NOT VERY MUCH ON PAVING

THAT QUESTION IS POSTPONED TILL FRIDAY.

The Joint Board Holds a Very Short Meeting—Aldermen Hear an Interesting Statement—What Means It All?

While waiting for a quorum of members of the Joint Board yesterday afternoon, W. R. Pennington moved that Atkin street be paved and bridged. Then W. B. Gwyn moved for a committee to discover Atkin street, all of which was, of course, appreciated by Advisor Hunt, who lives on Atkin street.

When a quorum manifested its presence, there were present Mayor Blanton, Aldermen Waddell, Baird, Starnes and McDowell, Advisors Miller, Green Hunt and Cummings.

Advisor Miller moved that, on account of the small attendance of citizens, the meeting be postponed to Friday. This was opposed by Alderman Starnes, who said sufficient notice had been given in THE CITIZEN and everybody who wanted to had a chance to come to the meeting.

W. B. Gwyn suggested Thursday, as the Board usually had a great deal to do Fridays, but Mr. Miller's motion prevailed. It would not have done so, however, had not Mayor Blanton urged the vote in favor of a postponement.

"Assumed," Says the Mayor. When the Joint Board had adjourned Mayor Blanton asked the Aldermen to come to order. Mr. Waddell, however, put on his meekintosh, grabbed his umbrella and hurried out, with a remark that he was sick, but had come to the meeting anyway, and citizens were not any better than he was.

This featured the quorum, but presently Alderman Leonard came in, and Mayor Blanton stated his business without the formality of calling the meeting to order. He recommended that the Board, together with several others, had been appointed to draft a bill including the suggestions adopted by the citizens' mass meeting.

"I naturally feel," he said, "a considerable pride in the bill, as a large portion of the suggestions adopted were mine. Today Mr. Murphy, [chairman of the mass meeting] who assumed to take charge of the meeting, showed me the bill, and I asked him to bring it here this afternoon, or, in case he should not, to give it to me and let me lay it before you. The latter he would not do, and he is not here. I think the bill is wrong in several instances—not what the meeting authorized. There are some things which we should recommend to the Legislature for passage. We can recommend them, whether we get them or not."

Alderman Starnes said on this subject that if Mr. Murphy did not submit the bill the Board should kick and endeavor to keep the bill from being passed.

Then the members left, after having been advised by the Mayor to be on the watchout, as he might call a special meeting soon, if he could get the bill.

In the Board's "Obstructive"

THE CITIZEN asked J. D. Murphy, esq., for a statement with regard to the bill and the remarks of Mayor Blanton. Mr. Murphy said: "I published a call in THE CITIZEN for a meeting of the committee on Monday morning at 10 o'clock. At that hour Judge H. B. Carter and myself went to the Mayor's office and found nobody there, excepting Alderman Starnes. Not long thereafter Aldermen Starnes and Leonard came to my office and Mr. Starnes suggested that a meeting be held at 4 o'clock Monday. Shortly after this Mayor Blanton came in and I handed him the bill. He soon returned to me and then it was agreed that the committee would meet at 10 o'clock Tuesday (yesterday), at the place of meeting on the hour and remained there some time, but neither the Mayor nor the members of the Board appeared."

"The bill was then sent to Buncombe's representatives in the Legislature. Accompanying the bill was a complete report of every meeting held by the citizens and a copy of the call, taken from THE CITIZEN."

"A portion of the bill was drawn by myself, while another portion was drawn by E. D. Carter, assisted by Drs. M. H. Fletcher and L. B. McBrayer; this portion related to the Board of Health, and was submitted to the Buncombe county Medical society by Dr. Fletcher and approved."

A copy of the bill has been left at THE CITIZEN's office by Mr. Murphy and can be seen by anyone interested.

To Meet Tomorrow.

E. D. Carter, one of the framers of the bill, will meet the Mayor and Board of Aldermen tomorrow in the Mayor's office, city hall, at 11 o'clock a. m. All members are requested to attend.

TOOK A WALK.

James Ray Escapes From the City Lockup.

Yesterday Chief of Police McDowell caught James Ray, a white man, who, it is thought, robbed a young man named Pearson, from Morganton, in this city about two months ago. Ray was put in the city lockup. During the night a drunk man was put into the cell with Ray. This morning Patrolman Collins went to the cell and took the drunk man out for trial. The officer knew nothing about Ray being in the cell, and seeing no one else there, left the door unlocked. When he had gone Ray stepped from a corner, got out into the corridor and made his escape.

