LING GUN NOT YET FOUND
MORE FACTS ABOUT THE PAINT ROCK OUTRAGE.
How The Chinaman Came To Be Put Off The Train—Ward, Morris and Lawson Released On Bond.
H. M. Swaine, proprietor of Loretta hall, Hot Springs, who was in the city today, tells THE CITIZEN that Lawson, Morris and Ward, tried at Marshall for the assault on Ling Gun at Paint Rock, were not held without bail as stated previously, but were to be released on \$100 bond each today. This information was given Mr. Swaine by Attorney Ebbs yesterday.
Mr. Swaine says, regarding the action of the E. T. V. & G. conductor, Capt. Dula, who put Gun off the train the evening before the assault, that when Dula approached Gun for his ticket the latter said: "No money, no ticket." The conductor replied "No money, no ride," and asked the Chinaman for his fare, whereupon Gun pulled his pocket-book and then put it away without paying. Receiving that the Chinaman would not pay his fare Dula put him off. Mr. Swaine says Capt. Frazier, of the R. & D., told him there had been trouble on this road in getting Gun's fare as he came up from Salisbury. Swaine knows Capt. Dula well and believes him to be a kind man.
Concerning the doings of the Chinaman after he was put off, Mr. Swaine, who has talked with witnesses, says Gun spent the night at a Mrs. Williams'. The next day Bob Morris, one of the men arrested, went to the house of a Mr. Church and asked if a Chinaman had been around there; that he had gone to Morris' house and frightened his wife, and he had set the dogs on the Chinaman. Morris said if he could see the Chinaman he would kill him. Gun did go to Mr. Church's house and asked for a pair of shoes, which Mr. Church offered to give him, but he would not take them without pay, and went away. Later, Mr. Swaine says, Morris went back to Mr. Church's and asked if he had seen "that Chinaman." "Yes," he replied, "that he wished he could see him and would kill him if he did see him. Mr. Church replied that it was a good thing he had not seen the man, among in reply to a question as to the direction in which Gun went in leaving said he had gone into the woods.
No trace whatever has been found of Gun.
A. M. E. CONFERENCE.
Bishop Gaines Preaching Over the Body in Session Here.
The Western North Carolina conference of the A. M. E. church met here yesterday, this being the first session of the conference since the State was divided into two conferences. The sessions are held in the A. M. E. church from 9 to 12:20 and from 3 to 5 o'clock each day, and will continue until Monday. Bishop W. J. Gaines of Atlanta, Ga., is presiding. His opening address was an able and instructive one, among in extension work. Rev. W. J. Jordan of Durham was elected conference secretary, and Revs. J. S. Derry and Geo. W. Pearson assistants. The reports to the body make a fair showing as to collections, the amount being near \$2,000.
The conference has attracted to Asheville a number of representative men of the colored race, among them being besides Bishop Gaines, Dr. C. T. Schaffer of Philadelphia, secretary of the Church Extension society; Rev. A. L. Gaines of Norfolk, Va., representing the book concern; and Prof. John R. Hawkins, president of the Kittrell N. and I. institute, and secretary of education.
At this afternoon's session Dr. Schaffer made an address on the extension work. There will be preaching or literary exercises every evening during the conference. A general missionary meeting will be held this evening. An educational meeting will be held tomorrow evening.
STOLEN GOODS RECOVERED.
Patrolman Powers' Capture This Morning.
This morning a white boy entered the house occupied by the Western North Carolina railroad crossing guard at the old depot and put down a box, asking that it be allowed to remain there till he entered a restaurant near for a cup of coffee. As the boy finished the drink and came out he noticed Patrolman Powers coming up, and with a skip and jump was away, going across the bridge. The officer, suspecting something, took up the box held by the boy, and found it filled with valuables that had been stolen from Mr. Jones, the Tentville dealer, Monday night. The box contained gold pens and holders, pins, portemonnaies and various articles of jewelry. The officer brought the box up town, and later went on a hunt for and arrested, on the other side of the French Broad, the boy, who gave his name as "Boney" Johnston. He was locked up to await hearing.
The value of the stolen goods was about \$100, and all was not recovered.

