WATSON'S TOBACCO BILL

SOME OF THE PROVISIONS THEREIN.

An Interview With Warehouseman Sprinkle, in Which He Expresses the Opinion That the Bill Will Drive Away Business.

The bill introduced in the House at Raleigh by Mr. Watson has just been brought to the attention of tobacco men here, and has awakened considerable interest. The first section of the bill provides:

"That no person, co-partnership or corporation shall run or operate a warehouse in this State for the sale of leaf tobacco either in loose parcels or in packages, after the first day of May, 1893, without having first obtained from the sheriff of the county wherein such warehouse is situated, license to operate the same. That upon application such sheriff shall upon the payment of a license tax of \$1 and a fee of 25 cents issue to the applicant a license to run and operate a tobacco warehouse, for one year, from the first day of May, until the first day of May of the succeeding year. Such license shall be issued annually as above prescribed."

The bill also provides that no combination or association of any kind shall be formed within this State which will "prevent a fair, free and full competition in the purchase of leaf tobacco, or which shall tend to the oppression of bidding for leaf tobacco sold in open market." It further provides that no "association, corporation or co-partnership" shall, in person or by agents, bid for, or purchase, directly or indirectly, tobacco at any warehouse licensed under the provisions of this act, or in any public warehouse opened or operated in this State for the sale of leaf tobacco at auction.

THE CITIZEN this morning asked W. C. Sprinkle, of the Eagle warehouse firm of Sprinkle & Lawson, for his opinion of the bill. He replied that he could not fully understand the purport of the act. "If," he said, "this law as I understand it should be made a law of the United States over night, I might work. But it seems to me that the result which would follow its passage would be the driving out of the State of the largest tobacco buyers and thus the home market. The license fee could be paid by the warehousemen without feeling it, but the other provisions of the bill would, as I have said, drive the largest buyers off the market, and the outcome would be that tobacco now sold on this market would go to Lynchburg, Danville or some other large market outside the State. It makes no material difference to these buyers where they purchase their tobacco.

"I am not fully informed on the entire bill, but it seems to me that its enactment would be a mistake that would cost the home markets dear."

Tobacco men from several of the largest markets in the State held a meeting in Raleigh on February 27, and passed resolutions protesting against the Watson bill.

IN THE Y. M. C. A.

The Fifth Lecture Occurs Tomorrow Evening.

The fifth lecture in the Y. M. C. A. course will be given by Prof. Alderman, of Durham, on "Early Colonial History; or, the Men and Manners of One Hundred Years Ago." Prof. Alderman is engaged in the study of history, particularly of this State, and a lecture filled with matters of interest may be looked for tomorrow evening. Single admission 25 cents.

A new ball for the basket ball games in the Y. M. C. A. gymnasium was received this morning and fun may be expected to begin very soon. After the members have become familiar with the game, which is similar to football, sides will be arranged and hotly contested tournaments follow. The public will soon be invited to witness the sport.

The Y. M. C. A. meeting for young men will take place this evening. Mr. Burnham will have charge. All young men are invited.

CAUGHT OUT.

A Hit of Freedom for Mr. Burrell.

E. C. Burrell, a young white man who lives in the north end of the county, who was under arrest for an infraction of the stock law, made a break for liberty while sitting in the Sheriff's office today. He rushed by Deputy Morgan and out into the corridor. In his bee line run for home he brushed against and nearly upset Deputy F. M. Jones, who was inside the door. Burrell heeled it along towards first base, followed by the deputies and the crowd that always lends a hand. He miscalculated, however, in supposing that he would reach the basement asleep. He was observed in his sprinting exhibition by Janitor William Reynolds, colored, who braced himself, opened his arms and—Burrell did the rest. Burrell had been put out at first, and inside of a minute of the time of his hasty departure he was safe in the sheriff's office.

IT'S DONE NOW.

The Last Block Laid on Depot Street Today.

THE CITIZEN is now to give an item of news that will be pleasing to every citizen of Asheville. The last block of stone was laid on Depot street today, completing the street from Patton avenue to the southwestern end of the Glen Rock hotel. The work was delayed a long time during the winter, but it is now complete and open the entire length of the street. The work has been done under the efficient superintendence of Inspector J. A. Murdoch.

