

ONE DAY'S LOCAL NEWS

HAPPENINGS OF THE PAST TWENTY-FOUR HOURS.

Stamp Clerk H. X. Dwire Dies This Morning—North Main Paving Brick—Death of Lou Brown in Buffalo, N. Y.

H. X. Dwire, cashier and stamp clerk in Collector Rollins' office, died at his room in the Grand Central hotel this morning at 4 o'clock. Mr. Dwire had been suffering from an abscess on the liver, and about a month ago was compelled to leave his office and put himself in the care of a physician. A few days ago he was better, and there was a hope of his recovery. His ailment took an unfavorable turn, however, and death speedily followed.

Henry Xenophon Dwire was born about 65 years ago in Davidson county, in the old "Tennessee settlement." In early life he taught school, and when the war opened he entered the Confederate army, in which service he was quartermaster. He leaves two sons, George and Henry, and one daughter, Miss Annie, all of whom were with him when he died.

Mr. Dwire had been in the revenue service for the past 20 years. In 1881 he held the chief clerkship under Geo. B. Everett. When the collector's office was removed to Asheville Mr. Dwire came here, and has remained here ever since. He was a good and true man in every sense of the word—honest, upright, and of noble impulses. His was a gentle and kind nature, and he was always ready and willing to assist in any possible way. Collector Rollins told THE CITIZEN today that Mr. Dwire was one of the best men he has ever known.

The remains of Mr. Dwire were taken today to Winston, his old home, accompanied by the grief-stricken children and a committee of Knights Templar, of which fraternity the deceased was an honored member. The Asheville Knights Templar escorted the remains to the depot in a body.

Since the beginning of Mr. Dwire's illness F. T. Walsler has been filling his position in the collector's office and will continue to do so.

NORTH MAIN PAVING.

It Can Begin Whenever the Railway Company Does Its Work.

The Robbins Paving Brick company, which is furnishing the brick for North Main street, sent to Asheville yesterday three car loads of pavers that had evidently been used for several months on some other city's streets. The wagons of Webb, Oates, Eskridge & Co. began hauling the brick up town, and had several leads on North Main before the eagle eye of Inspector Murray noticed them. The inspector at once told the contractors that if they cared to do so they might continue the hauling of the brick but they could never be put down in paving, and the firm would be put to the extra expense of hauling. No more of the objectionable pavers were hauled.

The contractors tell THE CITIZEN that they are ready to go to work on North Main near Chestnut, as soon as the street railway company will give its track in proper condition and place it in the middle of the street. The company has not yet begun this work.

SHOT INTO THE CROWD.

And Two Bullets Struck Moses Freeman in the Back.

Last night a number of white men visited a respectable home in Sevier block, and having several drinks aboard set in for some fun. The crowd began teasing Pink Young, who had dropped in from Cripple Creek. This was objected to very much by Young, and when the crowd came out of the house and kept up the tantalizing in the yard, Young warned them that he would pretty soon hurt somebody.

The warning had no effect, and Young pulled a pistol and fired several shots into the crowd. Two of the shots struck a living target, and these included themselves in the back of Moses Freeman, a visitor from Madison county. The pistol was a 32-caliber weapon.

Young was arrested by Patrolmen Noland and Glenn, and is in the city jail, awaiting the result of Freeman's wounds. Freeman is in a hospital on McDowell street, attended by Dr. E. C. Starnes. The wounds are serious.

LOU BROWN DEAD.

His Death Occurs at His Home in Buffalo.

Manager Knizenga, of the Lou Brown clothing house, received a telegram today from Mrs. Lou Brown, stating that her husband died at his home in Buffalo, N. Y., this morning.

Mr. Brown came to Asheville a few months ago from Michigan, although he was originally from New York State. He was suffering with consumption when he came here, and hoped to find relief from his malady, if not a cure. He made many friends here, and all will regret to hear of his death. He was about 28 years of age, and leaves a wife and one child.

Mr. Brown's South Main street store will be closed until Saturday out of respect to the memory of the deceased.

HUNTED HUNTER.

And The Result Is, Hunter Now Languishes in Jail.

