Large Attendance at The Presbyterian Assembly in Washington-A Flurry Quieted by The Moderator—The Elders Talk.

WASHINGTON, May 25.-The largest attendance so far in the history of the Fifteenth General Assembly of the Presbyterian church was present at the prayer meeting with which today's proceedings were ushered. Rev. Mr. All of Chattanooga presided. Moderator Craig announced that at the request of Rev. S. J. Nicols, D. D., of St. Louis and Elder Cyrus L. Pershing, he had replaced them on the judicial commission to try complaints of J. J. McCook and others against the synod of New York, by the appointment of Rev. W. R. Reynolds of

Minnesota and Elder Law of California. Upon formal motion to approve the minutes of yesterday a flurry of last night over the form of question to be voted upon at close of four hours' debate by the judiciatory, was renewed. The Moderator reviewed the proceedings last night upon this matter and stated that at the close of the debate he would entertain a motion to amend the form of question, the motion to be voted upon without further debate. This was satwithout further debate. This was satisfactory to all parties and the Moderator gave the floor to elder Ketchum.

He favored sending the case of Prof. Briggs back to synod, and said at the end of the debate he would offer a resolution to that effect. He had not one particle of sympathy with his friend Dr. Briggs. He wanted it understood that he believed in the old fashioned doctrine, a strict interpretation of the bible without rising above the mysteries in it. out rising above the mysteries in it. But he believed Dr. Briggs had certain rights which should be respected.
