A Quorum Present After Missing Three Meetings—Alderman Westall Elected Mayor Pro Tem—Damages Wanted on South Main.

Last night for the first time in many months, the Joint Board and the Board of Aldermen were convened in regular session at night. Two lamps stood upon the desk, shedding a good light thereon, but outside of the circle of light the dozen of spectators could scarcely be distinguished. It was a month since the Boards had held a meeting, but they soon fell into the routine. There were present Aldermen Cosby, J. M. Gudger, Jones and Westall; Advisors Gwyn, Sawyer and Redwood.

The question, brought up by J. H. Tucker, esq., of extending the College street rubble paving as far out as the east corner of the Baptist church lot was referred to the finance committee.

Reports of assessments against property owners for street paving and sidewalk walks in various portions of the city were sent in by City Engineer Lee and adopted.

A considerable discussion ensued when the question of a final settlement with Webb, Oates, Ishbridge & Co., for the saving of Patton avenue, arose. Alderman Westall moved a proposition be made the contractors to pay them as a final payment the amount due less \$300, that amount being deducted because of defective material. This motion was voted down. Then on motion of Advisor Redwood \$300 was ordered withheld from the amount due the contractors until the matter could be settled satisfactorily.

These bills were approved and ordered paid: J. C. Brown, \$1; Carolina Coal Co., \$45; B. M. Lee, \$150.50; S. G. Bouis, \$42.65; Buncombe Brick and Tile Co., \$84; H. M. Smith, \$293.94; J. V. Sevier, \$1.50; Clerk Harville, \$4; W. B. Brown, \$1; Brown, Norton & Co., \$5.70; street payroll, \$184.73; Chambers & Weaver, \$4.

Mrs. Sara Keith, who now owns the Col. J. Martin property, was permitted to put in a sewer from curve street to Valley, the agreement being that whenever the city allows other property owners to connect with the sewer Mrs. Keith is to be repaid the cost of the line.

The Aldermen.

When the Board of Aldermen met J. H. Tucker, esq., asked that \$25 insurance license tax paid by T. W. Postell be refunded. Referred to the finance committee. Mr. Tucker also presented a bill of some \$217 from F. N. Carrington, who wanted to be reimbursed to that extent for the watermelons recently condemned by the Board. His bill was disallowed and a suit may follow.

The city tax list was formally turned over to the collector.

The fire committee made report of the annual inspection of the fire department, saying good words for the firemen and recommending the purchase of needed equipments. Adopted.

The election of school committee member (or committee woman) to take the place given to and declined by A. Rankin was deferred.

The settlement with ex-Tax Collector N. A. Reynolds was referred to the finance committee.

On motion of Mr. Jones, Mr. Westall was elected mayor pro tem, to take Mayor Patton's place during the latter's absence.

Waterworks Superintendent Murray was granted 10 days' leave of absence.

The Mayor and Aldermen, having passed the first quarter of their terms, were paid their salaries for the third quarter.

A letter was read from Mrs. S. E. Buchanan, regarding what she considered damage to her property on South Main street by widening the street. She placed the damages at \$20,000, \$10,000, and the letter went to the street committee.

Dr. Karl von Ruek wrote to ask a reduction in his water rents, and a water meter was recommended to him.

Walter Hatch was given use of the old fire house on Market street as a smithy for one year, on condition that he will put on it a new corrugated iron roof.

F. N. Rogers was elected a member of Hose company No. 1.

Bills paid: J. H. McDowell, \$6.40; T. W. Patton, \$2; S. R. Chester, \$19.75; J. M. Alexander, \$3.33; Brown, Northrup & Co., \$1.12; J. B. Prady, \$29.30; Telephone exchange, \$12; water department, \$46.96; sanitary department, east district, \$35.12; west district, \$33.65; H. T. Estabrook, \$2.49; Mrs. Inman, \$55.62; T. Wilfong, \$7.87; fire department, \$3.25; J. H. Boardman, \$9.90; W. M. Hill, \$4; street department, \$16.50. At 11 o'clock the Board adjourned.

