A MONUMENT ASSOCIATION

ORGANIZATION EFFECTED YESTERDAY AFTERNOON.

Meeting of a Number of Asheville Gentlemen to Take the First Steps—Executive Committee to Be Appointed—The Resolutions

As announced by a call in Tuesday's CITIZEN, a meeting was held in the court house yesterday afternoon at 5 o'clock for the purpose of organizing a Vance Monument association. Capt. M. H. Carter was chosen chairman, and J. P. Kerr secretary.

Maj. W. H. Malone offered the following resolutions which were unanimously adopted:

Resolved, That in the death of Zebulon B. Vance the American republic has lost a noble and bold champion of human rights, a most patriotic and gallant defender of the people, whose sturdy honesty and unimpeachable integrity stamp him as a model for all men holding high positions of trust and honor, and of whom it may be truthfully said, 'He was firm as a rock, brilliant as a star, artless as a child, pure as a woman.'

That the people of Buncombe county feel proud of the fact that here, among our beautiful mountains, this noble man first saw the morning sun, and though his death is such an irreparable loss, it is some consolation to know that his remains now rest within his native county, for which he entertained such love and veneration;

That while we cherish this local pride we recognize the fact that his name and reputation belong, as a common heritage, to the people of the State of North Carolina, whom he had served faithfully and nobly in peace, and whose rights and honor he maintained gloriously in war;

That the State of North Carolina and the whole country should feel justly proud of the history and official life of the late Senator Vance, whose long and varied record is absolutely untarnished and spotless; in whom no deception or equivocation were ever found; an official who never betrayed a trust, whose devotion to principle was so intense, and pure that no fascinations of political power, no blandishments of official recognition could swerve him from the duty which he believed to be owed to his people, thus exemplifying in his life, that noblest work of God, an honest man;

Capt. J. P. Sawyer offered the following, which were adopted:

Resolved, That an association of citizens be formed for the purpose of carrying out the wishes of the people in regard to the erection of a monument to the memory of the late Senator Zebulon B. Vance;

That the name of said association shall be 'The Vance Monument association';

Capt. Natt Atkinson suggested that as Asheville was Senator Vance's home, and Buncombe county the place of his birth, it would be eminently proper that a memorial shaft be erected in the court house square in Asheville by the people of the city and county.

Gen. S. Howell then offered the following resolution, which was adopted:

Resolved, That the chairman of this meeting, M. E. Carter, together with nine other citizens to be appointed by him, shall compose an executive committee of the said association, which said committee shall have power to fill vacancies, and to add to their number by election, as they may see proper, and to elect a secretary and a treasurer, the powers and duties of which said committee shall be to carry out the objects of the said association;

The chairman announced that he would name the executive committee called for by Mr. Powell's resolution in a few days.

The following was offered by J. P. Kerr, and, on motion, was referred to the executive committee with the recommendation that it be favorably considered:

Whereas, It is desirable that any monument erected to the memory of Senator Vance should represent the combined contributions of as many citizens of North Carolina and other States as possible, as a token of the universal esteem in which he was held by the masses of the people;

Now, therefore, in order to enable every citizen to contribute a small sum to that end, and thus become a member of this association, it is

Resolved, That the executive committee of this association are hereby directed to have prepared a memorial card containing a photograph of the late Senator on the front hereupon on the back of the cover, and on the inside, the poem by W. B. Gwyn to the memory of Vance, which was published in THE ASHEVILLE DAILY CITIZEN on May 5, 1894, the said card to be sold by the said committee to the people of North Carolina and other states for the purpose of raising a fund for the erection of a monument;

That the said certificate to have the printed or lithographed signatures of the committee or its designated members or officers, with a blank for the name of the purchaser, and to be worded so as to declare the purchaser of the card a member of this association.

On motion the meeting then adjourned.

ON A CAPIAS.

