WOULD BE VIVISECTED.

Dr. Morris Would Sacrifice Himself for Humanity.

PHILADELPHIA, Oct. 26.—The sixteenth annual meeting of the National Humane Society was greatly disturbed today by a discussion of vivisection. Mrs. Caroline Earle White, a well known society woman of this city, had just finished a paper on the horrors of vivisection when Dr. John Morris of Baltimore rose and said it was a pity that her efforts had been wasted in such a cause, that she knew absolutely nothing about the matter, and that her paper was worthless. "Who," he asked, "has ever seen such a vivisection as Mrs. White describes? She surely has never attended one or she would not make such statements."

A motion to defer discussion on the paper was carried, and a committee was appointed to draft a set of resolutions condemning vivisection for all purposes. Dr. Shortall then read an extract from a newspaper arranging Dr. Richter of the University of Pennsylvania for cruelty practised on dogs. Dr. Morris was on his feet again, and said such ignorance was appalling.

"Everybody knows," he said, "that when the spinal cord is cut all sensation below that point ceases."

"Would you like such experiments tried on you?" asked Dr. Shortall.

"Yes," said Dr. Morris, "if untold benefits would result to mankind."—N. Y. Sun.

A FAIR HIT.

Senator Hill Reminded That He's But Half a Person.

LYNCHBURG, Va., Oct. 28.—In his speech here yesterday, in connection with highways, Senator Hill stated the story he had heard in New York to the effect that Mark Twain erected on a highway at Mark's Elmira farm a magnificent watering trough each time a child was born to his wife, that it was an innovation the public appreciated, and that now the whole section was hoping that Mr. and Mrs. Twain would be blessed with a very numerous progeny.

After he had told the story a gentleman in the audience said, "Well, Governor, but what are you doing for the highways of your country? There was a general laugh, which was renewed when the Senator replied that he never answered impertinent questions.

Still Waiting.

NEW HAVEN, Oct. 28.—F. L. Markham of Wallingford has a precocious bulldog. Last night the dog was unusually restless. When Mr. Markham went out to feed the dog this morning he found him carefully guarding the seat of a pair of trousers. No one known to him wore trousers corresponding to the missing seat, and nothing further was done than to preserve the cloth and await developments.

Stevenson in Dry Goods.

NEW YORK, Oct. 28.—General Adlai E. Stevenson was at the meeting of the Dry Goods Democratic club at 383 Broadway yesterday afternoon and made a talk of a few minutes, after which he had a general hand shaking for which purpose all other exercises were suspended. It is estimated that during one hour 2,500 people passed in and out to hear and see the Vice-Presidential candidate.

Georgia's Official Count.

ATLANTA, Oct. 28.—In joint session yesterday the general assembly canvassed the vote cast at the October election for State officers. The official count shows the majority for Governor Northern and the State ticket was 71,592.

WHIRLWIND OF APPLAUSE

IT GREETED EVERY MENTION OF CLEVELAND.

A Great German-American Demonstration in New York Thursday Night—A Fit Introduction.

NEW YORK, Oct. 27.—The German-American Cleveland union held a great mass meeting last night in Cooper union, the large hall being packed with people, nearly as many more being unable to gain admittance. Enthusiasm was at white heat throughout the proceedings, tumultuous applause greeting Messrs Cleveland, Carl Schurz, Oswald Ottendorfer and many leading German-American citizens, as they came upon the platform, which was decorated with the portraits of the National Democratic candidates surrounded by tastefully draped American flags.

Many ladies occupied seats in the auditorium and were quite as much enthusiastic as their male escorts. Upon the platform were a hundred prominent German business and professional men.

Oswald Ottendorfer called the meeting to order and in a brief speech stated its objects. As Ottendorfer was closing, a mighty cheer arose near the southern entrance to the hall and the band struck up "Hail to the Chief." At once Cleveland was seen coming down the aisle toward the rear entrance to the stage, and the vast assemblage stood up and cheered, yelled and waved hats and handkerchiefs. As Cleveland appeared on the stage a perfect whirlwind of applause swept over the large hall, continuing for fully five minutes.

