A Twelve-Year-Old Girl up for
Being D. and D.

A few days ago a colored man got
into trouble in a house in Cripple Creek,
and running out to the car track, pulled
a pistol and fired into the crowd, and
then made tracks with heels towards the
scene of the shooting. Nobody was hurt.
Yesterday Ransom Dillingham was
arrested on suspicion of being the
man who did the shooting. He was before
Recorder Miller in the afternoon. Several
witnesses were examined, all of whom
testified against the shooting. Neither
of them, however, could identify the
shooter, and Dillingham was released.

This morning Mary Ann Pritchard, a
white girl, was tried for being drunk
and disorderly. On account of the girl's
age, only twelve years, Mr. Miller sus-
pended judgment and gave her into her
mother's hands, who said she would
punish the girl.

Two drunks paid \$5 each.

The Position of Russia and
France if We Were Attacked.

St. Petersburg, Feb. 17.—The Novoe
Vremya, of this city, quotes a statement
published in New York to the effect that
Russia and France had agreed to assist
the United States in the event of the
United States being attacked by any
foreign power. The Novoe Vremya says
that, while it does not think that any
definite promise was made, it is doubt-
less a fact that the conclusion of the
treaties between Russia and France and
the United States the two former powers
undertook to abstain from assisting any
opponent of the United States.

that he is improving.

NO FINANCIAL LEGISLATION.

There is Not Time Enough Re-
maining For It.

WASHINGTON, D. C., Feb. 17.—In the
House today the "car coupler" bill was
postponed for further consideration until
Tuesday next. The House narrowly es-
caped an exciting scene. Mr. Johnson,
Republican, Indiana, called the attention
of the Speaker to what he thought was
a misapprehension on the part of the
chair in one of his statements. Johnson
was aggressive in his manner and in his
speech, but at the direction of the Speaker
he rather ungraciously took his seat
and the House resumed consideration of
the pension appropriation bill.

The house committee on banking and
currency met this morning. The bills
referred to the committee and not acted
upon were gone over and it was practi-
cally decided that it was useless to con-
sider and report any of them owing to
the shortness of the session and the pres-
sure of other business in the house. Af-
ter reviewing the pending bill the re-
mainder of the session will be devoted to
an informal discussion of the silver ques-
tion and the financial condition of the
country.

Senator Sherman has offered in the
Senate his bond issue amendment to the
sundry civil appropriation bill and it
was debated this afternoon.

MORE CABINET GOSSIP.

No Other Names Are Announced
Today.

LAKEWOOD, N. J., Feb. 17.—Mr. Cleve-
land remained at home all day and had
no callers of political prominence. He is
not yet ready to announce the names of
the men who will be secretary of the
navy, secretary of agriculture and attor-
ney general. The candidates who were
supposed to have the best chances for the
three positions are Congressman
Hilary A. Herbert, ex-Governor Francis
of Missouri, ex-Solicitor-General Jenks,
of Philadelphia, and Senator Carlisle,
of Kentucky, is, however, said to weaken
the chances of Hilary A. Herbert, for the
reason that he would make the third
Southern man, while New England and
the far West would go unrepresented.
There is certainly, however, that Mr.
Cleveland will regard the geographical
lines in the selection of his Cabinet.

Chairman Hiram has notified the
members of the National Democratic
committee that the headquarters of the
members during the inaugural season,
will be in the reception parlors of the Ar-
lington hotel. The committee will par-
ticipate in the party to the capitol and
from it as for as the reviewing stand in
front of the White House.

HAWAIIAN ANNEXTION.

An Indication That It Will Pass
the Senate.

WASHINGTON, Feb. 17.—The committee
on foreign relations reported to the Senate
in executive session today the Hawa-
ian annexation treaty with a recommen-
dation that it be ratified. It was
placed on the executive calendar where
it can be reached by a majority vote at
any time.

A careful canvass of the members of
the Senate appears to indicate that the
Hawaiian treaty will be ratified with
several votes more than the necessary
two-thirds to spare.

Denver, Colo., Feb. 17.—The commis-
sion from the Sandwich Islands to plead
at Washington the cause of the deposed
Queen arrived in Denver this afternoon
and will leave for the East tomorrow
morning. The special envoys believe
that when all the facts are laid before
the State Department an entirely new
aspect will be put upon the affairs of
Hawaii.

Prince Kawannoka said: "From all
the waste land I have seen in the United
States I cannot think this government
will want to annex our little island.
We are confident that when the adminis-
tration at Washington hears our side of
the matter the provisional government
will be unseated. The revolution is the
result of a conspiracy on the part of the
commissioners who are now in Wash-
ington."

STATE FARMERS ALLIANCE

A BILL IN THE HOUSE TO RE-
PEAL ITS CHARTER.

LARGE SUMS OF MONEY ACCUMU-
LATED WHICH, IT IS ASSERTED, WAS
TO BE DIVERTED FROM ITS ORIGINAL
PURPOSE—A NEW ALLIANCE CHARTER.

RALEIGH, N. C., February 15.—The
Populists in the Legislature were ab-
solutely astonished today when the
Democratic members passed a bill in the
House to repeal the charter of the State
Farmers' Alliance granted four years
ago. The bill to repeal was agreed upon
by the Democratic caucus and will pass
the Senate tomorrow, every Democrat
supporting it. The bill is entitled an act
for the relief of the stockholders of the
State Alliance Business Agency.

Its preamble sets forth that whereas
large sums of money and other property
have accumulated under the charter of
1889; and whereas all the stockholders
are believed to be personally liable for
all defaults and debts of the corporation,
but have no voice in its control or man-
agement under the terms of its charter;
therefore, to enable the stockholders to
obtain a settlement of the affairs of the
corporation and have their money re-
turned to them it is enacted that the At-
torney-General, upon request of any
stockholder of the Alliance fund, shall
institute suit in the name of the State for
the purpose of having a receiver ap-
pointed to wind up its affairs and dis-
tribute to individuals the portion of the
fund contributed by them as members of
any county or subordinate Alliance now
defunct.

There is about \$50,000 of the fund,
not a cent of which can be secured by
those who contributed it, and it is open-
ly charged that it is about to be used in
the interest of the people's party, the
president of the State Alliance, as well as
its secretary and business agent, being
extreme members of that party. A re-
ceiver will be asked for immediately.
Most of the fund was contributed by
persons not now Alliance men.

A bill was introduced today to rechar-
ter the Alliance, which must be entirely
reorganized and operated solely in the
farmers' interests, authorizing it to con-
duct a merc
