## UNTERRIFIED DEMOCRATS

### THEY POUR OUT TO HEAR CRAWFORD.

Only the Office Holders Out for Jeter Pritchard, Who is Already Whipped—Some Third Party Men in Rutherford.

LOGAN'S STORE, Rutherford county, Oct. 5.—I thought the Democrats of Old Fort were very much aroused, and when I got to Dymartsville yesterday, after spending the night in Marion, I was convinced from what I learned that there was no step backward in McDowell, unless the deputy collectors and gaugers actually buy the county and pay for it, and this will come very high if undertaken.

But I wish every Democrat in the Ninth district could have seen the demonstration given Crawford here today. When we got within about two miles of the place of speaking, there was a gleam of the stars and stripes in the distance, and a tremendous shout went up from fully two hundred mounted Democrats of the unterrified stripe as they divided on either side of the road to allow our vehicle to pass through to the head of the column.

And there was not a single animal in the procession that was not mounted by a genuine Democratic voter. The procession was composed of members of the Logan's Store, the White Riders and the Golden Valley Democratic clubs. Under this magnificent escort we entered Logan's Store, and when the place of speaking was reached the two hundred mounted men formed around Crawford's carriage, and three cheers were given so loud and long that the acorns showered down from the trees like hail.

Pritchard and his assistant Brown, who had preceded us unharmed, were sitting among three or four friends taking in the spectacle, and it is a matter susceptible of proof that Pritchard's little band of gougiers and store-keepers have not been seen to smite since.

There were fully four hundred people present, four-fifths of whom were Democrats, and notwithstanding the unusual demonstration there was not a drunken man on the ground. This shows how the people are working where the negroes begin to grow in numbers. There are some 600 negro voters in Rutherford. Crawford was sandwiched between Brown and Pritchard today, but he emerged satisfied the immense crowd. He stopped Pritchard's ridiculous charge that the last Congress fired only five little popgun wads at the McKinley bill instead of repealing the whole measure, by showing that one of the wads was an effort to have the high tax taken off of cotton ties, cotton bagging and the machine that makes these articles, but were prevented by the Republicans. He showed that the price of cotton has gone down and down under the McKinley bill until the farmers of Rutherford have not really money enough to pay their taxes.

Pritchard is beginning to realize that his little scheme of having his revenue officers run over the country and scatter the report that he eats Crawford alive every day, is played out, and it is rumored here today that these political workers, hired with the people's money, have been instructed to swap even Harrison if a vote can thereby be secured for Pritchard. But this won't work. Pritchard is whipped, and whiplashed badly today in this district, and the farther it goes the worse it gets.

Pritchard told me today that he was going to have a mounted procession meet him when he reaches Madison; "but," said he, "I am not sure that it will equal what Crawford had here today.

This should put the Democrats of old Haywood on their feet. It will not do for Crawford's county to let Pritchard's county outdo them. There should be a thousand mounted Democrats in Waynesville to greet Crawford.

There are more Third party men in Rutherford than anywhere in the district I have been, but the Democrats will carry the county by a majority equal to that of two years ago. There is no defeat for such enthusiasm as exists here. Rutherford is all right!

### WRECKED THE DINING ROOM

#### Some Wretch Makes an Attack on a Woman's Property.

HOMESTEAD, Pa., Oct. 8.—A cartridge was thrown through a broken window into the non-union dining room of Mrs. Marron this morning. A terrific explosion followed. All the windows were broken and the room wrecked. Beds on the second floor were thrown six feet up in the air and the occupants thrown to the floor. Thirty-eight people were in the house at the time, but no one was hurt.

### HANGED A CHILD.

#### John Williams and Milby Brown Executed.

SPELLANBURG, S. C., Oct. 7.—John Williams, a colored man who killed J. A. Heneman, mayor of this city, on Sunday, Sept. 27, 1891, and Milby Brown, a 15 year old colored girl who killed the one year old infant of W. C. Carpenter, of Gaffney City, this county, on June last, were hanged on the same scaffold here at 11 o'clock this morning.

### The Pope and Renan

PARIS, Oct. 5.—A dispatch from Rome says that when a telegram announced the news of Renan's death to the Vatican on Sunday, the Pope asked, "How did he die?" When told that he died impotent, the Pope answered that it was better so, as had he explained his attitude toward the church, he would have shown that he was not sincere in his doubtings. "He will be judged by his sincerity," the Pope is said to have added.—N. Y. Sun.

### Under Democratic Rule.

ALBANY, Oct. 7.—Comptroller Campbell reports to the Governor that for the first time in over half a century the State of New York is practically free from debt. The only obligations of the State outstanding are \$150,000 of the canal debt, which matures Oct. 1, 1893, and \$350,000 of Niagara Reservation bonds, maturing July 1, 1893, July 1, 1894, and July 1, 1895, all of which can be cancelled at any time.

## ANTI-FUSION BOLDERS.

### Egged On by Republican Money to Mischief.

TOPEKA, Kas., Oct. 7.—The anti-fusion, straight-out holling Democrats of Kansas meets here today in State convention. The convention has been anticipated with joy by the Republicans and with corresponding misgivings by the Populists and fusion Democrats, for upon its action it is generally conceded the fate of the fusion ticket depends.

