### U. S. SUPERVISORS MAKING ILLEGAL ARRESTS

This sort of Thing Will Help the Democratic Ticket if Persisted In—Attorney General Davidson's Opinion.

Raleigh, Nov. 2.—In Halifax, R. G. Reid, registrar of Halifax township, was arrested Monday. Two United States supervisors, a Republican negro and a Third partyite called on Reid and demanded his registration books in order that they might inspect them and make copies. Reid refused to allow the books to be inspected. Thereupon the supervisors telegraphed to A. W. Shaffer, chief supervisor at Raleigh, and the latter ordered that Reid be arrested and brought before him and not before any other commissioner. Reid was brought here, Shaffer claiming that only he had jurisdiction. He required Reid to give \$1,000 bond for his appearance.

The arrest of Reid has caused intense indignation among the Democrats and is declared to be worth 500 votes to their party in Halifax county alone. In answer to an enquiry made by registrars concerning the power of supervisors Attorney-General Davidson has filed the opinion "That supervisors in county and parish election districts have not the right as such supervisors to challenge voters or to take a list of registered electors or to scrutinize ballots or returns. In fact they have no duties to perform with respect to registration, but simply to be in the immediate presence of the officers holding the election and witness all their proceedings including the counting of the votes and making the returns thereof. They have authority to make arrests, and these functions pertain to election of congressmen."

### ONCE A REPUBLICAN.

#### The New Democrats are Becoming Plentys.

New HAVEN, Conn., Nov. 2.—Ex-Judge H. Lynde Harrison of this city has resigned from the Republican league, because "I could not endorse the two leading features of the present administration, and especially because the position taken by the party managers in Connecticut upon State issues is radically wrong. Upon the subject of the tariff I consider the McKinley tariff bill wrong because it is constructed upon the theory of protection for the sake of protection regardless of revenue. Many of its provisions are unjust and burdensome upon the people."

"I have believed since Hayes withdrew the troops from South Carolina in '77, that the time for federal legislation on elections is passed. The strongest objection to the force bill passed by the House in 1890, is that it is designed for one part of the country only. New England does not want federal interference with elections, and we have no right to impose upon the people of the South a system of federal supervision which we do not need or ask for North. We need a reform in the State constitution, and the Democratic party is committed to it."

Judge Harrison served in both branches of the legislature, and in '77 was speaker of the House. In '84 he was chairman of the Republican State committee.

### THE NATION IS PARAMOUNT

#### 80 Says Attorney General to United States Marshals.

WASHINGTON, Nov. 2.—The Attorney General has issued a circular to supervisors of election, marshals and United States attorneys in regard to their duties at the coming election, in which he quotes a request from President Cleveland to Attorney General Garland to take general charge and direct the execution of the laws of the United States, touching the appointment of election supervisors and special deputy marshals, which authority the Attorney General holds to be still in force. He then quotes a circular of instructions issued by the chief supervisor of the northern district of New York, Oct. 13th, which he says embody the correct view of the law and adds some further instructions, in which he says the national statute is paramount wherever the State statute conflicts with it in Federal elections, and that Federal election officers must govern themselves accordingly.

### SENATOR MATT RANSOM ILL.

#### Stricken With Neuralgia of the Heart—A Rally.

CHARLOTTE, N. C., Oct. 31.—While Senator Matt Ransom was speaking to an immense crowd at Statesville today he was stricken with neuralgia of the heart and had to be carried from the stand. For some time his life was despaired of, but by persistent efforts physicians revived him somewhat. He is now in a precarious condition, though it is believed he will recover. He will not be able to make any more speeches during this campaign.—Richmond Dispatch.

### Defeats Harrison Electors.

PORTLAND, O., Nov. 2.—Instructions have been received from the Democratic headquarters to withdraw the Cleveland electors. The action meets with the approval of the Democrats here and the claim that it assures the defeat of their Harrison electors.

### Huron, S. D., Oct. 2.—The Democrats

have been instructed to forsake the electoral ticket and vote for Weaver. If they do the State is lost to Harrison.

### Western Union Watered Stock.

New York, Nov. 2.—By advice of counsel the Western Union directors have decided not to take action in the matter of the disposition of the new stock recently issued until the new certificates have been registered in the office of the Secretary of State. A director says that a ten per cent. stock dividend has been practically decided upon.

