THE REPUBLICAN TICKET NAMED TODAY FOR CERTAIN DEFEAT.

One Bolt Right in the Convention Just to Make it Interesting—Ewart Makes a Howling Speech.

For Representatives— (V. S. Lusk, Sher. E., H. S. Harkins, Register of Deeds, I. C. Barrett, Treasurer, W. R. Payne, Surveyor, A. A. Hamlett, Coroner, G. F. Brock)

Col. V. S. Lusk, county chairman, called the Buncombe county Republican convention to order in the court house at 12 o'clock today. There was liberal sprinkling of the great unwashed in the room, an interested spectator being ex-Congressman Hamilton G. Ewart.

Col. Lusk cautioned the convention against mistakes, declaring that defeat in November could only come from this convention's mistakes. "As the thing stands now," the Colonel asserted, "we are going to win this fall." [Dan Reynolds, soft voice, "How about November?"]

On motion of Geo. W. Cannon the chair appointed a committee on credentials, composed of the following delegates:

Avery's Creek, J. B. Cochran; Bineh Mountain, Chas. Glass; Flat Creek, W. C. Eller; French Broad, J. B. Sams; Fairview, C. L. Jenkins; Leicester, E. West; Limestone, Burt Brown; Lower Hominy, G. W. Blalock; Reems Creek, J. E. Penland; Sandy Muck, G. M. Rogers; Swannanoa, P. H. Folsom; Upper Hominy, E. M. Warren; Beaverdam, H. C. Long; East ward, W. H. Deaver; Haw Creek, H. M. Smith; Hazel, Jas. Cowan; West ward, C. D. Wilson; Flat Creek, A. Harris; French Broad, T. C. Centry; Fairview, C. L. Jenkins; Limestone, Jesse Sumner; Lower Hominy, J. W. Holden; Reems Creek, I. E. Herren; Sandy Muck, J. M. King; Swannanoa, P. H. Folsom; Upper Hominy, H. A. Luther; Biltmore, T. J. Rector; Flat Creek, A. Harris; Leicester, W. H. Henderson.

H. B. Brown declared as member from East ward, and W. W. Rollins was chosen instead.

The committee on credentials reported that all precincts were represented with the exception of Biltmore. Report adopted.

A committee, composed of W. W. Rollins, J. A. Harris and Jos. L. Ray, was appointed on permanent organization. The committee recommended H. G. Ewart for permanent chairman. The recommendation was adopted, and W. W. Rollins and P. H. Folsom were chosen to conduct Mr. Ewart to the chair. In assuming this distinguished honor Mr. Ewart made a speech in which he referred to the republicanism of Henderson county, where, he declared, in some precincts there were scarcely enough Democrats who could read and write to act as judges of election. Mr. Ewart declared the regulation Republican talk, not even neglecting a profane joke. He predicted that in less than five years America would be manufacturing all the tin she could use, the number of tin manufacturers in the United States today is twenty-eight, and constantly increasing. He referred to Grover Cleveland as "a great, big man, physically and mentally," and he had always said so in his speeches. This admission was greeted by the Democrats in the room with great cheering. A great man, Ewart continued, "and not only a great man, but a great man, were as honest." Then the Republicans cheered. Ewart declared that the McKinley bill had been an incalculable blessing to the country. He assured Democrats that there would be another "C" added to the Democratic party. "The McKinley bill," he said, "could be Calamity. A slight reference here to his vote against the force bill did not receive a whisper of commendation. The speaker thought it unfair to call the silver question a party question, because there was a great division of opinion on the question in both parties. He said Capt. M. E. Carter, chairman of the Democratic Congressional committee, had said in an interview, that the people of the Ninth district were with Mr. Cleveland on the silver question. If this is true, Ewart said, Capt. Carter ought to take down his Congressional candidate, Mr. Crawford.

When Ewart came to the force bill, he said there never was a leader issue than the Lodge bill. "It is not only dead," he shouted "but it is absolutely putrid. It is not an issue and cannot be an issue. The time will come however, in my opinion, when the Republican party will place upon the statute books some law that will secure absolutely free elections. I opposed the force bill because I believed it would be the most possible thing for the black man. I have no apologies to make for my vote. The idea of any danger of 175,000 white men being dominated by colored men! Shame! Shame! on anybody who would admit that he was afraid of such a thing."

Ewart pleaded to the convention "For God's sake don't nominate any but a clean ticket."

Getting Down to Work.

At the close of Ewart's speech, C. B. Moore was made permanent secretary of the convention.