FROM HONOLULU.
The Ex-Queen is still an Ex- and Willis is Mum.
SAN FRANCISCO, Nov. 23.—The Alameda brings news today that all is quiet at Honolulu and there is no material change in the situation.
The United Press correspondent at Honolulu, writing under date of the 16th instant, says:
As yet Minister Willis has made no intimation to this government of any special communication with which he may be charged. Nor is it known that he has any. The city is daily alive with strange rumors of the Minister's intentions. These are traced to royalist sources.
Three days ago the ex-Queen made a brief call upon the American Minister, to pay her respects as Willis subsequently stated. Up to this time Willis had not returned her visit. On the same day a committee of the American league tendered a reception to Minister Willis at which he delivered an address in diplomatic, agreeable and encouraging terms. A phrase implying that his action was limited by specific instructions, was construed by the Royalists as meaning that he had positive orders to restore the Queen, and the Royalists appeared on the streets in a more boastful and aggressive mood.
UNFORTUNATE LADIES.
Three Foreign Exhibitors at the World's Fair Stranded.
CHICAGO, Nov. 23.—Three women of high social position, who came here last May with foreign exhibits to place in the Woman's building at the Fair are virtually stranded in Chicago. They are the Countess Salazar of Naples, Italy; Madame Marguerite de la Roche, Madame Koranyi of Spain. They came here at the invitation of the Board of Lady managers, and say they expected to realize enough from their exhibits to pay expenses, but were unfairly treated by the board, and now have not enough money to get to their homes. A number of influential ladies, who think they have been unfairly treated, are interesting themselves in behalf of the unfortunate foreigners, and it is probable something will be done for them.

RANSOM IS SATISFIED
He Says All But Four Northampton Democrats Were With Him.
WASHINGTON, Nov. 21.—Senator Ransom is here, but expects to go home in a day or two. The Senator tells his friends that he is pretty well satisfied with that Northampton silver meeting. All except four Democrats sided with him. He did not, as reported in Populist and Republican papers, "get angry and fly off the handle," but he sent some hot shot into the camp of deserters from the Democratic party, many of whom were at the meeting. They controlled its action.—Charlotte Observer.
VERY STRONG ETHER.
An Incident Following a Serious Accident.
NEW RICHMOND, O., Nov. 23.—Last evening Agnes Sullivan, the twelve-year-old daughter of P. F. Sullivan, fell down stairs at her home, dislocating and fracturing her right leg, below the knee. In the excitement one of the physicians dropped a bottle of ether on the pavement in front of the door, and Henry Franz, a passer-by, inhaled the fumes and fell backward, receiving a severe wound in the back of the head.
THE STRIKE WILL PROCEED.
The Lehigh Freight Proclaimed Aggravated by the Brotherhoods.

IRON ON THE FREE LIST
THAT MUCH HAS BEEN DECIDED UPON.
The Iron Men Will Carry The War Into The House—All Wholes To Come In Free—Tax Whiskey Out of Sight.
WASHINGTON, Nov. 23.—The iron men have been defeated. The men who have combated to keep this article off the free list were today notified by members of the Ways and Means committee that it had been finally decided by the Democratic members that iron ore would be placed on the free list.
This leaves the iron ore men of Alabama, Virginia and Michigan no alternative but to carry their fight to the floor of the House. This they are now threatening to do.
The committee concluded the wool schedule of the new tariff bill. The measure provides for the admission free of duty of all wools, hair of the camel, goat, alpaca and other like animals and of wool and hair on the skin, top waste and other wastes, and rags composed wholly or in part of wool.

LAW IN CHEROKEE STRIP.
White Caps and Vigilance Committees Made It.
NORTH EMPIRE, T., Nov. 23.—White Caps and vigilance committees are spreading terror throughout the Strip to "sooner" and claim lot jumpers. At Kreamin several "sooners" were put on a train and told they would be strung up if they returned. At Round Pond the mayor has been notified by a vigilance committee, and two "sooners" are reported to have been hanged several miles east of here for driving settlers off their claims.
Suppressing The Press of Louisiana.
NEW ORLEANS, Nov. 20.—The State Supreme court, through Chief Justice Nichols, today affirmed the decision of the lower court involving the right of a newspaper to print the proceedings of a case. A case was on trial and the Times-Democrat published a report of it. The judge declared the paper guilty of contempt of publishing something which would tend to influence the jury. An appeal was taken to the Supreme court in order to make a test case, with the result that the paper is deicated.

CHAPPED HANDS! ROUGH SKIN!
After saying "GOOD NIGHT"
Use Camporline.
Camporline has become such a household remedy for all kinds of rough skin and chapped hands that we beg only to call your attention to it during this, the first cold spell of winter. It is no less useful after shaving, especially where the skin is tender or inclined to be sore. The city barbers have found this out and it can now be found at most of the shops. It has become so popular that others have tried to imitate it, not only in name, but appearance and properties. We have succeeded in getting the coined word "Camporline," trade marked by the government at Washington, so that we can now protect our rights. The genuine may be known by an unbroken seal. It can be found at nearly all the drug stores in the city, and by the manufacturers, price 25 cents per bottle.