An "Able Bug Hunter."

The New York World of Monday says: "C. V. Riley, who is to succeed Willis as Assistant Secretary of Agriculture, is a famous entomologist, or, as Secretary Rusk once said of him, 'a very able bug hunter.' He proved to Western sportsmen long ago that a diet of grasshoppers with or without wild honey could be made very palatable, and he once assured a Congressional committee that he knew enough about chemistry to produce a fine grade of syrup from old trousers."

Prof. Riley spent several days in Asheville about a month ago.

LAST HOUSE.

Congress Expiring Amid Much Noise and Some Work.

WASHINGTON, March 2.—After three ineffectual attempts to get an executive session yesterday the Republicans were successful, the understanding being that nothing of a disputed character could be considered. An effort to reconsider the vote by which the nomination of John V. L. Findley of Maryland, to be Chief Justice, was rejected, was made, but failed. The tacit agreement regarding disputed nominations did not prevent preliminary steps being taken on the Benton Hancock nomination. As soon as executive session began the nomination was referred to the judiciary committee and before it ended the committee held a meeting on the floor and reported it favorably by a strict party vote.

WASHINGTON, March 2.—Beyond an unusually large audience in the galleries and a great noise, there was nothing in the House today indicating that the fifty-second Congress was in its expiring hours. The House was waiting for the Senate to act upon the appropriation bill. Later, the House took up the President's veto of the Alabama court bill, and passed the bill over the veto. The House then began considering the House conference report on the sundry civil bill. The Senate promptly resumed consideration of the postoffice appropriation bill, and passed it, after which the Indian appropriation bill was taken up. It is probable that the deficiency bill will be taken up next and in that event Hill has given notice that he will ask the Senate to remain in session tonight to act on the bridge bill.

KILL THE CUR DOGS.

Chicago's Canine Law is Defective, It Appears.

CHICAGO, March 2.—Two mad dogs were the cause of much excitement in the northwestern portion of the city yesterday afternoon and evening, and before the police had succeeded in killing the brutes they had bitten five persons, in each case inflicting severe injuries. The victims were Michael Bonath, right leg lacerated; Willie Kennedy, six years old, portion of left cheek torn away; Milton Davidson, bitten on left thigh; Mrs. Gauda Anderson, upper right arm frightfully lacerated; Ernest Jespersen, three fingers on right hand almost torn off. Mrs. Anderson and Jespersen were also bitten last evening by a large New Foundland dog owned by the former. Mrs. Anderson was attacked while at work in her kitchen and Jespersen was bitten while receiving her from the dog's clutches.

FROM CLEVELAND.

He Congratulates Young Democrats in a Republican State.

PORTLAND, Me., March 2.—The following letter from President-elect Cleveland was read at the annual banquet of the Young Men's Democratic club last night.

"Your kind letter is received. I am gratified to think you have remembered me. No one appreciates more fully than I do the stalwart services and earnest endeavors of the Democracy of the Pine Tree State, and while I hardly expect to see your State in the Democrat column this year, I am much gratified to see the substantial work you made. Please extend to the members of your club my heartiest congratulations upon the creditable part which they have taken in bringing about the recent Democratic victory, and my sincerest hope that the occasion you contemplate may be one of rare interest and enthusiasm."

A HYANS CAT.

It Lost Its Head Thirteen Days Ago and is Still Alive.

HENDERSONVILLE, N. C., Feb. 25.—A cat that has lived thirteen days without a head is owned by Samuel Thorne, of this place, an amateur physiologist, who, annoyed by the animal's nocturnal visits, sought to kill it by cutting off its head, but finding that it still breathed five hours after the decapitation, scared the arteries and bound them up, then, opening a stomach, he inserted a silver tube, through which he administers liquid food to it. The cat seems to suffer no pain, but arches itself and purrs like a contented animal. There seems no reason to believe that it will not live out its nine lives to a good old age.—Philadelphia Times.

SPECIAL MEETING.

The Board of Aldermen and the New Police.