The call for today's convention protested against the surrender of the Democratic organization to the People's party. The regular Democratic State committee met here yesterday and threw bomb shells into the bolders camp by producing correspondence showing that the Republicans were aiding and abetting

## IMPORTING THE NEGROES

### THE REPUBLICANS DESPERATE IN NEW YORK.

The Democrats need funds to counteract the work of the Republicans in attempting to prevent a Fair Election.

NEW YORK, Oct. 7.—Lieut. Gov. Sheehan, chairman of the Democratic State campaign committee, asserts that he has positive proof that the Republican managers are importing men from Pennsylvania and negroes of Southern States into this State, and that attempts will be made in smaller cities on Saturday of this week, the first day of registration,

IF YOU LIKE THIS KIND OF THING, VOTE THE REPUBLICAN TICKET.

straight outs, and that the Republican committee had sent to various Democrats throughout the State, free passes from their homes to Topeka and return so that they might conveniently attend the convention. The Democratic committee claim that this one fact will rob the convention's action of influence, but the bolders are going ahead.

### NEXT TO BROWNING.

#### Tennyson's Remains to be Interred in Westminster Abbey.

LONDON, Oct. 7.—The funeral services over the remains of Lord Tennyson will be held in the Parish church at Haslemere Monday. On Wednesday the remains will be interred in the west corner of Westminster Abbey, where they will lie next to the tomb of Browning.

The body of Tennyson lies on the bed in which he died. He died fifteen years younger than before his death, the lines and wrinkles of his face being less apparent.

Wednesday afternoon during a wakeful moment, Lord Tennyson asked for a copy of Shakespeare, and with his own hands turned the leaves until he found the story in "Cymbeline." Then he fixed his eyes on the pages, but he did not speak, and when he read the lines or not is not known. Soon he again passed into a slumber and his left hand rested on the open book until he passed away.

The Pall Mall Gazette thinks that Gladstone will appoint Algernon Swinburne to the post of Poet Laureate.

### BEYOND HUMAN AID.

#### There is No Hope For Mrs. Harrison.

WASHINGTON, Oct. 6.—A cloud of despondency has gathered about the Executive Mansion, for the President, his family, and his intimate friends now realize that Mrs. Harrison is beyond recovery. They have fought against that belief many weeks past, and the physicians have sought to hold out hope, but the truth has at last been faced, and they feel convinced now that no earthly skill can bring the sufferer back to health.—N. Y. Sun.

### WASHINGTON, Oct. 7.—Mrs. Harrison's

right lung is entirely consolidated so that she has no use of it whatever. The left lung is not involved, although anxious for prolonged life, she does not exhibit that cheerfulness and hopefulness that is usually so apparent in the case of consumptives. This is due to the extreme nervous exhaustion from which she suffers.

### For Malfeasance in Office.

NEW YORK, Oct. 7.—W. W. Niles who has been engaged to sue former members of the Richmond Terminal management for malfeasance in office, says: "We are collecting evidence and it will be some time before we are ready to go ahead. Notices have been issued to stockholders to join in the movement." All Terminal issues were very weak today and one to two points lower.

### Edwin Booth Hurt.

LAKEWOOD, N. J., Oct. 5.—Edwin Booth is at the Laurel House here. While in his room this morning, it is said, he became dazed. Before his daughter could reach his side he fell, striking his head on the stone hearth and receiving a bad wound over the eye. He had to be carried to his bed. The fall was most unfortunate, as the actor is in poor health.

### Another New Democrat.

JEFFERSONVILLE, Ind., Oct. 7.—Judge Columbus B. Harrod, a well known Indiana lawyer and strong Republican, having been the nominee for congress of his party a few years ago, has publicly announced that he would vote the Democratic ticket next month. The tariff question was the lever.

### The Florida Majority.

JACKSONVILLE, Fla., Oct. 8.—Completed count returns come in very slowly, and there is nothing in them to warrant a change in the first figures sent out. Mitchell has beaten Haskin by a majority that will hardly fall short of 23,500 and may reach 25,000.

### 300,000 Deaths From Cholera.

ST. PETERSBURG, Oct. 7.—Twenty-three new cases of cholera yesterday against twenty-one Wednesday; deaths eight. It is estimated that since the outbreak of cholera in Russia 300,000 persons have died from the disease.

#### ANTIMIGRAINE

Has earned for itself the enviable reputation of being the finest, most effective and reliable article in the market for the speedy relief and cure of every variety of that common trouble, headache. The immense favor which has greeted it from all quarters proves its true merits and acceptability to the public. It is something which almost everyone needs, and those who have once tried it will never be without.

For its curative powers it does not depend upon the subtle influences of such poisonous drugs as

#### Antipyrine, Morphine, Chloral and Cocaine,

since it does not contain an atom of either of these. It is absolutely free from injurious chemicals, and can be taken by young and old without fear of serious results. It is not a Cathartic, does not disarrange the stomach, and contains no noxious or sickening ingredients.

The peculiar advantages of Antimigraine consist in its being thoroughly reliable as a cure for any kind of headache—without respect to cause—leaving no unpleasant or annoying after effects, as in the case of other so-called "harmless" remedies. These qualities make it the most popular and saleable article in the market, wherever known.
