THE PRESENT CONGRESS WILL SEE ONE.

Quarantine And Other Sanitary Regulations—Sherman Silver Bullion Purchase Law to be Repealed—Absent Members.

WASHINGTON, D. C., Jan. 5.—There appears to be a disposition in the Senate on the part of the Republican members to do as little as possible, pending the change in the administration and the possible change in the organization of the Senate itself. A leading Republican Senator said today that outside the appropriation bill there would be little done. "We are not disposed to ignore sanitary legislation, and that matter will be attended to as soon as possible. It would be folly for us to pass any partisan measures, for they would not go through the House, and the calendar would simply be cumbered up with a mass of bills that could never become law. Looking at the situation from every point of view, I am inclined to think that we will do as little as we possibly can."

Yesterday an order was made setting apart tomorrow morning for consideration of the immigration and quarantine bills. Chandler says he will hold his suspension bill back until it is seen just what the new Treasury regulations will be. Looking at the situation from every point of view, I am inclined to think that we will do as little as we possibly can."

MORNING FIRE.

The Residence of N. A. Kuykendall Totally Destroyed. About 1:30 o'clock this morning Mrs. J. G. Queen discovered fire in the residence of N. A. Kuykendall, 146 Hill street, adjoining Dr. Queen's residence. Mrs. Queen awoke her husband and they ran to the burning building and aroused the family. An alarm was turned in from box 324, corner Haywood and Buttrick streets by J. B. Cole, and the firemen were soon on the spot, although the fire had progressed so far as to make the services of little avail except in preventing the fire from destroying Dr. Queen's house. Mr. Kuykendall's house was entirely destroyed, together with the greater portion of the furniture. The building was insured with T. W. Branch for \$500. On the furniture there was no insurance. The cause of the fire, it is believed, was a defective flue.

REV. DR. PESCHAU.

Lecture on "The Cemetery of the Sea" This Evening.

Rev. Dr. F. W. E. Peschau will deliver the third lecture of the Young Men's Christian association course in the association hall this evening at 8 o'clock. The Wilmington Daily Review has this to say concerning his lecture, "The Cemetery of the Sea": "Dr. Peschau is a graceful and fluent speaker, and his language was clothed in a texture of poetic beauty. The time occupied in the delivery of the lecture was about an hour and twenty minutes, and the speaker was listened to with profound attention during the entire time. It was an interesting and instructive entertainment."

FELL FIFTEEN FEET.

J. G. Stikeleather's Dangerous Fall Yesterday.

Yesterday as J. G. Stikeleather was crossing the second story front porch of the livery stable, opposite the Swannanoa hotel, he lost his footing and fell to the sidewalk, a distance of about fifteen feet. Mr. Stikeleather was picked up unconscious and taken into the office in the stable, where he was soon resuscitated by Dr. C. F. Few, of Hendersonville, who was in the Swannanoa office when the accident occurred. Today Mr. Stikeleather is able to be at work, and, barring a soreness, suffers no ill effect of his dangerous fall.

Will Cut Off the Water.

Superintendent Ingle gives notice that owing to a break in the pipe on the mountain yesterday and the fire last night the city water will be cut off this evening about 7:30 o'clock. It will be turned on early in the morning.

