ASHEVILLE DAILY CITIZEN THE PANIC AND AFTER THE PANIC

SUBSCRIBERS who fail to receive their paper will confer a favor by teport ing the fact to this office immediately.

WEDNESDAY, NOVEMBER 15, 1893. Much of the news from the elections last Tuesday has been suppressed and some of the reports are conflicting. Hence we will not attempt to give any-

thing as correct.-Progressive Farmer. You never do. up in Congress in December over that small subject Queen Liliuokalani and her followers. Wilt this Kanaka noise drown

of the United States. This is getting on dations to individual borrowers. These, in turn, were compelled to defer paying rapidly.

If, now, it can sober up and find the key-hole we do not see why Mr. Dana may of this are told which in the calm state

not be happy yet, you bet.

A NEW YORK World wo nan-not womanly-reporter disguised herself as a beggar and went from one millionaire's means, who ought to have set a better house to another on Fifth avenue asking example, locked up in this way thous-for something to eat. She succeeded in getting not so much as a drink of water. It is now in order for the World to disguise for their deposits, and the banks, to be a number of its reporters as millionaires, prepared for them, drew heavily upon with fine mansions on the avenue, and write up beggars from their point of write up beggars from their point of officers of many banks of deposit lost view. The press should present all sides of a great question.

of a great question.

Some of the New York papers are pluming themselves on the result of the their cheeks to speculators at a discount. election, affirming each that it did it tensity, could not last long, and recovery with its little hatchet. That deduction from it was as iscally the importations isn't safe. We again recall the Chicago of gold which it made profitable. In example of the power of journalism few weeks the reserves of our city banks exemplified by the election of Carter which had been depleted below the required legal limit, rose above it, and since Harrison to be mayor in spite of the fact that every newspaper in that city, excepting only one, was against him. The tion of extreme searcity to one of extreme people are sometimes mighty set in their plenty, so that horrowers, who, three people are sometimes mighty set in their months ago, could not get accommoda way whether that is the newspapers transministration and terms, have it now offered

NEWS IN OUR OWN STATE.

-Charlotte Observer: At this writing a finishing works has been started in Greensboro, N. C., for plants, ginghous, domets, etc. At Concord the Kerr Bag Manufacturing company, Mr. J. M. Odell, president, has a bleaching and finishing works which have been in operational decisions. Although the panic has several manufacturing to the panic has been started in operations of the radioval shows signs of improvement, and trade generally has begun to revive. The change is one, not of material fact and circumstance, but purely of human factors. Nevertheless, although the panic has several manufacturing to the panic has several manufacturing to the panic has several manufacturing to the carriers of the started up again, the carnings of the radioval shows signs of improvement, and trade generally has begun to revive.

The change is one, not of material fact and circumstance, but purely of human scores are presented in the carning of the radioval shows signs of improvement, and trade generally has begun to revive.

The change is one, not of material fact and circumstance, but purely of human scores.

give favorable rates, and hence the plan of having another "Welcome Week" at country shall completely resume the Wilmington was abandoned. It has now been decided by the business men there to have it from the 4th to the 9th of December, the low rate having been needed. It has now been decided by the business men there to have it from the 4th to the 9th of December, the low rate having been needed.

National bank of Wilmington have appealed to the Circuit Court of Appeals a Families dependent upon incomes o case against the directors to compel in estments and those incomes for the them to make good losses occasioned by present more or less reduced, wages and bad and excessive loans and misman- salaries in many distances have been

Monroe. Eggs were also thrown at Butler in the streets of the town. Boys did it.

-Col. M. Muldoon, who has the contract for building the Confederate monu-ment at Raleigh, has left for Louisville From the New York Press. to prepare the detailed plans and arrange | Degradation of American civilization All the stone work will be done in this

-The case of Love against the city of Raleigh for \$5,000 damages for the loss of an eye by a falling skyrocket, has been postponed until the February term of Wake Superior court.

