AMERICAN PEOPLE SPOKE

DEPWE'S IDEA ABOUT CLEVELAND'S ELECTION.

Great Men at the Chamber of Commerce Dinner, New York, Last Night—"We Are Americans All," Says Whitelaw Reid.

NEW YORK, Nov. 16.—President-elect Grover Cleveland was one of the honored guests last night at the hundred and twenty-fourth annual dinner of the Chamber of Commerce, at Delmonico's. A raised dais was placed on the table of honor in the center of which was seated Mr. Alexander Orr, president of the banquet. On either side of Mr. Orr were Mr. Cleveland and Hon. Chas. Foster, and among others seated were Horace White, Senator John G. Carlisle, Carl Schurz, Ex-Gov. Campbell, Chauncey M. Depew, Whitelaw Reid, Murat Halstead, David M. Stone, Wm. F. Havemeyer, Henry Clews, Jas. B. Colgate, Francis B. Thurber, John H. Inman, Ernestus Wiman, Isaac A. Seligman, Elliot F. Shepard, Jesse Seligman, Wm. Steinway, John H. Starin, Paul Dana, Henry Villard, Geo. M. Pullman, Horace Porter and Austin Corbin. There were several absentees. One of these was Hon. Stephen B. Elkins, Secretary of War, who was to reply to the toast, "The President of the United States."

No sooner was the last regular speech concluded than a storm of cries for "Cleveland" and "Depew" arose. Mr. Depew arose smilingly and waving his hand, cried "Cleveland!" Mr. Cleveland at last arose, and after a burst of applause made a short speech in which he said:

"I know you will not do me the great injustice of supposing that I in the least underrate the importance of the commercial and financial interests here represented. On the contrary, no one appreciates it more fully than I, and that while the proper adjustment of all interests should be maintained, you represent those which are utterly indispensable to our national growth and prosperity."

There was more applause when Mr. Cleveland finished speaking, only to be renewed when Hon. Whitelaw Reid was called upon. Mr. Reid said that he had been making a great many speeches within the last three or four weeks, and I am bound to say I do not particularly admire the result of them. I did not think too highly of them when I made them, and I think a great deal less of them now."

Mr. Reid made several graceful allusions to the President-elect: "I think I may speak of my associates as well as myself in saying to the gentlemen who are soon to take control of the government, that whatever they may do to sustain the honor of the flag and promote the prosperity of the country, they will find in the United States no Republican and no Democrat, but a care Americans all."

"I do not believe that any other interests should be obliged to feed from the crumbs which fall from the table of business, nor do I believe that the tables should be robbed of good things, which are honestly and fairly there, merely because some other tables are not well provided. It comes to this: We are all interested as Americans in the common pursuits. Our purposes ought to be, in our several spheres, to add to the general fund of national prosperity. From this fund we are all entitled to draw; perhaps not equally but justly—each receiving a fair portion of individual prosperity. Let us avoid trampling on each other in our anxiety to be first in the distribution of the shares and let us not attempt to appropriate the shares of others."

It was then after midnight, but the gathering demanded a speech from Mr. Depew. He referred to his speech on "the typical American," which he delivered at the Astor House two years ago and said that this speech had formed a campaign document of the Democrats and had inspired him to promise that he would pronounce an eulogy still further of taffy over Mr. Cleveland at the present dinner after Cleveland's defeat. "I cannot add," he said, "anything to what I was allowed to have said on that occasion, because a greater orator than I has spoken. It is the American people who spoke last Tuesday. They have pronounced Mr. Cleveland's eulogy, not in figures of speech, but in figures which were disastrous to us."

Great applause greeted Mr. Depew at the conclusion of his remarks. The guests then dispersed.

A LARGE BOODLE.

Robbers Help Themselves to the Contents of a Bank Vault.

WOODSTOCK, Minn., Nov. 16.—Two masked bandits entered the bank here last night, demanded of Cashier Perry and assistant, Mr. Craig, that they open the vault. One of the men took Perry in charge, while the other robber forced Craig to enter the vault. The robber then helped himself to what he wanted and the pair left with a large boodle.

No One Hurt.

BALTIMORE, Nov. 17.—Advices from the scene of the wreck on the Baltimore and Ohio, near Gratton, West Virginia, state: "The Chicago night express was wrecked yesterday morning a few miles east of Gratton. The entire train left the track including two Pullman sleepers, one of which went over an embankment and turned over on its side. No one was seriously injured."

Cleveland Patted Through.

