**THE GRIDIRONS GO HOME**  
OFF TO WASHINGTON SUN-  
DAY AFTERNOON  
The Reception To The Ladies  
Saturday Evening—Bill Nye a  
Guest—A Trip To Hot Springs  
Sunday.  
After the drives were over Saturday  
afternoon the Gridirons and a chosen few  
were given a good-bye dinner by Man-  
ager McKissick. The repast was an ele-  
gant one, delightfully served, and alto-  
gether in keeping with the functions that  
have made the visit of the club mem-  
orable.  
The handsome chrysanthemum grid-  
iron that was so much admired at the  
banquet on the previous evening was  
presented to Mrs. Frank Hutton as a  
gift from the host by Ned Hay and the  
accepting response in President Hutton's  
happiest mood was a felicitous expres-  
sion of the friendly regard entertained by  
the club for Mr. McKissick.  
Choice vintages were discussed with  
the inspiration of the charming singing  
of the club quartette, Messrs. Morsell,  
Kaiser, Mosher and Hoover. Mr. Kaiser's  
solo of "Love's Dream" was a rare  
number and Hay gave "Tomorrow will  
be Friday."  
Dr. S. W. Battle gave the company  
selections from his musical repertoire, and  
in the course of "Auld Lang Syne" the  
good time came to end.  
The reception to the ladies accom-  
panying the Gridiron club in its pilgrimage  
to Asheville was tendered on Saturday  
night at the Battery Park.  
"Bill" Nye came in to pay his respects  
and his presence was a welcome addi-  
tion to the list of the receiving party.  
An hour was passed in introductions to  
the bright and charming women who,  
with their husbands and brothers, have  
been such delightful guests and who  
rightly in representative American home-  
life at the national capital.  
In the presence of the new fellowship  
the company took possession of the  
club house, and the members of the  
club were introduced to the members of  
the Gridiron club, and the members of  
the Gridiron club were introduced to the  
members of the Gridiron club.  
The Gridiron club members were  
introduced to the Gridiron club mem-  
bers, and the Gridiron club members  
were introduced to the Gridiron club  
members.

**WIND AND SNOWSTORM**  
The English Islands Whipped  
By a Terrible Gale  
LONDON, Nov. 20.—The storm rages  
with unabated fury. Many marine dis-  
asters are now reported. A heavy snow  
fall is reported in some parts of the  
country.  
Some idea of the force of the gale can  
be gathered from the fact that two  
heavy railroad engines were blown off  
the track near Exness, blocking all  
traffic north, and necessitating the dis-  
patch of wrecking trains to clear  
the track. The wrecking trains have not  
since been heard from, so it is supposed  
that the work has been impeded by a fall  
of snow.  
During the height of the fury of the  
gale yesterday evening the steamer  
Hampshire was driven ashore in St.  
Ives bay and was partially disabled near  
Gardner's Head. Twenty-one of the  
Hampshire's crew being drowned, only  
one man being rescued.  
The crew were driven ashore by the  
force of the gale, and the boat on a  
ledge of rock pounded to pieces in full  
view of thousands of spectators who  
were utterly unable to bring any assist-  
ance to the drowning man. It was im-  
possible to launch the life boat, on ac-  
count of the tremendous sea, and the  
drowning man was left to be seized  
by the rocks. Thus, the people on  
shore saw the poor sailor drowned one  
by one, while thousands stood praying  
for them in the storm.  
The Lowest reef life boat, rescued the  
crews of three schooners yesterday, and  
today saved 12 men from drowning, put-  
ting to sea in the face of a blinding snow-  
storm and a bitterly freezing sea. Re-  
ports from the Ryde say that a man  
has been down to shipping there, and  
that several small boats have been  
sunk.  
**PREMURGER NOT IN VINE.**  
250 NAYS SO HIMSELF DIED BE  
DIGNITY TO KNOW.  
Chicago, Nov. 20.—Premurger, the  
slayer of Mayor Harrison, whose trial is  
set for one week from today, is not  
pleased at the decision his attorneys have  
decided upon.  
"They propose to enter a plea of in-  
sane," said he, "I shall object to that.  
I want to acknowledge the commission  
of the crime and plead and prove justifi-  
cation."  
"In what way will you prove justifi-  
cation?"  
"The broken promise to make my  
parole conditional. And then, there are  
other things that I will all come out at  
the trial, I am every much dis-  
satisfied with the idea of entering the plea of in-  
sane, I am not insane, I was be-  
lieved in the shooting. The way the news-  
papers handled the story was insulting and  
disrespectful. They called me a  
crazy, insane, and a lot of other  
things, and the pictures in some of them  
were simply horrible. I am not insane  
and don't want that kind of defense."