-The North Carolina Methodist Conmembership during the year now so we shall find ourselves if silver shall nearly closed.

-Col. S. McD. Tate will present to the Antiquarian Society the battle flag of his old regiment, the Sixth North Carolina infantry, which was at the front at Gettysburg.

-The knitting mills at Scotland Neck which have been closed some weeks for a holiday started again Monday.

Sunday night in a folding bed. The bed by some side movement began to close up, Mrs. Van started to leap out, but was caught and Mr. Van was crushed so badly that he will be a cripple for life. His spinal cord was strained and he is paralyzed in the lower extremeties. It is thought that he will die. The wife is also badly bruised.

A Great Fact.

From the Marion Record.

A Great Fact.

From the Marion Record.

A Great Fact.

From the Marion Record.

The ded medical Discovery. That gives purity to your blood, plumpness to your bedy, and puts every function into perfect working order. It makes thoroughly effective every natural means of repairing and nourishing your system. For pale, puny, scrofulous children, especially, nothing approaches it. It builds up completely their flesh, their strength, and their health. The "Discovery" is the only guaranteed blood melicine. In the most stubborn Serofulous, Skin or Scalp Diseases, Eczema, Salt rheum, and every kindred ailment, if it doesn't benefit or cure, you have your money back.

There are men who carry babies. They can always get a seat. The great ones of the earth may have to scramble and elbow and stand up, but man carrying a baby can always sit down.

This Much Settled.

From the Statesville Landmark. Having received an almanic for 1894 we hasten-in accordance with our annual custom-to assure the esteemed Lenoir Topic that we are going to have another year.

A Base Libel

From the Marion Record. It is rumored that the wall of the morphine habit. Address the compar court house in Asheville cracked while at 53 West College street, Asheville, N. C. the U. S. Federal court was in session. Plenty of old papers for sale at THE "Old corn whiskey" was the cause of it Cirizen office. Only 20 cents per hunthe U. S. Federal court was in session.

Cottolene is endorsed by French chefs and skilled teachers of cookery every-where. For sale at Kroger's.

'Matthew Marshall" in New York Sun The recovery from panies, too, like their creation, is a matter of emotion and sentiment. The sudden and enormous drafts made upon the reserves of the New York banks by their country correspon-

States Treasury had stopped paying gold the banks had plenty of their own, as well as plenty of greenbacks, Treasury notes, and silver do lars, all of which hard out there that good wheat shipped the appeal for reform of the tariff? The Republicans will stir up any kind of a mess to get the Democsats fighting on a side issue.

The pointers should have followed Secretary Poster's stily proclamation is to accounted for only up on the principal I have already mentioned, that fear, like a fog, distorts distant objects and ob-

That monarchy, if restored in Hawaii these again had to put off their creditors. by our republic, will practically be restored by overshadowing force, cannot be denied. Indeed, we probably have at last the key to the recent removal of Admiral Skerrett from naval command there —N. V. Sun.

We take it that this key the Sun has "at last" is the "key to the Pacific," concerning which it has a great deal to say.

If now it can sober up and find the key-

dallars. Savings bank depositors, hearing of what was going on, began to call the diminished stock of currency in circu-lation. The final result was that the needed currency to meet their pay rolls and for other business purposes, to sell then they have been more than double Loanable fands have gone from a condito them almost for nothing. Banks which were forced to close their doors temporarily have reopened them, factories which had stopped work have

tion for some time and which is in all passed away and mouetary stringency has been succeeded by monetary case, and whole on all sides here has taken -The railways some ago declined to the piece of despondency, it is still to -The receivers of the wrecked First ational bank of Wilmington have apstopped or materially cut down, and -Marion Butler, the Populist leader, is very greatly incensed because red pepper was thrown from a skylight into a building in which he will be a symptom of the consumption of the cons building in which he was speaking at of fuzures and with a diminished con.