A special meeting of the Board of Aldermen was held yesterday, with all the members present except Mr. Gudge. Mr. Waddell presided. On motion of Mr. Starnes permission was given Receiver Maddux to place larger poles on South and North Main streets and Patton avenue, for the carrying of the light and power wires of the Asheville Street Railway company, and to remove the smaller poles heretofore in use. Mr. Maddux is to replace the sidewalk in as good condition as it was found, and the work is to be done under the direction of Inspector Murray.

Big Wheel Elevator Burned.

REDWOOD FALLS, Minn., March 2.—The immense elevator of the G. W. Vandusen elevator company was totally destroyed by fire. It contained 72,000 bushels of wheat and 5,000 bushels of flax. The total loss is \$30,000, partially covered by insurance.

Fifty Families Homeless.

BERGEN POINT, N. J., March 2.—Fire at Constable Hook at 2:30 this morning destroyed seven buildings and rendered 50 families homeless. The inmates barely had time to escape in their night clothes. The loss is estimated at between \$50,000 and \$60,000.

R. R. Ticket Dealers Rejoice.

RALEIGH, N. C., March 2.—[Special.]—The law against dealing in railroad tickets in North Carolina has been repealed, with hardly any opposition in either House of the Legislature.

Theatre and Guns Burned.

ANDERSON, Ind., March 2.—The Olympic theatre burned last evening; loss \$30,000. The theatre was used as an armory of the Columbia Rifles, which loses all its guns.

THE PEOPLE'S OWN MAN

GROVER CLEVELAND STARTS FOR WASHINGTON.

A Great Crowd at Lakewood to See the Party Off—Mrs Cleveland Led the Way to the Car—No Speech.

LAKEWOOD, N. J., March 2.—All Lakewood turned out today to see President-elect Grover Cleveland and party off for Washington. The day was bright with sunshine and the big crowd that came down to the station to wave farewell to the family which has been among them two seasons were gay with bright raiment. Fully 2,000 people were at the station. Half the number were ladies and they were more interested in seeing Mrs. Cleveland and Baby Ruth than the President elect.

It was just 11:45 a. m. when the special train arrived from New York. Mr. and Mrs. Cleveland, Baby Ruth and nurse started from the "little white house" at 12 o'clock. They rode to the depot in a bus. Mrs. Cleveland wore a dark blue wool dress with a light fitting astrakhan jacket and black felt hat. It was with difficulty that the party alighted, so close did the crowd press.

On the station platform Mrs. Cleveland led the way to the train and the others followed with Mr. Cleveland last. He was cheered from the moment he alighted from the carriage until he was on the train. Everyone in the front ranks of the crowd shook hands with him, as he slowly made his way across the platform. When he mounted the steps of the car there were more cheers and shouts for a speech. Mr. Cleveland stood for a moment with his hat in his hand bowing to the crowd and then entered the "Oriental," to which the others had preceded him.

The train moved out of the station on its way to Washington, at 12:15 p. m. A partying cheer went up from the crowd. A score of camera fiends raised the buttons of their cameras and the rest of the Washington trip was begun.

LEXINGTON, Ky., March 1.—Dolly Johnson, the colored Lexington cook who presided over the kitchen of the White House during the first seven months of President Harrison's administration, has accepted the same position under the administration that will take charge of the White House the 4th of March.

FREE TRADE.

The Canadians Do Not Want It Just Yet.

OTTAWA, Ont., March 2.—The debate on the budget continued until 2:30 yesterday morning, when a vote was taken on Sir Richard Cartwright's amendment declaring for an immediate revision of the tariff in favor of freer trade. The amendment was defeated by a vote of 126 to 74, a majority for the government of 52. When the House had gone into ways and means to consider the tariff changes proposed by Minister Foster, Balfour McCarty introduced an amendment providing that binding twine should be placed on the free list. The amendment was rejected on a party vote, 49 for to 78 against. David submitted another amendment proposing a material reduction of the duty upon barbed wire, cotton and agricultural implements, but was ruled out of order.

AN OYSTER WAR.

The Virginia Police Boat Division Out of the Fight.