William Stenway acted as chairman and introduced Grover Cleveland as a gentleman known, honored, revered and believed, not only in America, but the wide world over. Again the audience broke loose and shouted itself hoarse in greeting the ex-President. Cleveland was loudly applauded at frequent intervals during his remarks.

He said on the tariff: "Inequalities of fortunes furnished no ground for discontent when they are due to differences in enterprise, legitimate opportunities or natural endowments. When, however, they are traceable to governmental interference in the hands of a small minority of our people, at the expense of the remainder, nothing but the deception of partisan blindness of those who suffer can be a sufficient challenge to this injustice and demanding the consideration due them by virtue of their fellowship in American citizenship."

Cleveland bowed repeatedly before taking his seat. Every mention of his name thereafter by the speakers elicited the warmest applause.

MARSHALS FOR GEORGIA

Orders to Have U. S. Officials at the Polls Causes Excitement.

MACON, Oct. 26.—Political excitement in the Tenth district and throughout Georgia will culminate when the fact of the appointment of Federal marshals by Judge Emory Speer, of the Southern district of Georgia, becomes generally known. This action was the result of Representative Tom Watson surrounding his residence at Thomson with armed guards for the purpose of averting any attempt at violence directed against him.

The action of the Federal authorities in appointing deputy marshals is giving a dangerous complexion to the political situation in the State, and particularly in the Tenth district.

Judge Speer acted under an order from Judge Pardee, the circuit judge at New Orleans, instructing him to appoint Federal supervisors of election in the Southern district of Georgia, in response to applications from citizens in various counties throughout the district. The applications come from Third party people who claim that it is the purpose of the Democrats to stifle their voice in the Congressional election by violent methods if necessary.

The Democrats freely express the opinion that any tampering with the electoral machinery by the Federal authorities will cause deeds of violence. Augusta, it is said, will resist any effort to interfere with the management of polling booths, and in Warren, Macon, and other Tenth district counties, it will, it is feared, be highly dangerous to introduce United States marshals.

Judge Speer will open court in a day or so in order to appoint the marshals. —N. Y. Herald.

DEATHS IN THE WHITE HOUSE

Two Presidents and Two Presidents' Wives Died There.

WASHINGTON, Oct. 25.—The death in the White House of Mrs. Harrison makes the second case in the history of the Executive Mansion in which the wife of a President has died there.

A little more than a half a century ago, on September 10, 1842, Letitia Christian Tyler, first wife of President John Tyler, died in the White House. She had entered it in delicate health, unable to perform the social duties of the place, but her death, nevertheless, came as a surprise and a shock to the country. The tolling of the church bells the next day announced her death. The funeral ceremonies took place in the East room.

Two Presidents also have died in the White House. William Henry Harrison, the President's grandfather, ended his days there just one month after his inauguration.

Zachary Taylor, the old Mexican war hero, also died in the White House in July of the second year after his inauguration.

There have been a few other deaths in the historic building, of which deaths two were of members of the President's family circle. Lincoln's little boy "Tad" died here, and so did Mr. Frederick Grant, Mrs. Grant's father.—Philadelphia Times.

SHE ADVOCATES DYNAMITE.

Thinks Explosives May Promote Woman Suffrage.

LOXION, Oct. 26.—Miss Cozens, a well known advocate of woman suffrage, said today at a meeting of the Woman's Emancipation Union that women could go on talking until the crack of doom without getting redress from the injustices under which they suffer. The time had come for them to do something desperate. Women, she declared, had dynamite at their disposal. Several present applauded the sentiment. When questioned as to whether she was serious in her reference to the use of dynamite Miss Cozens replied that she was, if through other means women failed to obtain their freedom.—N. Y. Sun.

NEBRASKA DEMOCRATS.

They Will Not Take Down the Cleveland Electors' Names.

