TAKEN UP.

The Joint Board Discusses Pay DAYS ON ACCOUNT OF ing, and Decides to Begin on THE EXTENSIVE AL-Patton Avenue-The Aldermen's TERATIONS NOW BEING Rod of Discipline MADE IN OUR PALACE.

There was an encouraging attendance apon the meeting of the two Boards that terday afternoon. The meeting lasted from 3 o'clock to 6:30, so late that Jani-

or the finance committee, stated that the committee had not been able to make a report on the 5 per cent, reques Board is next Tuesday at 4 p. m., when a special meeting of the Joint Board is

that he had consulted W. B. Gwyn on the matter of getting rock for the city on Mr. Gwyn, he said, was willing to make a reasonable arrangement in this regard. Mr. Starnes, however, thought the trou ble at the quarry, consequent upon the blasting of the rock, was past. He also reported the crusher as running regu-

on the northern portion of North Main street had agreed that they would ac-cept macadam as a paying for the street om Water to Chestnut. No actio

Eight residents of South Main pet ioned that the regulation sidewalk bout down on the west side of that street om the ear shed to Southside avenu The street superintendent was ordered to do the work as soon as possible. On motion of Mr. Hant the sidewalks or his street will be constructed of a lave of three inches of crushed stone, a con t pitch and a layer of one inch of fin

inv form is always good for about a tour's discussion, so the ero welstretche tself out to listen when Mr. Sturner nade a motion that the balck contract ors be required to begin laying brief Monday morning on Patton avenue on the south side of the street, beginning on the south side. At the same time th ide of South Main, the object being to get half a street between the depot and

he city before winter sets in.

Mr. Waddell began the discussion. II said that A. M. Smith, the granite cotractor, was ready to pave Pattor avenue with stone, and give bond to complete the work in a limited announof days. But this was called down b Mr. Cummings, who stated that the was a petition against the use of ston

ings had a fittle tilt over a petito Board would do the paving as soon a it could. Mr. Gwvn insisted severa times and finally the petition was read by Mr. Cummings, who sandwichen, a when he came to the names of the sign ers, 200 in number, and the names were

Then followed some remarks on the tardiness of the brick contractors. May or Binnton said the city had delayed them, but Mr. Starnes told him this which argued differently: "We had the streets ready before the contractors we ready for work. They caimed that they had a brick plant in Cleveland county. while as a matter of fact they had noth ing more than an old mud mill.

back at the plant until it was settled that these contractors should get the

the Board find out what beginning work meant. The people wanted to see the work begin and go on.
Mr. Gwyn suggested that paving on Patton avenue begin at the government building instead of at the west end.

motion, and it was carried: Ayes, Cum-mings, McDowell, Hunt, Baird, Starnes, Bearden, Leonard; nays. Green, Miller, Waddell, Williams.

A petition from South Main street res-Board advertise for bids for sidewalk

work of regulation style and concrete. Umbrellas re-covered while It also asked that the paying be laid to cholera. In very short time the andience the rails of the street car track. As soon you wait for them, making as this clause was reached the petition as the property was laid uside and nothing further was sons were badly bruised. It was some lone on the question.

Mr. Startes then thrust a thorn into

ing now being done on South Main can be nothing but a botch job on account of the space left unpaved for eighteen last night Wm. J. McKenzie, 60 years a dispatch from Senator Daniels of Vir-inches on either side of the car track; and old, while attending a select ball was gimin declining to speak at the Fair nstructing the contractors to paye to

Mr. Cummings was on his feet instan-ter. He said he didn't think it necessary for him to make the same speech he had made against a similar motion last week, but he went ahead and made it anyway. "We've began the fight," he said, and we don't want to make a vir-tual surrender now." He told the Board what it may or may not have knownthat the United States Suoreme court was the highest court in America. Mr- worth of sugar bags has been placed in Cummings the moved to lay the reso. this city by the sugar trust. It will be lution on the tuble, but there was no followed as fast as possible by similar

HOW THE BOARDS WORKED Mr. Commons could, but be thought be face a botch job when he saw it, and the way the work was going on now was nothing short of ridiculous.

THREE AND A HALF MOURS

Mr. Commons could, but be thought be face a botch job when he saw it, and the way the work was going on now was nothing short of ridiculous.

ITS REMARKABLE GROWTH CVDID OF TAD Mr. Wnddell said the city had no right

> ind make the property owners pay for The Attorney's Opinion

o put down a patchwork pavement

City Attorney Cobb was present, and in response to a question, stated that the city's paying of the eighteen inches would not operate as a waiver of the right of the city to compel the street railrun the city and do the raving act ves- way company to pay for the work. He went into an extended argument on the prestion, assuring the Board that the tor Erwin had to procure lamps so that paving would be better as it is, than to the members might see what they were pave to the rail and leave the space be stant. One of the most gratifying dear doing. Every member of the Advisory tween the rail unpaved. With the plant three of the situation is the extension of committee was present, as were all of the Advisory tween the rails unpaved. With the plant three of the situation is the extension of content was present, as were all of the Advisory with the months of content and advisory in the South, whose marked paving, while the flow would be unobstructed if the paving should be laid to ron mills established and operated.