THE W. C. T. U. BUILDING

An Appeal for Donations to Assist in the Work

The Asheville W. C. T. U. has issued a little pamphlet, "The Greatest Need of Asheville," of which the following is a part: "Believing that poorly cooked food and untidy homes drive men to intemperance and the saloons, the Woman's Christian Temperance union purpose to erect a building where cooking and domestic work in general will be taught, and where shelter, instruction and employment can be provided for working girls who come to our city in search of work. "A hall for woman's work is greatly needed where the Woman's Christian Temperance union, the Flower Mission, the Kindergarten association and the Young Men's Christian association may hold their meetings. An office for the Flower Mission, which so wisely administers the charities of the city, is planned for in this building. A valuable lot on the corner of Patton Avenue and Grove street has been donated for the erection of a building for the purpose mentioned. "The Woman's Christian Temperance union of Asheville, incorporated under the laws of the State, appeals to the citizens and sojourners interested in the welfare of our city, for money to aid in the erection of a house suitable for the objects in view. A considerable sum has already been raised and is in bank, drawing interest till the commencement of the building. By the advice of builders, the work will be deferred till early Spring, by which time it is hoped that a sufficient sum will be secured for its completion. "Donations may be handed or sent to either Mrs. L. M. Pease, president; Mrs. S. E. Bous, secretary; Mrs. L. M. Starr, treasurer; Mrs. L. M. Malone, Mrs. E. E. Fagan, Mrs. H. E. Tebbetts, Mrs. E. J. Aston, Mrs. Alice Reynolds, Miss E. J. Hatch or Mrs. Julia Sluder.

The ladies interested in this enterprise begin this week to make a thorough canvass of the city, and hope to meet with a generous response to their effort to raise the needed building fund. As it is a matter in which rich and poor are interested they are urged to pass none by, trusting that each will give according to their ability. The Union especially desires to increase its membership, that it may have a year's work with which to carry on its work. Ladies who are not interested in the general work of the W. C. T. U. are invited to become associate members of the Home Work department. Regular members must have signed the temperance pledge, and pay one dollar per year. Associate members are received with no other condition than the annual payment of the same amount. Gentlemen may become honorary members by the annual payment of one dollar.

THEY MUST HANG.

Gov. Holt Fixes the Date of Execution of Will and Tom Whitson.

Governor Holt has appointed Friday, February 24, as the day on which the Whitson brothers, Will and Tom, are to be hanged, at Bakersville, in Mitchell county. The crime for which the Whitsons will hang was the killing of Kit Byrd in that county several years ago. The brothers escaped and were captured in Kentucky last year. They were tried and sentenced, and placed in Buncombe's jail for safe keeping. The case was taken to the Supreme court by their attorney, W. H. Malone of Asheville. The judgment of the lower court was affirmed and the fixing of the day left to the Governor.

TRIBUTE OF RESPECT.

Resolutions by Pigeon Lodge, Knights of Pythias.

At a meeting of Pigeon Lodge No. 32, Knights of Pythias, held last evening, the following resolutions were adopted: "Whereas, Death has entered our ranks and taken from us our beloved brother, Harry S. Wilmore; and Whereas, In his death this Lodge realizes the loss of a true and worthy member, a young man of fine and sterling character, generous nature and sterling integrity. Resolved, further, that we mourn the abrupt termination of this life so full of such bright promises, just as it had entered upon a sphere of noble usefulness. Resolved, further, that a copy of these resolutions be spread upon our minutes, and one given to this City's with request to place one sent to the family of our deceased brother.

"Blue Laws" in Pennsylvania.

PHILADELPHIA, Jan. 3.—The Supreme court, with full bench, today affirmed the validity of the old "blue law" of 1794 in relation to the publication of Sunday newspapers. The case was that of Thomas Matthews, publisher of the Pittsburgh Sunday Leader, convicted of publishing and issuing his paper on Sunday, under the act of 1794, which prohibits the following of worldly pursuits on the Sabbath save those that are an absolute necessity for the wants of the community.

IT WAS ALL TOO TRUE

THE TERRIBLE AFFAIR IN MITCHELL COUNTY

The First News Confirmed—Partial List of the Killed—The Three Prisoners Torn to Pieces—The Sheriff Dead.