OMAHA, Neb., Oct. 28.—C. H. VanWick, candidate for Governor, Chairman Blake and Secretary Pierce of the State committee, representing the People's party, had a conference with the Democratic State committee yesterday which lasted until midnight.

Several propositions looking to fusion were discussed and rejected. The Democrats in secret conference decided that they would not pull off the Cleveland electors, but left it to the local committeemen to instruct Democrats to vote for Weaver electors.

Gen Stevenson in Connecticut.

NEW YORK, Oct. 28.—Gen. A. E. Stevenson left New York yesterday morning for Connecticut, where he will speak. He goes from Connecticut to West Virginia. He was on yesterday in conference with Mr. Cleveland, and with a select party was the guest of Col. Julian S. Carr, of North Carolina, at the Hoffman House. Mr. Stevenson reports the prospects as encouraging.

Won't Ride With Reid's Picture

TERRE HAUTE, Ind., Oct. 26.—Printers from Typographical Union No. 76, employed on the Morning Express, the Republican organ of this city, refused to ride in the Republican industrial parade this afternoon, on the occasion of Governor McKinley's visit, until the pictures of Whitelaw Reid were removed from the sides of the wagons provided by the Express.

On a Tour of Inspection.

NEW YORK, Oct. 28.—The Advisory committee of the Richmond Terminal company, consisting of W. E. Strong, John C. Mahen, W. H. Gradley and John Rutherford, which is to start on its tour of inspection today, will make its first stop at Washington. An insider states that it is too early to speak of a plan of reorganization.

Some Seven-Foot Skeletons.

CRAWFORDSVILLE, Ind., Oct. 28.—A rich archaeological find was unearthed on Saturday two miles west of this city in a gravel pit. Thus far 25 skeletons have been examined and more are thought to be there. The last skeleton taken out was a gigantic one, measuring seven feet in length.

SYMPATHY FOR HARRISON

THE WHOLE COUNTRY TESTS FIES TO IT.

Beautiful Floral Emblems Placed on the Funeral Car—Services in Indianapolis—Thousands Meet the Remains There.

COLUMBUS, Oct. 28.—The funeral train bearing the remains of Mrs. Harrison arrived here at 3:42 this morning and departed at 4:05. There were only a few people at the station when the train arrived, owing to a misunderstanding as to the time of arrival. A delegation representing officials of the Ohio state prison handed a beautiful wreath to the porter to be placed with other floral tributes. The wreath was made by Col. Luntz, a United States prisoner from Florida. In the center it engrossed a message from the officials to President Harrison, which is inscribed by Chaplain Dudley, and conveys their sympathy and the hope that God may give him renewed strength in this hour of his great bereavement.

INDIANAPOLIS, Ind., Oct. 28.—The special train conveying the remains of Mrs. Harrison and members of the funeral party arrived at 9:30 and was greeted by thousands of sympathetic friends and admirers. The President's grief was generally respected, and nearly all the men removed their hats and stood with bowed heads when he passed through the station leading his sorrowing family to the carriages provided for them. After a delay of half an hour or so in transferring from the funeral car the wealth of floral emblems, the casket was lifted and slowly and reverently the cortege moved out through the Union station to carriages in waiting. When the casket had been placed in the hearse and the funeral party seated in carriages, the procession slowly wended its way to the First Presbyterian church where services were held.

REA WILL SPEAK

The Democrats of Minneapolis Gave Out the Announcement.

MINNEAPOLIS, Minn., Oct. 26.—Judge Rea, ex-Commander of the Grand Army, who has declared for Cleveland, and who has been severely criticised by Republicans, said today that he had refused repeated requests to go on the stump for the Republican party in this campaign.

"But will you take the stump for the other side?" he was asked.

"Well, that depends," he replied, "if the newspapers say too much about the matter, I may be compelled to say something in explanation of my position."

"I don't like a party," he said, "that uses the old soldiers as the Republican party used them.
