THE SHERMAN LAW

The New York Sun's financial writer. for the present losses by bad specula-tion, for the unwise investments made French Broad.

the exports of gold. perhaps a sound one. But the chief basis for arraignment of the Sherman law is that it has tended to destroy confidence, While in this valley and along Boyles. thus making money "tight" and hard to ton creek, I heard the people commenting on Mr Vanderbilt's purchase of the get, even on the best of securities. If the alphabet itself, were in the public pillory for the offences charged against the ing from the rishing excursion the Sherman law its repeal, so far as it could be repealed, would be demanded at once. The great mass of the people are ple speak of Mr Vanderbilt as a sociable here for business-a living-and anything and pleasant young man. that clashes with that end and cannot for the general good, may be sacrificed at critical times. We are justined, if a then by the danger may be averted.

A FEATURE OF THE BORDEN South and west are magnific at.

A leature of the Borden case that we have not yet seen commented on is that concerned, not so much in securing a granite jail 10 months, a speedy trial being denied her, and in that time it must be this town. conceded that the prosecution had full opportunity to investigate every point is a hopeful sign. Fowland Howard. against her and decide whether it was

worth while to bring her to trial. E That they did not make such investigation-or, if they did, that they suppressed the evidence so secured-is easily was lying when she said she was in the had pienty of rain. Borden barn at about the moment, and for some moments after, when her father was killed, a police officer swearing that the dust in the barn loft was not disturbed. But the evidence of the prosecution fell away to nothing at this paret. who were in the barn loft and saw that the dust had been disturbed therein, and credible witness to the effect that he saw a woman coming from the Borden barn at about the moment that Lizzic Border said she came, and that that xoman was not Bridget Sullivan, the only other woman about the premises and whom witness knew well by sight, and there fore must, in all probability, have been

Lizzie Borden Now was the State bound in its search after the truth, bound in all tairness toward a woman suspected of murder. to hunt out such testimony, at its call in Fall River as readily as at the call of the defense and give it due consideration If it had done so with relation to all the strong points against Lizzie Borden as well as in relation to the one we have mentioned, there would not have been atrial at all; Lizzie Borden would have been set free mouths ago. We know this because the State failed to convict Lizzie Borden, and the reason for its fail-they can care you. ure was because evidence clearly acquit ting her was brought forward by he lawyers-evidence as easily secured months ago by the State, as later, by the defense.

There is another view of this: Suppose the prosecution takes the position that the State is at no time bound to present more than the evidence against the ac cused; that so far as the evidence in favo of the accused is concerned it is the business of the defense and of no one else to bring it out; suppose the defense fails to ascertain that this acquitting testimony is in existence-has not the prosecuting officer committed a great crime if cuting officer committed a great crime if Sulphur Springs at 10 a m resuming the accused is found guilty because of a regular schedule again by leaving depot tack of the introduction of this testi-

THE SHIERMAN ACT

Go Quickly

From the New York Sun In this section of the country the Sher-I found a committee of business men man act has been set up for a scapegoat, engaged in having streets and lots laid and its repeal is demanded as a sacrifice off as if they mean to "boom" that town which will at once restore confidence and in the near future. The place was granted prevent further bankruptens. To the Bakersville News.

Then all men who would vote for high license are wicked? For shame! to show such narrowness.

If Great Britain desires to save the remnant of her navy still above water, she had better go to fighting. In her case a cottage on her little mountain farm, where she is spending the summer.

erty, and others, and no one should be surprised if Black Mountain becomes a growing town in the near future. Charlie Vance's new cottage has been complete, and T.K. Brown's residence, just across. Flat Creek is soon to be finished. Out a little ways, near Lakey's Gap, at Rivers head park, Mrs. M. T. Fitch has creeted a cottage on her little mountain farm, where she is spending the summer. she had better go to fighting. In her case peace has her tragedies even more disast trous than those of war, and in no manner glorious. To drown sailors, presumably brave, like rats in a box is not the thing for a great nation to do.

We know that some farmers have done much better than others, but we always loss with suspicion on the man who declares that farming pays nowadays simply because we know he is a har.—Progressive Farmer.

This paragraph well illustrates the receptivity of the Third party mind for truth. If you know farmers who are making money and tell the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har who are making money and tell the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har. How many times would the editor of the Progressive Farmer so, then you are a har who are truthed to the progressive Farmer so, then you are a har who are truthed section of the progressive Farmer so, then you are a har who are truthed section of the progressive Farmer so, then you are a har who are station, the station, the station the station, the station the station, the station the station, the station to the station to the station, the station the station to the station to the station the station, the station of the station, the station the station to the station that the numerous deficition to decide the the three trips and an always of the transfer of

West for the Summer.

Many of our readers will go to the World's Fair this Summer. While in the West, why not visit some of its leading resorts—see the Yellowstone, the Yosemite, the Grand Canon of the Colorado, Hot Springs, S. D. Helena, Mont., or take a trip to Alaska, the Great Salt Lake, or go to Bauff, visit the resorts of Lake Minnetonka, Minn., Excelsior Springs, Mo., Coforado Springs, Pike's Peak and Maniton, the California mountain summer resorts, picturesque Mackinac and the various Michigan resorts, or the Lake resorts of Wisconsin? We will gladly send you full printed information in regard to these resorts or any others, with the ways of reaching them via any point, and help you to lay out any tour or route you may think or taking. Write, asking for what you want. By special arrangement with the Recreation Department of The Christian Union, New York, Address