**RICHMOND FIRE.**  
Several Firms Warned Up To  
The Tune of \$40,000.  
RICHMOND, Va., Nov. 20.—Fire broke  
out this morning in the third floor of the  
three-story brick building occupied by  
the Kratz Fruit and Candy company.  
Before the flames could be checked the  
adjoining store, occupied by Elias E.  
Taylor & Co., wholesale grocers, was  
partially burned. The fire also swept  
across an alley to the rear of Putney &  
Watts four-story shoe store and to the  
building adjoining occupied by the West-  
ern Union Telegraph company, both of  
which were slightly burned. Kratz' loss  
is \$9,000 to \$10,000, insured. Putney &  
Watts' loss \$15,000 to \$20,000, dam-  
age principally from water, insured.  
Western Union Telegraph company loss  
\$300.  
**The Mexican Revolution.**  
WASHINGTON, Nov. 20.—Despite all  
professions to the contrary the Mexican  
government is seriously concerned over  
the new revolutionary movement in-  
augurated in Texas within the past few  
days. Two dispatches from the Mexi-  
can government have been presented to  
the State department by Minister Romero  
reporting the formation of hostile  
bands on the American side of the Rio  
Grande, ostensibly with the intention of  
crossing into Mexico.  
**Tobacco Fired Too Soon**  
CLARKSVILLE, TENN., Nov. 20.—The  
Clarksville tobacco warehouse, which  
covered about an acre of ground, burned  
this morning. Over 200 hogheads of  
tobacco, valued at \$200,000, were de-  
stroyed. Total loss, \$30,000; insured.  
Origin of fire not known.  
**Strike on the Lehigh.**  
REDFORD, N. Y., Nov. 20.—A Lehigh  
official, who was seen this morning, ad-  
mitted that the road is practically shut  
up from end to end, but he had confi-  
dence that the company would soon be  
able to move trains.

Briggs, pastor of the Calvary Methodist  
Episcopal church, South and Mass lanes  
Phelps, organist of the church, have dis-

they will not return to Baltimore. The  
former leaves a wife and five young  
children. It is stated that Mrs. Briggs  
found a letter addressed to her, lying  
upon her husband's desk. The letter  
said: "Tell the children I am dead."

Ward's hunter camp, near Grayling.  
Asheparch was received today that he  
was found dead in the woods. He is  
supposed to have frozen to death, as a  
heavy storm and cold weather prevailed  
on Wednesday. His companion could  
not be found.—Detroit News.  
**To Earn a Bonus of \$600,000.**  
BOSTON, Nov. 18.—The United States  
cruiser Columbia passed out by Hull at  
8 o'clock this morning on her official  
trip.  
Rockport, Mass., Nov. 18.—The Col-  
umbia passed Irwau four knots from  
scant and Keaysage at 10:05, making 24  
knots an hour. If she keeps up this  
speed on her trip she will earn a bonus of  
\$600,000 for her hullers.  
**Revenue Cutters Assist.**  
WASHINGTON, Nov. 20.—Secretary Car-  
le today ordered the revenue cutters  
Merrill and Bonwell to render all pos-  
sible assistance to the Red Cross Society  
in carrying supplies to residents of the  
various islands along the South Carolina  
coast devastated by the cyclone.  
**A Great Strike Ended**  
LOS ANGELES, Nov. 20.—The great coal  
strike is ended. Acting on the decision  
of the conference held last week at the  
foreign office, work was generally re-  
sumed at the coleries this morning.  
**More Bombs in Spain.**  
MADRID, Nov. 20.—An attempt was  
made this morning to blow up the office  
of the Mayor of Tarazona, six miles from  
Yakenia. Two bombs were exploded, but  
the damage was slight.  
**CONDENSED TELEGRAMS.**  
It is stated that wholesale prison  
gangs have been discovered at Buffalo,  
N. Y. The Washington Post has greatly  
disturbed the department by publishing  
the fact that W. Boen Moore, a former  
special examiner, is the guilty one and  
that his stealings will amount to \$150,-  
000.  
Dr. Lucius Metiam, formerly of Chat-  
tahooga, an instructor in Cornell Uni-  
versity, and Miss Vearing of Laurens,  
S. C., are reported to have been drown-  
ed in Cayuga lake at Ithaca, N. Y., Satur-  
day. The boat which they had had  
hoisted in to shore.  
The House Ways and Means commit-  
tee hopes to be able to give out the tariff  
bill by the last of the present week.  
Governor Mitchell of Florida says the  
Corbett-Mitchell fight shall not come off  
within the confines of that State.