COMPLEMENTARY GERMAN.

Brilliant Event at the Battery Park Last Evening

The complimentary german at the Battery Park hotel last evening, given in honor of Miss Blanche O'Scale of Columbia and Miss Nina Warren of Savannah, was one of the most brilliant occurrences of the season at this resort. The ball room was prettily decorated, the dancers were handsomely costumed, and the 200 or 300 society people in attendance enjoyed the evening to the utmost. The german was led by Bradley J. Saunders with Miss O'Scale and by Wm. W. Davies with Miss Warren.

The chaperones last evening were: Mrs. R. M. Butler, Savannah; Mrs. Col. Frank Cox, Philadelphia; Mrs. Governor Richardson, South Carolina; Mrs. General Mahone, Virginia; Mrs. S. P. Child, Raleigh; Mrs. Scott, Annapolis; Mrs. E. P. Waring, Charleston; Mrs. Dr. Battle, Asheville; Mrs. J. O. Matthews, Augusta; Mrs. David Jamison, New Orleans; and Mrs. Col. W. A. Metts, South Carolina.

Motion for Receiver.

The hearing of the motion by W. B. Gwyn and others for receiver of the Asheville Park and Hotel company was resumed before Judge Armfield in the Superior court this morning. Additional affidavits to those offered yesterday were read from F. Kingsbury Curtis, W. T. Pennington and S. W. Battle of the defendants, and one from W. B. Gwyn for the motion. Judge J. H. Merrimon and W. W. Jones, esq., argued the case of the plaintiffs and M. E. Carter, esq., appeared for the directors.

A Man Held to Court on a Charge of Stealing It.

This morning a warrant was sworn out by S. H. Chester, of the firm of S. R. Chester & Son, before Justice Frank Carter for the arrest of Jim West, white, on a charge of stealing a bushel of meal from this firm. The warrant was placed in Deputy Sheriff J. M. Morgan's hands for execution, who found and arrested West on Poplar street. West was brought before Justice Carter and upon examination was held to Criminal court in a bond of \$200.

The deputy and the prisoner then started out to look for a bondsman. When they got in court square near the steps of the court house West stopped and, Deputy Morgan says, uttered threats against the officer and the prosecutors. The deputy turned to speak to a bystander about West's bond, and the latter kept on with his remarks, until the deputy asked him to stop. For reply West struck the officer in the forehead with his fist, and the officer in turn caught West and forced him to the ground. At this point Dr. S. W. Battle, Capt. M. J. Fagg and several others came up and the officer was pulled off West. As the officer was pulled off, West gave him a blow on the temple which raised a welt. Sheriff Brookshire went into the crowd and secured West and he was taken to jail. Dr. Battle explained that he wished to stop what he thought was a fight, and did not know that Mr. Morgan was an officer.

ON LABOR DAY.

There should be a Large Crowd at Carrier's Monday.

Monday is the day set for the Labor day athletics, arranged by the Blumore Stonecutters' association for the benefit of the Mission hospital. Those of Asheville's people who witnessed the sports at Waynesville on the occasion of the stonecutters' picnic will feel sure that these sports will be a decided success. The events will begin promptly at 1 o'clock Monday afternoon at Carrier's track and will follow each other in rapid succession to the pleasing of the spectators. Features of the day will be the game of baseball between the Blumore Men and Blumore teams, and the race between Arthur M. Field on a bicycle and Frank O'Donnell's horse.

Geo. W. Bunting, Geo. Henderson and I. W. Sinder will be the judges in the bicycle races; referee, L. P. Kerr; starter, Clarence Sawyer; timekeeper, Dr. Rollings.

The object of the sport is a most worthy one, and this fact should insure a very large attendance.

FROM HOT SPRINGS.

The Season Drawing to a Close—Some Personal.

