CHICAGO, April 29 .- The gates of the World's Fair city were opened wide this morning to receive the advance guard of distinguished visitors who, on Monday mext, will dignify by their presence the formal opening of the World's Columbian Exposition.

The reception committee met the train bearing the Duke De Veragua and party at the Grand Crossing, which the train reached shortly after 9 o'clock. Here a stop was made to enable the committee to get aboard. The meeting was entirely informal. The train reached the Inion depot at 10:30. A large crowd had assembled and a rousing cheer was given as the train stopped. When the ducal party alighted, President Palmer formally welcomed the Duke to the World's Fair and to Chicago. The Duke in a few words expressed the honor. pleasure and gratification it gave him to find himself within the borders of a city with the greatness of which, to a certain extent, he was to become familiar. A procession was then formed and the ducal party escorted to the Audi MEANING THE MUNICIPAL
