TO LIE IN STATE HERE

FROM 7 TO 10 AT THE PRESBYTERIAN CHURCH

The Remains of the Beloved Son of North Carolina will Rest in Asheville—Order of Procession and of March—A Change in the Arrangements as Heretofore Given.

It is made certain, according to a telegram received by Hon. H. A. Guderger from Gen. W. R. Cox, that Senator Vance's remains will lie in state here tomorrow for a few hours at least. There were universal expressions of regret when it was heard that this could not be arranged. The funeral train is expected to arrive at the depot about 4:30 tomorrow morning. The remains and escort will stay there until 7 o'clock, when they will move to the First Presbyterian church, where the Senator's body will lie in state until 10 o'clock. It would be well if the people of the city who wish to view the remains would do so as early in the morning as possible, and thus avoid an undue crowding at the church, when, later, people from outside the city come in. The procession will at 10 o'clock proceed to Riverside and the body will be laid to rest.

The Asheville Light Infantry and the Bingham companies will be a part of the procession, and all of the orders of the city will be out in a body or by representatives. A meeting of Masons will be held this evening to make arrangements to attend. All members of the A. L. U. are urged to attend a meeting in the armory this evening at 8:30.

The committee of arrangements announce that the memorial service will be held in the First Baptist church at 3 o'clock in the morning, and in case it is raining, in which case it will be held in the court house. The stores of the city will be closed from the time of the tolling of the bells, when the remains leave the depot, until after the memorial service.

The committee request all persons having private conveyances to assist the committee in bringing up the various committees from the depot tomorrow morning. Upon special request from Postmaster Kerr the Postoffice department has granted permission for the closing of the postoffice tomorrow, and accordingly it will be closed from 9 a. m. to 2 p. m. The internal revenue office will also be closed.

At 10 o'clock the body will be conveyed to the house the military presenting arms. The military will then take position at the head of column, right resting on Church street, and will be followed by the pallbearers and the hearse with the special escort of the Rough and Ready Guards. The military will form at cemetery on three sides of a hollow square enclosing the grave, the fourth side being left open for the accommodation of the family and the Congressional and Governmental party and local officials and dignitaries. It is especially urged that our home people will cooperate with the Marshals in carrying out this program.

AMONG HIS OWN PEOPLE

REMAINS OF SENATOR VANCE IN NORTH CAROLINA

The President and Other Notable Men Attended the Senate Funeral—A Great Concourse of People at Raleigh—The Train Leaves for Asheville

WASHINGTON, April 17.—The marble room of the senate in which the remains of Senator Vance were during yesterday forenoon was decorated with a large number of potted pines of rare Austrian varieties from the botanical garden.

They were selected because of the fact that the pine is the principal forest tree of North Carolina. There were also placed in the room a number of flowers, the Vice-President being among the contributors of these. The botanical garden also furnished a cross of the rarest flowers now in bloom there. The body laid in state in the marble room from 2:30 until 3:30 o'clock. The funeral services were conducted by Dr. Moses D. Hodge of Richmond, Va., and Dr. Pitzer of this city, both of the Southern Presbyterian church.

There was a notable gathering of the great men of the country, including the President and his cabinet; many of the foreign diplomats, the chief justice and the justices of the Supreme court. In the gallery there was to be seen Mrs. Nellie Grant Sartoris, Gen. Grant's daughter.

The funeral procession was formed on the eastern plaza of the capital and moved to the Pennsylvania railroad station, from which the train left for Asheville.

The special train with Senator Vance's remains left at 9 o'clock last night for Asheville.

DANVILLE, Va., April 17.—The Vance funeral train passed here at 4 a. m. The train stopping but a moment. There was no demonstration, the home being unfavorable. Danville was particularly devoted to Vance. In 1881 when the so-called Danville riot was being investigated in the United States Senate, Vance bravely and well defended his people.

RALEIGH, N. C., April 17.—The R. & O. train bearing the remains of the late Senator Z. B. Vance was met by thousands of people here at 9 o'clock. The bells of the city tolled and the great crowds that lined the streets, draped with solid black, gave only a slight indication of the universally felt bereavement. Over 5,000 people viewed the remains up to noon. At 4 o'clock the funeral train left for Asheville, where it is probable that the demonstration will be the most imposing ever held in this State.

A Number of Candidates

RALEIGH, N. C., April 17.—[Special]—There is, of course some surmise as to Senator Vance's successor and the names of Alexander, Avery, Judge Armfield and Congressman Henderson have been mentioned on the streets. But it is impossible to now attempt to make any calculations.

TO GET A QUORUM

PHONE PRESENT IF NOT YOUNG SHALL BE COUNTED

WASHINGTON, April 17.—The new rule for counting a quorum which will be reported by the House committee on rules today, provides that the Speaker shall appoint two tellers, who shall stand by the clerk at each roll to certify to the Speaker the names of members present and not voting. If the number of members, added to those who respond to their names, is sufficient to make a quorum, the question shall be considered as ordered.

LATER—At 2 o'clock Speaker Crisp announced that the resolution to count a quorum had passed—yeas, 211; nays, 17. The statement was greeted with applause by Republicans.

MINERS' BIG STRIKE

NEGROES READY FOR THEIR PLACES. THE FEAR TO GO TO WORK

BIRMINGHAM, Ala., April 17.—Yesterday's developments in the miners' strike show that every mine in the district except those at Warrior and Tuscaloosa and Walker county, is shut down, fully 7,000 men being out. The miners in Walker county will probably join the strikers today. No attempt was made to put in negro labor at the Blue Creek mines, where the trouble is threatened. Armed deputy sheriffs were on hand, but the negroes refused work, having violence from the strikers.

Lunched for Rape

CLEVELAND, O., April 16.—Speedy justice was meted out to a colored rape fiend at Kuyler's hall, a small place near Rockefeller last night. The wretch was Swener Newland and his victim was Mrs. Jane Knowles, a respectable white woman 81 years of age. She was terribly injured by the fiend. A large mob participated in the hanging of Newland.

Promoted

WASHINGTON, April 17.—Secretary Gresham has decided to appoint Edward I. Kenick of Georgia chief clerk of the State department to succeed Wm. Rockhill, promoted to be third assistant Secretary of State. Kenick has been chief of the Bureau of Statistics of the state department for the past year.

David Dudley Field's Burial

NEW YORK, April 16.—The remains of the late David Dudley Field were conveyed to the Grand Central depot this morning where they were placed upon a special parlor car arranged for the occasion. The train left the station at 9 o'clock for Stockbridge, Mass.

Hendersonville's Postmistress

WASHINGTON, April 17.—The President today sent to the Senate the nomination of Amanda E. Morris of Hendersonville, N. C., late postmistress.

Smallpox Atting Bug

NEW YORK, April 16.—Smallpox has broken out anew at Sing Sing prison. Three new cases developed yesterday.