ATLANTA, Ga., Nov. 16.—The official count for President in Georgia as made by the Secretary of State shows the vote to have been unusually large. Mr. Cleveland's vote was 129,239. Mr. Weaver's 41,741 and Mr. Bidwell's 989. Cleveland's plurality over Harrison 80,681 and his majority over all others 37,961.

GETTING DOWN TO TERMS

JOINT BOARD COMMITTEE'S WORK.

The Report Recommends The Waiver of The 18-Inch Clause of The Act on Certain Provisions—The Report Adopted.

The vexed street railway question, that has worried the city authorities of Asheville so long, now seems to approach an amicable settlement. The first step toward an adjustment was taken yesterday when Supdt. T. W. Patton made a proposition to the Joint Board. A committee was appointed, and a special meeting called for today at 10 o'clock.

At the hour appointed the Joint Board met for the purpose of hearing the result of the committee's work. There were present Mayor Blanton, Aldermen Starnes, Leonard, Baird, Gudder and McDowell, and Advisors Green, Bearden, Hunt and Cummings.

The report of the committee was read, which, as subsequently amended, reads as follows:

"The joint committee appointed at a special meeting of the Joint Board held November 15, have to report that they met by appointment Receiver Maddux and Superintendent Patton, the Asheville Street Railway company, and E. G. Carrier, president of the West Asheville and Sulphur Springs railway.

"Receiver Maddux and Superintendent Patton asked a waiver on the part of the city of the 18-inch paving outside of the rails, and a dismissal on the part of the city of all suits against the street railway, agreeing on the part of the railway to dismiss all suits against the city and to make all reasonable efforts to reach the square from Bailey street by way of President Carrer's line to West College, then by way of West College to North Main and the square; Receiver Maddux agreeing to pave between the rails and to put the Patton avenue line in complete repair as notified by the City Engineer, keeping their work at all times in advance and out of the way of the paving work.

"President Carrer, of the West Asheville and Sulphur Springs railway, declared himself willing and anxious to make any just traffic and truckage arrangement with the Asheville Street Railway company.

"Receiver Maddux, on the part of the Asheville Street Railway company, declared his inability to make a waiver of right of way over Patton avenue from the square to Bailey street.

"The committee, therefore, would recommend that the city make a waiver of the 18-inch paving clause and dismiss all suits against the Asheville Street Railway. Provided, that the Asheville Street Railway shall dismiss all suits against the city and the individual members of the Joint Board, and proceed at once to pave between the rails and continue the same as the city paving may progress, to put their various lines in suitable condition as far as required by the engineer, and that they show to the Joint Board that permanent arrangements have been made with the West Asheville and Sulphur Springs company for reaching the square from Bailey street by way of the West Asheville and Sulphur Springs railway over West College and North Main to the square, waiving thereby all right to the use of Patton avenue from Bailey street to the square. And that the court may make an order that the Receiver shall issue his certificates upon the monthly estimate of the City Engineer and sell the same to pay for the paving between the rails of the track, and that the court will make an order authorizing and permitting by the receiver of the Asheville Street Railway company the change of track from Patton avenue by way of West College street over the West Asheville and Sulphur Springs company's line to the square. The receiver's certificates to be paid in the same way and at the same time as abutting property holders pay for paving in front of their property, said certificates to bear six per cent. interest from date till paid."

The report was amended by John H. Williams, P. A. Cummings, C. B. Leonard and F. C. Starnes, committee members. The report as amended was adopted by a unanimous vote.

The Board ordered the putting down of a cement sidewalk on the south side of Patton avenue, between the Soudley building and the McAfee block, and then adjourned.

TRAFFIC EXPANSION.

The Harvest of the Chicago World's Fair.

LONDON, Nov. 14.—The Financial News says it thinks that the long expected boom in American railway securities may come now at any hour. The American speculators, it declares, have not yet grasped the potential of traffic expansion that will be afforded by the Chicago Columbian Exhibition. There is nothing extravagant in the estimate that \$250,000,000 of foreign money will be left in America as the harvest of the exhibition. Americans will be literally burdened with money seeking investment.

The Duty on Tin.

SAVANNAH, Ga., Nov. 16.—The association of Southern Canniers, representing the State of Virginia, North Carolina, South Carolina, Georgia, Alabama, Florida, Tennessee and Kentucky was organized here yesterday. A resolution was passed which will be sent to every canner in the South for signatures protesting against the duty on tin and demanding its repeal.