### Burned the Finest Club House.

CHICAGO, Nov. 2.—The Chicago athletic association building, on Michigan avenue, was destroyed by the fire of yesterday morning. The building when completed would have been the most magnificent club building of any character. The loss is not given.

## WHO IS FOOLED?

### "J. P. K." Wasn't Two Years Ago, and Probably Isn't Now.

MARS HILL, N. C., Oct. 31.—The evidence accumulates that either Pritchard or myself, one, is very badly fooled as to what Madison county will do in the coming election. Today's experience has strengthened my opinion that Pritchard cannot get over 600 majority, with the chances greatly in favor of it being less than that.

One hundred and eighty mounted men met us at the forks of Ivy this morning, and, if possible they were more enthusiastic than those of other sections of the district. Pritchard had arrived on the ground before us, and I did not have a chance to count his crowd. His friends claim it numbered 165, while another authority put it at 140.

The Third party about Mars Hill has about dissolved, and it was so apparent today that Brown is simply Pritchard's assistant that there is little doubt that all the Democrats will be back in line by election day.

Instead of Pritchard getting Democratic votes, he can get bets in abundance down here that he will not get all the Republican votes by a jug full in Madison county.

The talk of Democrats swapping Crawford off in Madison seems to have no foundation so far as I can ascertain. I had a talk with Tom Murray, the Democratic candidate for Sheriff today, and he told me that he would withdraw from the canvass before he would allow any of his friends to swap Crawford off for a vote for him. The Democrats are watchful, and it will do no county candidate any good to have it found out that he will even tolerate swapping Crawford for any portion of the Democratic ticket.

### A FIRE BUG.

#### Cleveland Seems to Have One Whose Feature is Theaters.

CLEVELAND, O., Nov. 2.—An attempt was made yesterday morning to burn the Star theater at 149 Euclid avenue. A strange man passed through the lobby where he was seen by two scrubbing women and entered the theater. He was absent about twenty minutes and then hurriedly left the place. A few minutes later flames were seen issuing from the hall room of the lobby. The fire was extinguished before it had caused any damage, and the incendiary made good his escape.

### UNEASY HOMESTEAD.

#### It May be Necessary to Again Send the Military There.

PITTSBURG, Nov. 1.—There is again an unsettled condition of affairs at Homestead and it is receiving the attention of the State military authorities. There is serious talk of again consolidating the militia there. Dr. Foster, whose son was severely assaulted wrote the Governor that troops were necessary. Maj. Hartraut of General Snowden's staff is in Homestead watching the progress of affairs. Major Hartraut's report will probably be made today.

### OFFENSIVE PARTISANS.

#### The Cabinet Out Electioneering, Instead of Staying in Washington.

WASHINGTON, Nov. 2.—J. W. Foster of the State department is now the only member of the cabinet in the city. Elkins in West Virginia, Charles Foster is in Ohio, Tracey is in New York, Miller is in Indiana, Noble is in Missouri, Rusk is in Wisconsin and Wanamaker is in Indianapolis. The President will not go to Indiana this year to vote.

### BANK ROBBERS GET \$10,000.

#### Three Masked Men Use Winchester as Bank Checks.

KANSAS CITY, Nov. 2.—Three masked men entered a bank at Spearville, Kansas, and at the point of Winchester, compelled the cashier to hand over \$10,000. Then they easily made their escape.

### Carnegie Feels Poor These Days

PHILADELPHIA, Pa., Nov. 2.—The members of the Manufacturers' club emphatically deny the story that the club has helped to raise a million dollars for the Republican campaign fund. Neither Carnegie nor Frick has given a cent.

### New York, Nov. 3.—The World says

the hoard collected from the protected manufacturers of Pennsylvania has reached one million dollars. Frick, the paper says, paid \$250,000. The World also says the sugar trust will contribute \$100,000 part payment for free raw sugar.

### A Mixed Metal Cote.

VIENNA, Nov. 2.—Dr. Theodore Hertzka, political economist and member of the Conference in Brussels, suggests the replacing of gold coins with those composed of silver and gold mixed in the proportion of six to one, on the basis of an international agreement.

### A Veteran Republican.

SHELBYVILLE, Ind., Nov. 1.—George M. Haehl, a veteran of the war and hitherto a Republican who has held various offices in his party, has left the G. O. P. Mr. Haehl has always stood high in his party and his influence is great.

