis, Secretary; W. P. Chesborough, Treasurer. Speeches were made by Maj. W. E. Breese, R. P. Walker, Josiah Jones and others. A great deal of enthusiasm was shown. The club will meet again on Thursday, August 25, at 9:30 p. m., at which time the meeting will be addressed by J. D. Murphy, and a full attendance is requested, when the regular meetings will be announced. It is proposed to have prominent speakers to address the club at its meetings.

**SUCH A SIGHT!**

Dead Dog and Heaps of Decaying Vegetable Matter.

EDITOR THE CITIZEN—I would like to ask if Asheville has a sanitary officer, and if not, why not? If so, then why is it that such a sight as greeted the passers by on Court Place on Sunday morning is allowed? A large dead dog, which had no doubt been killed Saturday evening, lay within a few yards of the steps to the First National bank, while between there and the court yard fence lay scattered about not less than four bushels of melon rinds. This at 11 o'clock Sunday forenoon with the sun beaming down on them, causing a stenches to rise from them enough to sicken the strongest sensibility.

With this kind of a scene on the public square of our city, when hundreds of citizens and visitors must pass along on their way to church, is it probable that our boasted city will long retain its reputation as a health resort?

T. H. Lindsey.

**A Monday Excursion.**

Major Edwards, vice-president and general manager of the Mississippi Valley railroad, with family, and General Superintendent McBee, of the Richmond and Danville, also with his family, arrived on their private cars at noon today from Hot Springs. Major Edwards' family will spend a week at the Battery Park. A number of Mountain Park guests came over with them today and return again to Hot Springs this evening.

**Recorder's Court.**

Saturday afternoon's court in Recorder Miller's room was unusually large for an afternoon session. Julius B. Jordan and J. M. Lindsey were fined \$30 each for carrying concealed weapons. E. B. James, (who had claimed to be Grover Cleveland) drunk, \$5; J. D. Lindsey, drunk, \$5.

This morning there were six drunks, the total of their fines being \$30.50; one assault \$5; one disorderly \$3, and another disorderly \$2.

**THE B. E. & N. C. ROAD.**

Vanderbilt Interested in the Completion of the Railway.

The Johnston City, Tenn., prints the following item of interest to Asheville generally:

"From a responsible party prominently connected with the building of the Bristol, Elizabethton and North Carolina railway, we learn that Geo. W. Vanderbilt, who is now building a palatial mansion at Asheville, is greatly interested in the early completion of the road to that city. Mr. Vanderbilt has traversed the section of the country through which the road will pass and his being so much pleased with it has given assurance to the projectors of his hearty co-operation and aid in completing the road. The survey has been made and the profile drawn and all things are in readiness for the completion of the road which we are now assured will only be a short time. As soon as it is done we will have a direct line to Asheville 100 miles shorter than by Morristown, the way all travel has to go to present."

**HOT SPRINGS, N. C.**

The American Carlsbad and Its Wonderful Cures.

Special correspondence to THE CITIZEN.

HOT SPRINGS, N. C., Aug. 22, 1892.—A kind invitation to your correspondent keeps your correspondent most cozily quartered at this beautiful and elegant hotel, where, notwithstanding the fact that 200 guests are most comfortably quartered here, everything moves like clock work, and pleasures, such as Germans, ten pins, lawn tennis, etc., assist to the enjoyment no little.

But my object today is to ask you to kindly publish the following letter, just received by mine host, Dr. W. F. Ross, which speaks for itself. It is a duty to suffering humanity that prompts me to have these facts made known.

As a Revisor.

NEW YORK, Aug. 16, 1892.

Dr. W. F. Ross, Mountain Park Hotel, Hot Springs, N. C.

Dear Sir—I am happy to say that my wife returned safe the 11th inst., a well woman, thanks to the curative properties of the waters, and the careful treatment received at your and Mrs. Ross' hands.

She left me June 20 to go to the Springs, a cripple from rheumatism, gout and in a very nervous condition, unable to walk except a few steps, and those at the cost of excessive pain, hence you may readily understand my astonishment and pleasure on her return to see her run along the railway platform to greet me. I only regret not knowing of the "American Carlsbad" two years ago. It would have saved her all that time of agony. I'm not assured that any one I know of suffering from rheumatism, gout, and its kindred ailments, will be confidently recommended "the Hot Springs" and you may at all times refer to me or my wife. My business address is 87 Wall Street, New York. Please accept my warmest thanks and convey the same to your estimable wife for the kind attention bestowed upon my wife, during her stay and believe me to be,

Yours most gratefully,

Henry E. Wallace.

**KING'S WINDSOR ASBESTOS CEMENT**

FOR PLASTERING

In its mixed form is superior to all other plaster, because, being mixed by machinery, the only thing left to the judgment of the man at the mortar bed is the right quantity of water. It makes walls and ceilings more elastic than any other material known for plastering. The Asbestos used renders the material a great protection against fire, and deadens sound. The extreme density of the Cement renders it vermin and germ proof. It will not chip or pit. It is free from acid, it dries out from three to five weeks quicker than lime or hair mortar. No action takes place after setting, which is a matter of two or three hours only. Frost or water will not injure the work after it is once set. Experience has shown that ceilings well soaked from any cause will dry out as strong as ever. Falling ceilings are unknown, and the plastering will last as long as the building itself. It can be finished in any way of which ordinary plastering is capable. Walls and ceilings made from this material are second to none; and, considering the advantages named, the excess of cost above lime and hair is a small matter. The best and most convenient article known for small jobs and patching.
