AN AUDITORIUM PROPOSED

A SCHEME IT WILL BE WELL

TO CARRY OUT.

A Movement Beginning That Has

For Its Object The Erection of a

Building to be Used For Large

Assemblies.

A matter is just now being agitated in

Asheville which, if carried to a successful

conclusion, will be one of the best things

yet done for the city. It is nothing less

than a movement which has for its ob-

ject the building of an auditorium. Ashe-

ville has long needed such a building.

One thing that has operated against the

city in securing the annual meetings of

large bodies has been the lack of a

structure sufficiently large to accommo-

date the crowds that would attend these

meetings.

Rev. R. G. Pearson, the evangelist, is

one of the prime movers in the matter.

He believes that if Asheville had had an

auditorium a few months ago Rev.

Dwight L. Moody would have come

here to hold a 10 days' meeting. He

went to Charlotte, where there is a large

auditorium, and his meeting took thou-

sands of people to that city. One large

gathering is already on "trial" for Ashe-

ville for next year—the meeting of the

American Pharmaceutical association, and

it is believed that others would come

here as soon as it was known that

Asheville had an auditorium that could

be secured for the meetings. Asheville is

always attractive to bodies of dele-

gates and other things being equal the

conventions would come here.

One thing Mr. Pearson has in his mind

is the holding of Bible institutes here.

He believes he could secure Mr. Moody

and other great divines and Bible stu-

dents.

The plan regarding the Asheville audi-

torium contemplates the erection of a

brick building with a capacity of from

1,500 to 2,500, the building to be so

constructed as to admit of its being thrown

into one large hall or into a central hall,

surrounded by committee rooms. The

cost of the building is now figured at

about \$10,000. The auditorium at

Charlotte cost \$8,000, the projectors

going in debt about \$4,000 in the build-

ing. It has been finished 18 months and

in that time they have paid \$2,100 on

the debt and paid all running expenses.

What has been done in Charlotte can

be done here. It is believed that the

erection of such a structure here would

be a good investment for the stock com-

pany which it is proposed to organ-

ize for the purpose, as well as a great ad-

vertisement for Asheville. It is proposed

now that work on the auditorium will

begin next spring.

The Citizens and every citizen of Ashe-

ville hopes to see the plan carried out

successfully. Let the name and fame of

the Asheville Auditorium be known to all

the world!

SHOOTING AFFAIR

It Occurs Last Night At The Car-

olina House.

Last night about 9 o'clock Eugene

Curtis, a plumber, was shot and slightly

wounded by Harry F. Richmond, Geo.

W. Pack's driver. The shooting occurred

in the corridor of the second floor of the

Carolina house, on North Main street.

From the information to be gotten

about the affair, it seems that Richmond,

who boards at the Carolina house, en-

tered Mr. Curtis' room and demanded

that the latter apologize for certain

words addressed to him earlier in the

day. Mr. Curtis replied that he had

said nothing that he would apologize

for. At the same time he noticed a pistol

in Richmond's hand, and being unarmed

and believing that his life was in danger

he sprang toward Richmond and

grasped the pistol. In the struggle which

followed the men got out into the cor-

ridor, where Richmond fired three

times at Mr. Curtis. The first shot

struck the latter in the left heel,

passing through that part of the foot.

Neither of the other bullets struck Mr.

Curtis, who, after the third shot had

been fired, threw Richmond down the

stairs. Mr. Curtis is now in a hospital

wound, but it is not thought that it will

be followed by any serious consequences.

Richmond was arrested by Deputy

Sheriff Morgan today and taken before

Justice J. M. Israel, where he waived ex-

amination and gave bond in the sum of

\$100 for his appearance at court.

NOT AN ENOCH ARDEN

Patrick Wilson Wanted His Wife

Back.

ROTOND, O., Sept. 19.—A most remark-

able case has been heard by Squire Craig

of this city. The defendants were Jef-

ferson Belleville and wife of Gallia county

who were arrested for bigamy on a

charge preferred by Patrick Wilson. Wil-

son is the husband of the Belleville wo-

man, but has been in the West for nine

years. During his absence his wife had

nothing of him, and after three years of

toil in an effort to keep together her little

family, she married Belleville, supposing

her husband dead.

Wilson returned to this county about a

year ago to find his family disappeared.

He finally located them, however, and as

his wife claimed neglect and willful ab-

sence and refused to live with him, he