The nomination of two candidates for representatives was then gone into. R. S. Ball nominated H. C. Hunt of Asheville, T. J. Loftain nominated W. H. Henderson of Leicester, W. W. Rollins nominated V. S. Lusk, of Asheville. Everybody howled. W. C. Eller nominated Dr. I. A. Harris of Flat Creek township, I. K. Buckner nominated Jas. L. Ray, of Ivy.

The name of W. H. Henderson was withdrawn, upon the request of Mr.

Henderson, Dr. I. A. Harris' name was also withdrawn.

Balloting then began, the first and only ballot resulting:

Lusk.....50
Ray.....45 8-9
Hunt.....12 1-9

Necessary to a choice, 28.

Then on motion of W. W. Rollins the nomination of Lusk and Ray was made by acclamation.

For Sheriff.

Geo. W. Cannon nominated H. S. Harkins for sheriff and the convention nominated Harkins by acclamation.

For Register of Deeds.

For register of deeds were named: H. Lamar Gudger, Wm. J. Beechboard, J. R. Hunter, T. L. Halford, J. C. Barrett, Theodore Erwin and H. C. Hunt. 28

The name of Gudger was withdrawn. The first ballot stood:

Beechboard.....6
Hunter.....1
Halford.....8
Barrett.....26 3-20
Erwin.....10
Hunt.....4

No choice on first ballot. The name of Beechboard was withdrawn. The second ballot:

Barrett.....42 6-8
Erwin.....10 7-8
Hunt.....4

Barrett's nomination was made unanimous.

"Uncle Jack" Bolts.

Erwin West, H. Lamar Gudger, W. Greenwood, J. N. Netherton, W. R. Payne and W. J. Worley were placed in nomination for the office of treasurer. Worley withdrew his name, saying that he had been a candidate for the nomination for sheriff, and had failed, but intended to run for sheriff of Buncombe just the same, independent.

A crowd of Mr. Worley's friends gathered round and tried to prevail upon him to reconsider his determination to run independent, but "Uncle Jack" remained firm, and kept repeating "mean, mean," evidently referring to his treatment by the convention.

The first ballot resulted as follows:

West.....5
Gudger.....15
Greenwood.....13
Netherton.....3
Payne.....15

No choice. Second ballot:

Gudger.....11 2-8
Greenwood.....9
Payne.....33 6-8

Payne's nomination was made unanimous.

For Surveyor.

A. A. Hamlett was nominated by acclamation.

For Coroner.

J. G. Barrett, Dr. I. A. Harris, C. B. Robinson and Dr. G. F. Brock were placed in nomination for the office of coroner.

The first ballot stood:

Barrett.....12
Harris.....18
Robinson.....21
Brock.....3

No choice. Second ballot:

Barrett.....6
Harris.....33
Robinson.....15

Dr. Brock's nomination was made unanimous.

WIDER FIRES.

The suggestion made by Advisor Williams yesterday.

Each member of the Advisory committee was present in the council room yesterday to attend the meeting of the Joint Board, but none of the Aldermen, except Messrs. Gudger and Waddell, appeared and no meeting could be held. Aldermen McDaniel, Starnes and Baird were in Tennessee on committee work in connection with the purchase of brick for the city paving.

Mayor Blanton read to those present the petition of the Patton avenue property owners protesting against the paving of the avenue with stone. There was no comment on the petition further than Judge Green's remark: "We can't pave it with stone if they don't want it."

Advisor Williams said he would be glad if the Joint Board would suggest to the Aldermen the idea of passing an ordinance regulating the width of the tires on the wheels of the drays of the city. On the brick pavement, he said, the narrow tires now used were almost the same as chisels and would soon wear out a brick. He suggested a tire of 3 1/2 or 4 inches for two-horse drays, and 2 inches for one-horse drays. The way to work this change, he suggested, would be to license only such drays as had the regulation tire.

The order affects nearly three million residences to which the free delivery service is already extended.

IS CHOLERA AT CHICAGO?

A CASE REPORTED THERE TODAY.

One More Hamburg American Steamer in New York With Cholera on Board—Thirty-two Deaths on the Voyage.

Chicago, Sept. 10.—Shortly before one o'clock this morning, four car loads of immigrants arrived at the Union depot from Sweden by way of New York and Pittsburgh. The train came here with a clean bill of health, but the authorities believe one of the number, Albertina Larson who died at 1:30 o'clock was afflicted with cholera. The woman, it is claimed, showed unmistakable symptoms of the disease. The party to which she belonged left Guttenberg, Sweden, August 19, and sailed from Liverpool August 27 in the steamer Lord Gough.

Dr. Garrett said that he would not express a definite opinion that the woman had died of cholera, although such was the indication. Dr. Jones said that cholera symptoms were strongly noticeable.

Another Cholera Ship.