### Beat His Own Child to Death.

COLUMBIA, S. C., Nov. 2.—Dorsey Goodin, of Timmonsville, deliberately beat his seven year old daughter to death Saturday. Goodin is in jail and lynching is threatened.

### A Light Sentence.

EAST LIVERPOOL, O., Nov. 2.—Geo. Gentle, a popular young minister, has been sentenced to seven years imprisonment for attempted assault upon a ten year old girl.

### 200 Croton Oil Victims.

PHILLIPSBURG, O., Nov. 2.—Two hundred Dunkards here are ill by eating soup into which croton oil had been maliciously poured.

## TWO TRAINS IN COLLISION

### NINE LIVES LOST BY THE FIRE THAT FOLLOWED.

Somebody Gave Wrong Orders or Disobeyed Right Ones And a Horrible Accident Followed—Many Injured.

LONDON, Nov. 2.—The express train leaves Edinburgh in the evening for London was running at full speed as it approached Thirsk, Yorkshire, this morning, when ahead of it suddenly appeared a heavily laden freight train.

The engineer of the express train reversed his engine and put on the brakes, but the momentum of the heavy express was too great and it dashed into the freight, making a most terrible wreck.

To add to the horror, the carriages caught fire and nine persons lost their lives. Some of the bodies taken out of the debris were burned beyond all semblance to humanity. A large number of persons were injured.

### THIS SETTLES IT.

#### Gresham Will Vote for Cleveland This Fall Sure.

NEW YORK, Nov. 2.—Don M. Dickinson, chairman of the National campaign committee, has received from Bluford Wilson, who was the solicitor of the treasury during the administration of Grant, a letter written by Judge Gresham, of which this is a part: "To Hon. Bluford Wilson, Springfield, Ill.—Dear Major: I have your letter of the 21st inst. I did tell you at Springfield that after mature reflection I had determined to vote for Mr. Cleveland this fall because I agree in main with his views on the tariff, and do not believe in the principles embodied in the McKinley bill. I adhere to that determination, and have said nothing indicating the change of purpose."

### MONEY TALKS.

#### \$20,000 to \$12,000 Bet on Cleveland in New York.

NEW YORK, Nov. 2.—Michael F. Dwyer has wagered \$20,000 against \$12,000 that Cleveland will carry New York.

John Stetson, of Boston, a well known theatrical manager, who is stopping at the Hoffman House said today: "I have left \$30,000 at the Tremont House in Boston to be bet in a lump sum or in any proportional amount, that Gov. Russell will be re-elected in Massachusetts."

"I am also satisfied that Cleveland will not only carry New York, but also Connecticut, New Jersey and Indiana, and I am willing to back my belief in the McKinley election in any reasonable sum of money that the Republicans may dare to put up."

### Out of the Frying Pan, etc.

LIVERPOOL, Nov. 2.—The Birkenhead ferryboat loaded with passengers collided last night with the ship Eurydice and a panic nearly followed, but no other bad results. Many of the people who were on the ferryboat boarded the train on the Mersey railway, talking among themselves of their narrow escape from drowning. As the train was leaving the station it ran into an engine and was wrecked. Three of the passengers were killed, and fifty injured. It is thought that some of the injured will die.

### These Just Balance.

BOSTON, Nov. 2.—Col. E. O. Shepard, judge advocate general on the staffs of the Republican Governors Ames and Brackett, will vote for Cleveland and Russell.

### On the Ragged Edge of a Strike.

NEW ORLEANS, Nov. 2.—New Orleans is on the verge of a general strike, which will affect every branch of industry. Seven thousand men will go out if a demand for increased wages, fewer hours of work and the employment of none but union men is not complied with.

### A Brilliant Man Dies in the Gutter.

PORTLAND, Ore., Nov. 2.—Lieut. Frederick Schwatka of Alaska exploration fame died here this morning. He was picked up on the street about 3 a. m., in an unconscious condition. Beside him was found an empty laudanum bottle.

### Frances Willard Elected

DENVER, Col., Nov. 2.—Frances Willard was elected president of the Woman's Christian Temperance Union; Mrs. Buell, corresponding secretary; Mrs. Woodbridge, recording secretary, and Miss Pugh, treasurer.

### Shot by Negroes.

INDIANAPOLIS, Nov. 2.—B. F. Myers, a member of the police, was shot through the head by two colored men this morning, whom he stopped on suspicion. The wound is supposed to be mortal. The negroes escaped.