Ray, it is said, made a confession last night. There was a reward of \$50 for his arrest.

Couldn't Get a Chew.

A meeting of the calendar committee of the Asheville Bar association was held in Superior Court Clerk Cathey's office yesterday afternoon, at which the calendar of cases for the March term was made up. During the meeting one of the attorneys asked for a chew of tobacco to take the taste out of his mouth. But he asked in vain, for out of the 17 lawyers present, he was the only one that used the weed in that shape.

Had a Fall But is Better.

WASHINGTON, Feb. 22.—Representative O'Ferrall, of Va., confined to his room for several days by injuries received from a fall, is somewhat improved today and his friends expect he will be able to resume his duties in the House by Saturday or Monday.

WASHINGTON'S BIRTHDAY.

Exercises in the City Schools of Asheville Today.

Washington's birthday in Asheville was sunny and windy, and was partially observed.

At the Orange street graded school the pupils were addressed by T. W. Patton, Locke Craig, J. W. Summers and Chas. A. Webb. Capt. Patton spoke to the third grade and distributed candy among the little ones. In Miss McLeod's room was hung a large silk-woven portrait of George Washington, that is splendidly executed. The portrait has a history. Only twelve are in existence, seven of which are in America. The loom on which they were woven was long ago destroyed.

The other graded schools in the city held appropriate exercises, consisting of addresses by older people, recitations and songs by the children. At the Bailey street school a play, "Our Country," was presented.

At 3 o'clock this afternoon the Junior Order United American Mechanics held the second anniversary of the organization.

The city banks observed the day by closing, but the forces in the postoffice and revenue office took no holiday.

AT KENILWORTH INN.

Some of the Visitors Who are Enjoying the Climate and Scenery.

Mrs. Isaac F. Dobson and Miss Grace Atkins Dobson, who have been for several seasons past guests of Mr. Flagler of the Ponce de Leon, St. Augustine, Fla., have recently arrived from Ipswich, Mass., to remain at Kenilworth Inn until May.

Thos. F. Ryan, who is particularly well known from his large interest in the Richmond and Danville system, as one of the most active railroad men of New York city, is at the inn for a couple of months.

Chas. Linford, a well known artist of Philadelphia, is at the inn and has under way the painting of a picture, embracing the most beautiful features of this country. His sunset scene, from the sun-parlor of Kenilworth, which sold for \$1,800, and that of the Swannanoa valley with the Crozer and Black mountains for a background, which sold for \$900, are the first two completed, and quickly passed into other hands.

FLOWER PRAISES MORTON.

And He Thinks Gresham Fully Entitled to Shoulder Straps.

ALBANY, N. Y., Feb. 21.—The selection of J. Sterling Morton by President-elect Cleveland to be Secretary of Agriculture was heartily indorsed to-night by Gov. Flower, who said:

"I have known Mr. Morton all my life, and I consider his selection an admirable one. He is a good Democrat and a very able man. He is on a par with the rest of the resident Cleveland selections, and I do not think a better Cabinet could be got together."

When asked if he included Judge Gresham in this estimate of the Cabinet he said:

"Most certainly I do. A good many men outside of the Democratic party contributed very largely to the great Democratic victory last fall. Judge Gresham did some good work for the Democratic national ticket, and is eminently fitted for the position to which he has been chosen. A new recruit who does good fighting for three months is as much entitled to his shoulder straps as a veteran.—N. Y. World.

VANDERBILT DOMINATION.

It May Extend Prominently to the Richmond Terminal.

NEW YORK, Feb. 22.—It is thought the reply from Drexel Morgan & Co., relative to the Richmond Terminal reorganization plan will be made tomorrow and that it will be favorable to the taking up of the task by this house. The Vanderbilts are already large holders of securities of this system, and it is considered likely that the new plan will bring them into more prominent control. With the possible falling into their possession of the Reading system, now that it is the property of anybody who desires to pick it up, with New England theirs for the asking, and with the holdings they always have, some railroad map makers are figuring out a tremendous mileage which the near future may see under Vanderbilt domination.

THE RAGE FOR LYNNING.

It Now Extends to Negroes As Well as Whites.