D. L. Reynolds in Jail a Short While, But On Again.

Ex-County Tax Collector D. L. Reynolds did not leave town yesterday as THE CITIZEN stated and believed. He was arrested yesterday afternoon on a capias issued from the office of Criminal Court Clerk Young, upon request of certain of the sureties on Mr. Reynolds' bond as tax collector. It will be remembered that at the late term of the Criminal court the grand jury returned two bills against Mr. Reynolds on a charge of embezzlement. After court closed Mr. Reynolds' bond was fixed at \$1000 and this he gave. The sureties on his tax collectorship bond claimed that the bond was irregular, and wanted a heavier bond for his appearance. They demanded that he be required to give a \$5000 bond. Sheriff Brookshire was advised that the court would protect him in the taking of the already fixed bond of \$1000. But the sureties insisted and finally, upon their giving the Sheriff an indemnity bond of \$10,000 to protect him, that official informed Mr. Reynolds he would be required to give a \$5000 bond. This Mr. Reynolds refused to do and he was taken to jail, where he remained 55 minutes. Friends in the meantime made up his bond and at the end of that time he was released.

Mr. Reynolds will now bring suit against Sheriff Brookshire and the sureties who made the indemnity bond, for \$20,000 damages. His attorneys are J. H. Merrimon, Chas. A. Moore and Locke Craig.

Mr. Reynolds told THE CITIZEN today that he had been arrested at the depot as he was about to take the train with his family for a trip to Tennessee yesterday. He asked that this humiliation be not brought on him, and the capias was therefore served before he started to the depot. He says he was going to Tennessee because he had nothing to do here, and there he could make a living, and, besides, his physician had advised that a change of air and water would be beneficial to Mrs. Reynolds, who has been sick for several weeks.

Mr. Reynolds and family left today for Tennessee.

Mr. Portiss' successor is J. H. Drakeford, who is now in charge of his new duties. Mr. Drakeford is taking over a well liked in Asheville, having once held a position in the main Western Union office here, and again at the Battery Park office. WHO OFFERED BRIBES?

ONE MAN NAMED, BUT HE ENTERS DENIAL.

The Charges To Be Investigated By a Committee of Senators—Has Any Senator Dealt In Sugar Stocks?

WASHINGTON, May 17.—Kyle's clerk, Hutton, goes so far as to say that the man who had attempted to conduct negotiations for tariff votes was formerly connected with the carpet bag government of South Carolina and that he had subsequently gone to North Dakota, where he resided for a number of years. Recently, he said, he had been about the capitol in the role of a lobbyist.

Prominent Democratic Senators say that the would-be briber's name is Butt, ex-member of Congress from South Carolina during the period of reconstruction.

Today Senator Hansbrough of North Dakota submitted a statement from Butt, in which the latter denied that he attempted bribery on Senators Hutton and Kyle.

The Senate has adopted a resolution providing for the investigation of the charges of bribery in connection with the tariff bill and the charges that the sugar trust has interfered with legislation. The latter part of the resolution includes an inquiry as to whether or not the sugar trust has made any contribution to secure or defeat legislation on the tariff bill. The last amendment was by Mr. Allen, and authorized the committee to investigate whether any Senator had been dealing or speculating in sugar stocks during the pendency of this bill in the Senate or in committee. The resolution was adopted without taking a vote, there being no objection. The committee will consist of five Senators.

GEORGIA POPULISTS.

They Make a Nomination For Governor.

ATLANTA, Ga., May 17.—Populists' State convention assembled at 10 o'clock in the hall of the House of Representatives at the capitol. Every county in the State was represented and with a large number of spectators the hall was crowded. The body was called to order by Mr. D. Irwin, chairman of the State executive committee. Ex-Congressman Thomas E. Watson, of "where-am-I-at?" fame was made permanent chairman and Oscar Parker, Atlanta, permanent secretary. The attendance was the largest in the history of the party in this State and great enthusiasm prevailed.

The convention this morning nominated J. K. Hines of Atlanta for Governor. Hines was at one time judge of a Superior court in Georgia. He has affiliated with the Democratic party up to a few weeks ago, when he published a letter announcing his conversion to the doctrine of the People's party.

The platform adopted reiterates the principles of the party. Resolutions were passed thanking the Atlanta Constitution and denouncing the Atlanta Journal, and the convention adjourned.

SO SLOW!

When the Senate adjourned yesterday 28 items of the bill, all comprised within the chemical schedule (A) had been considered and disposed of, leaving 17 items on that schedule still to be acted on.