SHEPHERD CHIEF JUSTICE

AND ARMISTEAD BURWELL SUCCEEDS HIM.

Governor Holt Made These Appointments Today—Both Were Expected—Something of the Career of the New Chief Justice.

RALEIGH, N. C., Nov. 16.—Gov. Holt today appointed James E. Shepherd Chief Justice of the North Carolina Supreme Court to succeed Augustus S. Merrimon, deceased. Judge Shepherd for some years has been Associate Justice of the court. He began life as a telegraph operator in Washington, studied law and became prominent in his profession. The Governor also appointed Armistead Burwell of Charlotte Associate Justice, vice Shepherd, promoted.

The funeral of Chief Justice and ex-United States Senator Merrimon was held here yesterday afternoon. The funeral was held at the Edenton Street Methodist church, of which Judge Merrimon had become a communicant while on his death bed.

J. SIMPSON ELECTED.

He Thinks He is a Democrat Now.

TOPEKA, Kan., Nov. 16.—Official returns from Jerry Simpson's district give him 1,400 majority. Two years ago he was elected by 7,432. It is now believed he will not be a candidate for Senator. The leaders of the fusion party fear that a new man would be defeated in that district if Simpson's seat in congress was vacated and a special election held.

Mrs. Lease—and she ought to know—says Jerry Simpson is a straight out Democrat; that he is using the People's party and that the members do not seem to realize it. At the Democratic banquets since the election Simpson has appeared as an invited guest and in his speeches was credited with the statement that the Democratic party would now take the place of the People's movement and carry on the reforms inaugurated by it. He says he is in favor of a Democrat for Senator because "they played fair with us this time and we will need them in the future."

On the face of the returns from every county in the second district, Fulton is re-elected to congress by 68 majority.

K. OF L. FINANCES.

Powderly Favors Restricting Immigration—The Railways.

ST. LOUIS, Nov. 16.—At today's session of the general assembly of the Knights of Labor, the annual report of the General Secretary-Treasurer, John M. Hayes, was presented. It shows that at this time the general assembly has a balance on hand of \$6,263, with receipts during the year of \$54,350.

Grand Master Workman Powderly's annual said the membership of the order was now on the increase, and that he believed in the total exclusion of all immigrants "who are not self-supporting and landing in this country." He said also that the campaign just closed "witnessed an interesting discussion of the tariff; but there was more revenue illegally drawn from the pockets of the merchants, manufacturers and workmen in one month by the railroads and telegraphs than we pay in tariffs in a year; and the strike of the future must be a strike for the rule of the people."

In concluding Mr. Powderly recommended that hereafter the assembly should meet at the same time and place as had been fixed by the Farmers' Alliance.

WITH DEMOCRATS

Mr. Peffer Pays the Populists Will Aid the Democrats in the South.

HARRISBURG, Pa., Nov. 14.—Senator W. A. Peffer, United States Senator from Kansas, stopped over in the city a few hours today on his way from Topeka to Washington. When asked how the result of the election suited him he said: "I am delighted with the result. Our party elected seven out of the eight congressmen in Kansas. We now have a majority of three in the Legislature on joint ballot, which means that a Populist will be elected from Kansas to succeed the late Senator Plumb in the United States Senate."

Wou't Compete—Thanks!

LONDON, Nov. 16.—The Swansea tin platers' association, which, a fortnight ago, discussed the advisability of seeking new markets, met again yesterday. At this meeting it was resolved to defer, "out of sympathy for Americans who supported Mr. Cleveland," the pushing of the tin plate industry in new markets. It was also resolved to appoint a committee to watch the development of the American tariff as affecting the tin plate trade.

She Bet on The Election.

BUFFALO, Nov. 14.—By the terms of an election bet an East Buffalo girl will wheel her sweetheart in a barrow from the corner of Colt and William streets, a distance of nearly two miles. The loser is a robust and plucky German lass, and there is little doubt that she will fulfill the terms of the wager.

Lynched.

OXFORD, Nov. 16.—William Burnett, colored, who attempted to rape a white girl in this county in August, was taken from the jail yesterday morning and lynched. The lynching is generally condemned and it is not thought that the citizens of Oxford knew of it.

Dead Set For His Army Bill.

BERLIN, Nov. 16.—Emperor William will open the Reichstag in person November 22, in order to emphasize the arguments in favor of the military bill.

Squeezed In.

GRAND RAPIDS, Mich., Nov. 16.—Official returns show that Congressman Belknap (rep.) was re-elected in the 5th district.