New York, Sept. 10.—Another cholera stricken ship has passed Sandy Hook and is now anchored beneath the yellow flag, in the lower bay. She is the Scandia of the Hamburg-American line. This vessel had 22 deaths on board during her passage across the Atlantic, and there are two dead persons and eleven cases on her now.

TAMMANY SOLID.

Out for Cleveland and Stevenson in Good Style.

New York, Sept. 10.—Tammany hall came out boldly last night for Cleveland and Stevenson. A meeting of the general committee had been called together to issue a call for primaries of districts. Judge Nelson, Smith presided and made a brief address, eulogistic of the Democratic Presidential and Vice-Presidential candidates, and at each mention of Cleveland's name the hall shook with cheers.

Senator Bourke Cockran, in one of his characteristic speeches, presented resolutions endorsing the declarations of the principles adopted by the democratic national convention at Chicago, and concluding:

"Believing as we do that the security of the government, the prosperity of commerce and the happiness of the people can best be maintained by the success of the Democratic party, we do cordially pledge our untiring efforts to the election of Grover Cleveland and Adlai E. Stevenson."

The resolutions were enthusiastically adopted.

THERE IS MILLIONS IN IT.

Successful Pugilism Means Two or Three Fortunes.

NEW ORLEANS, Sept. 8.—Corbett was in receipt of several hundred telegrams congratulating him on his success from most of the sporting men and pugilists in the country, and from quite a number of theatrical men offering him engagements. Among the offers were: One of \$2,500 for a week's engagement at Chicago, \$2,000, from Nixon and Zimmerman, for a week's engagement at the Academy of music, Philadelphia; \$2,000 for a week Brooklyn, \$2,500 at Boston, \$3,000 at New York, \$2,000 at Baltimore, \$5,000 at California, \$2,000 at Providence, \$1,000 at New Haven and Hartford, and similar offers from Rochester, Buffalo, Albany and Pittsburg; \$2,000 to stand for a statue at Chicago. He was offered fifty per cent. of all profits to allow the use of his name, for a saloon at the entrance of the World's fair at Chicago; he to take no risks. A similar offer came from a saloon on Broadway, New York.—N. Y. Sun.

Poor Condition of Cotton.

WASHINGTON, Sept. 10.—The cotton report of the Department of Agriculture indicates a lower condition of the crop than in any September since 1883. The average is 76.8, against 82.7 last year, and 85.5 in 1890. The decline since August 1st, exceeds five points. State averages are: Virginia, 77; North Carolina, 76; South Carolina, 75; Georgia, 73; Florida, 66; Mississippi, 72; Louisiana, 76; Texas, 81; Arkansas, 79; Tennessee, 79.

LONDON, Sept. 10.—Several failures in the cotton trade are expected in the British district.

South Carolina Republicans

CHARLESTON, Sept. 8.—It is learned from trustworthy sources that a call will be issued in a few days for a State Republican convention at Columbia on September 29. It is said that a serious effort will be made then to nominate Thomas B. Johnson, the Collector at this port, for Governor. Those who are engineering the Johnson boom say there are 65,000 negro votes registered, and that if these can be brought out they will elect Johnson, owing to the lack of interest which usually prevails among the whites at a general election.—N. Y. Sun.

Talmage's New Gold Watch.

LONDON, Sept. 7.—The Rev. Dr. Talmage, after a farewell banquet, this evening preached at the Crystal Palace his last sermon in England. About 6,000 persons listened to him. His text was, "The statutes of the Lord are right." He said that the evidence of Shakespeare's authorship of "Macbeth" was nothing compared with the evidence that the Almighty wrote the Bible. Just before the sermon Dr. Talmage received a present of a gold watch. He will preach in Belfast on Sunday and in Dublin on Tuesday.—N. Y. Sun.

Latest Vermont Returns.

WHITE RIVER JUNCTION, Vt., Sept. 9.—Returns from 210 towns give Fuller (Rep.), 34,031; Smalley, (Dem.), 16,549; Allen (Pro.), 1,042; scattering 300. The vote shows a Republican loss of 8,672, and a Democratic loss of 327, comparing with 1888. The vote of almost all of the largest towns is included, Rutland being a notable exception.

PORTSMOUTH, N. H., Sept. 10.—The United States steamer Fern, from Norfolk for Kittery navy yard, went ashore one mile below this morning in foggy weather.

Antimigraine

THE NEVER FAILING CURE FOR

HEADACHE

Absolutely Safe, Perfectly Sure, and Always Speedy.

Cures Every Variety of Headache AND NOTHING ELSE.

ANTIMIGRAINE

Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, headache. The immense favor which has greeted it from all quarters proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as

Antipyrine, Morphine, Chloral and Cocaine,

since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear of serious results. It is not a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.