HOT SPRINGS, N. C., Sept. 1.—The first of September finds the Mountain Park hotel in its pristine glory, still the rendezvous of the pleasure seekers. The beautiful Indian summer is casting its shadows already before us, and the beautiful park around the hotel is donning its fall garments, making the months of September and October so intensely interesting in these regions.

The Mountain Park hotel is still receiving a number of guests, but the rush seems to be over for the present at least. The departure of Col. Van Benthusen and his lovely daughter, Miss Eleanor of Columbia, S. C., who have been spending July and August at the Mountain Park hotel, is much regretted. In another week, Prof. Dietrich, the leading musician of the orchestra, will take a two month's vacation for a trip to the fatherland, while Miss Mary E. Millard, the accomplished pianist and violinist, proposes to spend that time at her home, Hartford, Ct. To both of these accomplished and ever obliging musicians, the many guests of the Mountain Park express their great sense of obligations, but say only "An revoir."

WILL GIVE TENTS.

The Homeless South Carolinians Must Have Shelter.

WASHINGTON, Sept. 2.—Senator Butler, South Carolina, had an interview with Secretary Lamont this morning with regard to securing army tents for the homeless people at Fort Royal, Beaufort and other places in South Carolina whose houses were swept away by wind and water. Col. Lamont said he would do all in his power to give necessary relief. As soon as Senator Butler can ascertain the number of tents needed the Quartermaster General of the army will comply with his request.

The government dry dock and naval station at Fort Royal was greatly damaged by the storm. It is estimated that in months will be consumed in making repairs.

WILL WIN OR BURN!

BIRMINGHAM, N. C., Sept. 2.—[Special]—"Brags" a good dog, we've often heard tell; but Hold Fast is better, and that is known well. It's easy to puff up, and talk is quite cheap, but it's the truest laugh who tops off the heap. Now, speaking of baseball, we're going to play with a crowd of your townsmen and win if we may; but, mind you, no bragging, though we'll do our best, and, if we're defeated, take a red in our vest. We're ready and waiting to stir up a dust, and once the game's started we'll win or burn.

GLAD TO GET BACK.

Rev. J. L. White, pastor of the First Baptist church, has returned from his two weeks' vacation spent in Baltimore and Ocean Grove. He says he is glad to escape from the stormy districts to the delightful climate of Asheville. Mr. White is welcomed home by his large congregation and his friends. He will preach tomorrow morning on "The Storm and the Calm—Christ With Us." At 8 o'clock Rev. T. T. Bryan, a returned missionary to China, will lecture on "Vin Ming Wu Suh." "Have Home Without Reality?" The public is cordially invited.

Another Suspected Case Now Under Examination—Jersey City Will Now be Cleaned Up—Consultation of Authorities.

JERSEY CITY, N. J., Sept. 2.—A case of genuine cholera was discovered here yesterday in the death of Martin Crowe.

Surgeon General Wyman and Dr. Hunt of the State Board of Health held a conference with the city board this morning and decided that an adequate number of government and State employes should be placed at the service of the city authorities at once. They will be divided into squads and each will be given a district to patrol with authority to inspect all houses. The work of sanitation will begin immediately. Streets will be cleaned and sprinkled with disinfectants.

Another suspected cholera case was found here today. The authorities do not think the patient has cholera, but he was sent to the emergency hospital until the case develops sufficiently to allow the physicians to decide. The patient is John Lyneh. His home is Baltimore. He went to Kearney, N. J., two weeks ago and came here this morning. He was found sick in the street.

WASHINGTON, Sept. 2.—The marine hospital bureau here has little information touching the fatal case of cholera in Jersey City. There seems to be no doubt that Martin Crowe died from genuine Asiatic cholera, for Surgeon General Wyman, now in Jersey City, has telegraphed Surgeon Austin here that the case was such.

Every effort is being made to trace the origin of the disease with the view to the adoption of measures to prevent the occurrence of any further cases.

HOUSE AND SENATE.

Sherman Will Favor a Closure Rule.