**A CASE OF BULLDOZING**  
**ONE OF BLOUNT'S REPORTS**  
**MADE PUBLIC.**  
Minister Stevens Was a Party to  
the Outing of Queen Liliuokalani  
From Her Throne—Surrender  
to the United States.  
New York, Nov. 20.—The Times'  
Washington special says: Special Com-  
missioner and Minister Blount has made  
several reports to the state depart-  
ment on Hawaiian affairs. These have  
been printed for the state department in  
different volumes. One report, however,  
is even more interesting than the final  
report, and that is the one containing  
the current dispatches, informing the  
state department of the condition of  
things in Hawaii as he learned it by his  
inquiries.  
This volume of reports shows beyond  
a shadow of doubt that the revolution  
in Hawaii, in January last, was accom-  
plished only by the most shameful inter-  
vention on the part of Minister Stevens,  
then our diplomatic representative at  
Honolulu. It shows from the testimony  
of the members of the provisional gov-  
ernment who took part in the overthrow  
of the Queen, that the revolution was ac-  
complished as a result of the conspiracy  
which had formed, with the assist-  
ance of Minister Stevens and in which he,  
as representative of the United States,  
had a most conspicuous part.  
The report shows also that, but for  
Minister Stevens' abuse of his power,  
the revolution could not have been ac-  
complished. It shows that the presence  
of the United States in this matter would  
have induced the Queen to yield, which she  
did, with the express understanding, ac-  
cepted by President Dole, of the provin-  
cial government, that the case was to  
be reviewed at Washington, and justice  
done here by the President of the United  
States.  
Commissioner Blount's report will  
show further that Stevens lured troops  
from the Boston Reg before there was  
any likelihood for their presence on  
Hawaii, and that he directed them to  
move there when required to do so by  
the government and when informed that  
the authorities were willing and fully  
able to meet the order and protect Ameri-  
can interests; that these troops were  
stationed across the street from the  
building in which Minister Stevens knew  
the revolutionists were about to hold the  
proclamation; that the revolutionary  
committee relied upon the American  
troops to protect them in the act of re-  
volting; that Minister Stevens recognized  
the provisional government, according  
to a preconceived program before that  
government had obtained possession of  
the departments and military power at  
Honolulu and that the military power  
was surrendered; as the Queen surren-  
dered, only through the superior force  
of the United States.

**Camphorline**  
CURES  
CHAPPED HANDS! ROUGH SKIN!  
After saying "GOOD-NIGHT"  
Use Camphorline.  
Camphorline has become such a household  
remedy for all kinds of rough skin and  
chapped hands that we beg only to call  
your attention to it during this, the first  
cold spell of winter. It is no less useful after  
shaving, especially where the skin is tender  
or inclined to be sore. The city barbers  
have found this out and it can now be found  
at most of the shops. It has become so  
popular that others have tried to imitate it,  
not only in name, but appearance and  
properties. We have succeeded in getting  
the coined word "Camphorline," trade  
marked by the government at Washington,  
so that we can now protect our rights.  
The genuine may be known by an unbroken  
seal. It can be found at nearly all the drug  
stores of the city, and by the manufac-  
turer, price 25 cents per bottle.