Reagan Hunter, white, who is wanted for sundry violations of the internal revenue laws in and about the Newfound neighborhood, this county, is now in Asheville jail. Hunter was captured by Deputy Sheriff J. H. Hampton and F. M. Jones, after a lively race, and despite the fact that he wore two pistols and swore he would never be taken alive. Twenty-five gallons of Hunter's whiskey were also captured.

Hunter will have a hearing before U. S. Commissioner Sumner at noon to-morrow.

Madison's Murder List.

The Gazette prints a list of murder cases tried or to be tried at Madison court, and says the taxpayers of that county are "growing to think of the expense these trials will put the county to. The seventh case in the list reads: "Lewellyn killed Broocks." Inasmuch as the killing of Broocks occurred in Buncombe, as the inquest was held by Buncombe's coroner, Dr. McBrayer, and as two Lewellyns are now in Buncombe jail awaiting trial, it would seem to be in order for the "taxpayers" to save themselves so much of the "groaning" as was caused by this case.

MEETING LAST EVENING.

The Aldermen Requested to Invite the Waldenses.

A number of citizens of Asheville met in the court house last evening, pursuant to a call, to take action with regard to the anticipated visit of the Waldenses committee. Geo. S. Powell was chosen chairman and Will Aiken secretary.

Capt. Matt Atkinson introduced the following resolution:

"That the Board of Aldermen be requested to appoint a committee whose duty it shall be to invite the Waldenses committee to come to Asheville, to ascertain when the committee will come, to tender the hospitalities of Asheville to them, and to show them the advantages Western North Carolina offers." The resolution was adopted.

At the suggestion of Capt. Atkinson W. F. Pennington was appointed a member of the committee, appointing some time ago to issue an address to the people looking to the securing of better railroad facilities for Asheville. Mr. Pennington to take the place of Capt. M. I. Fagg, who is out of the city.

This resolution was offered by N. P. Chedester, and adopted.

That this meeting request the Richmond and Danville railroad company to increase the facilities for travel from the East to Asheville.

The Child of this city tells THE CITIZEN that the Waldenses committee is expected at Morganton the latter part of this week or the first of next, for the purpose of inspecting the properties of a Morganton trolley company, in Burke and McDowell counties.

A BOILER LET GO.

One Man Killed and Four More Expected to Die.

Yesterday morning about 6 o'clock, at Forest City, Rutherford county, a boiler in the Hayes & Farmer cotton factory exploded with terrific results. Harney Harrell was killed instantly, while six other workmen were wounded, four of whom it is feared, will die. The engine house was demolished.

Harrell, the dead man, was a nephew of D. D. Suttle of Asheville.

The Eagle is one of the largest and best warehouses in the State, with a capacity of 50,000 pounds a day.

Our motto: Polite and courteous treatment to all, highest market prices and prompt returns. Give us a trial.

SPRINKLE & LAWSON, Proprietors.

P. M. HUDGINS, Bookkeeper.

CAPT. J. M. SMITH, Floor Manager.

HARRIS' LITHIA WATER.

HARRIS' LITHIA SPRINGS, S. C.

After a long and varied experience in the use of Mineral Waters from many sources, both foreign and domestic, I am fully persuaded that the Harris' Lithia Water possesses efficacy in the treatment of affections of the Kidney and Bladder unacquainted by any other Water of which I have had trial.

This opinion is based upon observation of its effects upon my patients for the past three years, during which time I have prescribed it freely and almost uniformly with benefit in the most obstinate cases above mentioned.

When failure to relieve has occurred, I have imputed it to insufficient use of the Water, for my experience teaches me that from one to two quarts daily should be taken from two to four weeks, to secure its full remedial effects.

A. N. TALLEY, M. D. Camden, Jan. 9, 1892.

J. T. Harris, Esq., Waterloo, S. C.: Dear Sir:—I find great benefit from the use of your Lithia Water. I consider it a tonic and general regulator of the digestion, as well as very efficacious in those diseases for which Lithia is considered somewhat of a specific.

JUDGE J. B. KERSHAW

My wife has been using your Lithia Water and is very much benefited. I consider it in every respect equal to the famous Buffalo Lithia Water.

JUDGE J. S. COTHRAN.
