New York comes from Paris, says the New York World, that Princess Columbia has been legally proclaimed her successor from her husband, Prince Ferdinand of Sardinia-Carignano, with the custody of her three children, Princess Victoria, the daughter of Mrs. John W. Mackay by her former husband, Prince Ferdinand. The Princess has been named to be a grand duchess of the Kingdom of Italy. She will be crowned in the month of May next. Her coronation will be a grand affair. When a new monarch is proclaimed, the nation is thrown into a state of excitement. The coronation of Princess Victoria will be no exception.

George and Daniels—Showing Their Heads to a Good Game.

PAUL ROCK, Nov. 29.—That the trail of George and Daniels has been followed out of the tangled thicket in the Little Gunnyville by the sheriff's posse and the average citizen, but, full to undo the work of the law, it is not as well to remember that the trail of the two men did not die out with Mrs. Daniels.
