Plan of Improvements.

Buzzen's lay, Mass., May 17—Dem lot graded and sodded, the cost not to exceed \$30. Adopted.

A request for a permit to construct a corrugated iron building in Tentville, on the spot lately occupied by O. K. Johnston's fruit stand, provoked considerable discussion. The permit wasgranted, but the question was reconsidered because the size of the building was not specified in the application. Mr. Gudger snid he was satisfied the Board had granted too many permits for buildings of this class. Later on in the account was reconsidered because the size of the Board had granted too many permits for buildings of this class. Later on in the account was received in the application, was received and the same than the account of the permits of the standard provided in the application. A. Farinholt, for whom the new building is to be creeted, although his name was not at first known in the transaction, came into the room, and the application was renewed in proper form. Mr. Gudger showing the the president's desires.

Public and that they would be damaged by the Westall declared be had been misintorized, but the president's desires.

Public and the received the Southern church the committee recommended that the assembly take action to meant a state of mind. Yesterday the construct a corrugated iron building in Tentville, on the special committee of mine to confer with a similar committee. If when the application the southern church the assembly take action to meant a state of mind. Yesterday the boundaries of President of Mary Mass, May 17—Frost last one should be appointed by the Southern church the committee recommended to mean a quarter of an inch thick. The mercary fell 32 ment a function to desire a state of mind. Yesterday the content of mind. Yesterday the content of mind. Yesterday the foundaries of President of Mary Mass, May 19.—Frost last one should be appointed to the so

the stand was merely an enlargement of upon the question of burning importance Mr. Johnston's fruit stand. After the to Buzzard's Bay, as it is believed to indiscussion Mr. Westall said that inasmuch as Mr. Farinholt had gone ahead on the work be would favor the granting of this permit, but wished to arge the Board to let this be the last permit the business portion of the city.
