J. L. Owens.

Is crowded day and night-every department rushing, from West College street to Patton avenue, from basement to third floor; a perfect jam; business 50 per cent in advance of any season we ever had in Asheville. The public has discovered the superlative quality of our goods, our improved methods of business our every effort to please, our talented assistants, our immense stock and our low prices; they have discovered also that anything comes from Minnaugh's has the stamp of style about it. Off styles are as much avoided as bad debts in this estab-

lishment. Our Dressmaking Department is already a success. Worth, the renowned dressmaker of today, would be ealous were he to see some of the lovely gowns turned out by our modiste, Miss Haupt.

Our Millinery are styles exclusively our own. We have shapes and colorings, you cannot find anywhere South. No more complete department to be found anywhere. Miss Driver is not only a trimmer of talent but a designer. Nearly everybody prefers her hats to the French patterns. Our prices range for nice goods from \$5 to \$40.

Our Dry Goods and Notions are the largest and finest collection in North Carolina. No bombast: we can prove every word of it "Tis known in business circles in New York we buy the finest goods South except Atlanta and New Orleans More fine stuff here than this town can

show collectively. Our Kid Gloves, new Parasols and Sunshades, new Dress Goods and Trimmings, Silk and Laundered Shirt Waists and new Eaton Suits will command a great deal of attraction this week.

Our Special Sale of Silks will surprise everybody Mouday; 33 inches wide, beautiful designs; our price will be 80 cents as long as tney last. Respectfully,

F. P. MIMNAUGH.