CLARKSVILLE, Tenn., Feb. 22.—The negroes of Charlotte, about 25 miles from here, are threatening to lynch two young white men named Mathis and Elliott, in jail for taking part in outraging Joseph Vanier's wife, daughter and another woman, all colored. Several other negroes are wanted for complicity in the crime, but have not been arrested, although the officers are hunting them. A strong guard of white citizens is at the jail. The negroes are greatly excited and swear they will lynch the white prisoners.

Sorter Mixed.

PITTSBURG, Pa., Feb. 22.—Late returns on yesterday's city election show that Judge Bernard McKenna, Democrat, is elected mayor by 1,100 plurality. Hon. H. I. Gourley, Independent Democrat, controller, by 1,800 majority; Bishop Dennis, Republican, treasurer, probably 100 majority. The latter is the only Republican ticket elected. In Allegheny city, Mayor W. M. Kennedy, Republican, was re-elected by about 2,000 majority.

Only One Relative Present.

WASHINGTON, Feb. 22.—The funeral of ex-Senator George E. Spencer of Alabama took place this morning. His wife was the only relative present. The remains were interred in Arlington cemetery. The honorary pall bearers were Senators Tull, Platt, Stewart, Chandler, ex-Senator Kellogg and George C. Gorham.

Will Not Issue Bonds.

WASHINGTON, D. C., Feb. 22.—It is stated that at the cabinet meeting yesterday it was decided not to issue bonds at this time to keep intact the gold reserve in the treasury.

AN ALL-NIGHT SESSION

THE HOUSE IN A DEAD-LOCK ALL NIGHT.

Nothing Done But to Excite Re-ment—Today Several Important Bills Were Acted Upon—The Senate Celebration of the Day.

WASHINGTON, Feb. 22.—The House got into a dead lock yesterday afternoon over the car coupler bill and remained in session till this morning. Towards the small hours Mr. Allen, of Miss, made one of his characteristic speeches, mainly directed towards the occupant of the chair (Bailey of Texas.) It was in his best vein, but at the same time excited so much resentment that subsequently Mr. Crain moved that it be expunged from the record, but objection was made. Then Mr. Crain asked unanimous consent that all proceedings of the night relating to excuses, be expunged from the record. To this Mr. Tracey of N. Y., objected. Finally, at 6:30 o'clock, the House adjourned.

Not more than two dozen members were in attendance when the House met this morning.

On motion of Mr. Jones, of Virginia, the Senate bill was passed appropriating \$11,000 (out of appropriations heretofore made) for the construction of a wharf by which access can be had to the monument designating the birth place of George Washington.

Mr. Hatch, champion of the anti-option bill, then started a warfare against the appropriation bill, antagonizing with his measure the postoffice appropriation bill.

The postoffice appropriation bill scored a victory over the anti option bill, the motion to consider the former being carried by more than two-thirds vote.

The postoffice appropriation passed with the special mail facilities appropriation included in it. Mr. Peel, with the Indian appropriation bill, and Mr. Hatch with the anti-option bill then sought recognition. On a rising vote Peel won.

SENATE.

New Senators Sworn In—Washington's Birthday Celebrated.

WASHINGTON, Feb. 22.—In the Senate yesterday the credentials of Wm. Lindsay, as Senator from Kentucky, in the place of Mr. Carlisle, resigned, were presented and read. Then Mr. Lindsay was escorted to the Vice president's desk where he took the oath of office. The credentials of Wm. V. Allen, as Senator from the State of Nebraska, from March 4th next, in the place of Paddock, were presented and placed on file. Consideration of the sundry civil appropriation bill was proceeded with, the pending amendments being those offered by Manderson and Vest, in regard to a site for a government printing office building.

TRAINS IN COLLISION.

Three Persons Killed and Twelve Injured.

PHILADELPHIA, Feb. 22.—The Southern express on the Pennsylvania road, which left Broad street station at 10:20 this morning collided with the Morton, Pa., accommodation train near South station in West Philadelphia. Four cars of the accommodation train were wrecked and three persons killed. Twelve others were injured.

GEORGE A. JENKS.

Mr. Cleveland Names His Attorney General.

PITTSBURG, Feb. 22.—George A. Jenks has received from President Cleveland the official announcement of his appointment as United States Attorney General.

JACKSON, Miss., Feb. 19.—There arrived at the penitentiary on Friday night a young white man whose sentence was to the penitentiary at hard labor for one day. His name is Holliday and he was convicted of arson. Stripes were put on him, and he spent the day washing. He was released last evening.