MARION, N. C., Jan. 5.—The attack on Mitchell county jail was made at 6 o'clock Tuesday night. It was a frail wooden structure. Sheriff Moomaw had it guarded by about 75 brave men, and the mob made the attack with a rush. The sheriff ordered his men to fire, and they did so. The fire moved down a dozen or so of the mob and for a moment they halted. But only for a moment. They dashed ahead and fired on the sheriff and his men who occupied windows and doors. The sheriff and many of his deputies fell dead or mortally wounded. The building was riddled. The officials were overpowered, disarmed and the three prisoners dragged out and hung. But they were dead before hung up—torn to pieces. Yesterday new forces came in and about noon another battle was fought. It is said at least twenty-five were killed on each side and scores wounded. The names of those of the sheriff's posse killed are: J. N. Williams, D. T. Ritchie, R. N. Jones, P. B. Sams, R. E. Johnson, Aaron Reed, T. N. Beckner, J. W. Laws, N. R. Pannell, G. N. Hallfield, Tom Hall.

Not Mitchell County Names.

Jeter C. Pritchard, who is in Asheville today, and who also knows personally nearly every citizen of Mitchell county, says that of the list of killed given above he recognizes but one Mitchell county name.

J. W. Gudgeon, of Mitchell, now traveling for Sanford, Chamberlain & Albers, Knoxville, is here today, and considers the story a "fake," as the names given are not those of Mitchell people. The sheriff of the county is R. B. McKinney, and not "Moomaw" as printed in the dispatch.

IT IS NOT A JUNKET.

A Rose by any Other Name Would Smell as Sweet.

WASHINGTON, Jan. 2.—An extended trip in contemplation by members of the House and Senatesoon. The scheme is a visit to the Hawaiian Islands, to be taken by fifteen Republicans and fifteen Democrats of the House, and seven Democrats and seven Republicans of the Senate, who are members of the present and will be members of the next Congress. The object is said not to be a junket, but a business trip. Whether this means the purchase of some island for a coaling station or to make arrangements for laying a Pacific cable or to enter into negotiations to acquire the entire group, is not yet stated, but the arrangements have progressed so far that certain Congressmen have been asked to go, and the time for starting that has been fixed is May 2, and the place of departure Chicago.

ORGANIZED.

The Assembly Fairly Ready to Think of Work.

RALEIGH, N. C., Jan. 5.—[Special.]—The General Assembly organized at 12 o'clock yesterday. President King and Speaker Overman made appropriate addresses. Most of the members seated in the Senate are new. There will be some contests. Slack's seat in the 28th district and Long Wright's (a negro) seat in Warren.

In Ohio.

WEST LIBERTY, O., Jan. 3.—There was great excitement here today over the discovery that White Cap notices ordering all negroes to leave town had been posted in prominent places during the night. A mob attempted to lynch Grant Jackson, a mulatto, who eloped with Miss Hill, a pre-arranged white waitress at the Grand Hotel, but he escaped to the woods. An outbreak is feared. Jackson was tarred and feathered last week, but he returned in spite of warnings, with the above result.

A Saleswoman Came Between.

DENVER, Jan. 3.—Proceedings for divorce have been instituted against Henry Hester, aged 76, by his wife, Eliza, on the grounds of cruelty and desertion. Some months ago Hester became enamored of a young saleswoman. In order to gain her affection he made out a will bequeathing to her nearly \$50,000. Meanwhile his wife was kept locked in a room for nearly a month, and only escaped through the aid of friends. In her complaint Mrs. Hester alleges that on several occasions her life has been threatened.—N. Y. Sun.

Carlisle Refuses to Talk.

WASHINGTON, Jan. 2.—Senator Carlisle has returned from New York. He refuses to discuss the subject of his conference with Mr. Cleveland, but the impression here is fixed that he will be the next Secretary of the Treasury. Mr. Carlisle, it is said, has indorsed Morrison's candidacy for a cabinet place. He and Col. Morrison are in closest accord, personally and politically.

Pierce Gets There.

WASHINGTON, Jan. 4.—The President today nominated Gilbert A. Pierce of Minnesota minister to Portugal, and consul general of the United States to Portugal.

Senator Kennan Improving.

WASHINGTON, D. C., Jan. 5.—Senator Kennan's condition is better this morning than it was yesterday. His physicians say he is steadily improving.