CRISFIELD, Md., March 2.—A battle took place last night between the dredgers and the Virginia police schooner. About 9 o'clock Crisfield was startled by hearing the heavy boom of cannon and the reports of rifles. The dredgers were doing effective work in the Tangier sound, when Captain David submitted another amendment proposing a material reduction of the duty upon barbed wire, cotton and agricultural implements, but was ruled out of order.

Negroes Become Obnoxious.

GUTHRIE, I. T., March 2.—The negroes lately imported from the South are again becoming obnoxious. Trouble is brewing between them and the whites at several places. At Lexington the negroes were ordered to get out of town, and in several localities in Kingsfisher county vigilance committees ordered them to leave. Governor Gray has been applied to and will give them protection.

Spicers Want Free Coinage.

LONDON, Feb. 27.—At a meeting of cotton operatives in Oldham today a resolution was adopted calling upon the government to endeavor to secure an international agreement, upon the re-assembly of the Brussels conference, to the effect that all the mints of the world be open to the unrestricted coinage of gold and silver.

The Elect.

WASHINGTON, March 1.—There are apparently to be more Presbyterians in the next administration than in this. President Cleveland, Vice-President Stevenson, Judge Gresham and Col. Lamont are all known to attend the Presbyterian church. Mr. Hoke Smith is a member, an officer and superintendent of the First Presbyterian church of Atlanta.

CONDENSED TELEGRAMS.

The manager of Paris Figaro has been summoned before the correctional tribunal on a charge of having published documents disclosing the evidence elicited and the secret examination by M. Franqueville, examining magistrate.

Geo. Kennan, the well known Siberian lecturer, who has been ill for three weeks at his home in Washington of typho-malarial fever, is now convalescent.

The Atlanta Evening Journal announced that Hoke Smith has disposed of a portion of his stock in that paper to the employees.

No news has yet been received of the delayed White Star line freight steamer Naronic.

The Berkshire flour mill, Bridgeport, Conn., burned this morning. Loss \$40,000.

GRANT'S PHARMACY.

WHEREAS 'tis known beyond a question that headache, bile and indigestion have formed a pact of treason to haunt the gay and festive board throughout this gladtime season; now, therefore, be it understood that all such direful ills can be defied and cured for good by using Buncombe Pills—40 pills for 15 cents. Grant's.

We do not hesitate to say that our Syrup of Tar and Wild Cherry is the best cough syrup ever sold in Asheville. We have sold over one thousand bottles of it and the demand for it has constantly increased ever since we placed it on the market. As it is pleasant to take, children do not object to it and it always gives relief. Try it; 25 cents per bottle at Grant's Pharmacy.

Campo Glycerine Lotion is a soothing and fragrant application for chapped hands, face, lips, etc. Not greasy or disagreeable in any way. For sale only at Grant's Pharmacy.

It cleanses the teeth, strengthens the gums and imparts fragrance to the breath. Va Va Tooth Wash at Grant's.

We can refer you to many reliable people in our own city who believe Buncombe Sarsaparilla is the best blood purifier they ever used. Why use other and more expensive preparations when a home product is better and cheaper? Grant's.

Do you shave yourself or does a barber do it for you? In either case, if you use our imported bay rum your face will always remain smooth and free from any irritation or redness. 50c bottles at Grant's.

Absolutely Pure Witch Hazel, in attractive Pint bottles, 25 cents. Grant's.

Do not suffer with headache when you know that Antimigrane will relieve you entirely. It is a harmless but sure remedy. For sale at Grant's.

Buncombe Plasters—a higher grade porous plaster than the public has hitherto known. Try one. 15 cents at Grant's.

St. Elizabeth's Salve cures all skin diseases. It is superior to all known remedies for the cure of pimples or any skin eruption. Positively guaranteed to cure or money refunded. For sale at Grant's Pharmacy, 24 South Main street.

Apply the salve to the parts affected by rubbing in thoroughly with the finger every other night before retiring and you will get rid of those disagreeable pimples or any skin eruption that may be troubling you. St. Elizabeth's salve is for sale only at Grant's.
