THE MAYOR'S DEMOCRACY

HE UNDERTAKES TO FLUCTUATE IT.

It appears to be a very exclusive kind of Democracy. But let that pass—Against County Government System.

THE CITIZEN was not able yesterday to print all of the Mayor's inaugural speech. More of the remainder is given herewith:

"What is to be a Democrat? Why do I say that I am a Democrat, not merely professing, but from the bottom of my heart? Simply for this reason—that there should be no other cause under the shining canopy of heaven why there should be any government in the civilized world but the Democratic reason, and that only. Why should I allow Mr. Weaver to come to me and tell me to pay him \$100 of my money as taxes? Why should I surrender my private rights thus? Shall I do so because Queen Victoria is Queen of England? No, fellow citizens, I surrender these rights cheerfully because the people, the sovereigns of America, say that I shall do so, and therefore I am a Democrat from the bottom of my heart. Now, I beg of you to note the difference between profession and reality. I beg of you to keep in your minds. A serious issue meets us this year. How shall it be settled? Shall it be settled by men merely professing Democracy or those really Democrats? If really Democrats, they will gain the victory; if merely professing Democrats, they will be defeated, and deservedly defeated.

"Mark the distinction. Here are men in Asheville who have taken me. They said they were Democrats, and they are so now. Let them prove that by adhering to their party. Let them keep up their organization for the sake of their party. There are a set of men here who say, 'We are the Democratic party of Buncombe county. We are the men who are going to dictate the candidates of the Democratic party.' Fellow citizens, if you say to me that I am to vote for a man, that Mr. Hampton, for instance, dictates to me, then I am not a Democrat. That is just what I am. That is what I understand between a Democrat in reality and one by profession merely. The issue soon to be presented before us is, Shall Democratic principles prevail? There is no reason why we should say that all the people of Buncombe county are not the sovereigns. Why can we let it be said that I have been through the eastern counties and know the men of those counties. They are able to take care of themselves and we will let them do it. Take the bludgeon away from hands and let the sovereignty of the people of Buncombe county and Buncombe county will be solidly Democratic.

"Other criticisms have been made upon the past administration. You have established in the last two elections the principle that party politics should take no part in municipal affairs. That principle is, above all principles, important to the salvation of the prosperity of this town. Do you know a better Democrat, or more honest man than Mr. Richard H. Battle of Raleigh, N. C. Here is a letter which I received from him a few days ago. It is a fair sample of numerous others which I have received since the 6th of May.

[The Mayor then read a letter from Mr. Battle, congratulating him upon his election, in which the foregoing principle was endorsed.]

The Mayor continued: "I endorse every word of this letter. If the 6th of April straightouts put up a candidate and tell me to vote for him, no matter what kind of a man he may be, I shall not do so. But put up a suitable man and try me. Put up Theodore F. Davidson and you will see whether I will support him as against Pearson. Put the candidate up on Democratic principles and see whether or not I will support him."

"I have been charged with a good deal of malfeasance in office, especially with regard to the management of the municipal court. I looked over the records very hastily this morning and I propose to tell you what they show. They show that during the last year, Mr. Westall and myself, chiefly myself, have tried 556 cases. Of those 556 cases, I say this to the credit of my friend Mr. Harkins, scarcely one per cent. resulted in acquittals. Why, because Mr. Harkins is one of the best chiefs of police with which any town in America is blessed today.

"There is another matter of which I wish to speak. Mr. Whitson came to me and told me certain gentlemen wanted to make great investments here in certain manufacturing business. Will you co-operate with us, I said, I would, certainly. You may depend upon it, Mr. Whitson. A few days afterwards I saw Mr. Whitson again and he went more into detail. There was to be a great knitting mill put up on the Swannanoa. The trouble was that it might contaminate the water of the city. I said, we will see if that cannot be obviated. We conceived a plan whereby the city could get its water at a point above the dam of the mill. Then comes Mr. Maxwell, and the Board of Aldermen appointed a committee consisting of Mr. Jones, Mr. Westall and the Mayor to meet Mr. Maxwell. The first thing he said was, 'How much bonus do you propose to give me to induce me to come here?' We said, 'What do you mean?' He said, 'How anxious are you for the town to come? We told him we were anxious to do so. We have never been able to get these facts straight to you except through a little circular I have endeavored to circulate among you.'

Y. M. C. A. RESOLUTIONS

Special Meeting of The Board of Directors.

At a special meeting of the board of directors of the Young Men's Christian Association, held yesterday afternoon, the following resolutions were adopted:

"Resolved, That this board is gratified to hear no word of censure of our organization for the unfortunate culmination of the meeting held in their hall on Sunday afternoon last.

"Resolved, second, That our community may rest assured this body shall strive in the future as in the past to merit the approval of the pastors of our city and the Christian element of our community by adhering strictly to the sole object and purpose of the organization, viz: the salvation of the young men in our midst, the spiritual upbuilding and the advancement of their eternal interests, eliminating all objectionable features to the full extent of their ability.

"Resolved, third, That as a board hereby express our hearty thanks to the Rev. J. L. White for the address he delivered on Sunday afternoon, May 20, and feel sanguine that it is calculated to accomplish great good in our community.

"Resolved, fourth, That the newspapers of our city be requested to publish these resolutions."

ALMOST A SERIOUS FIRE

Blasts At The Back Shoals Home Of Boncombe's Hard

Bill Nye's residence at Back Shoals had a narrow escape from destruction by fire Sunday afternoon. Smoke had been noticed in one of the rooms, but for a time it was thought it was blown in from a fire in another room. The smoke at last became so apparent that search was instituted and it was found that through some defect in the woodwork under the flooring of the dining room, the fire had been communicated from the dining room fire and was making considerable headway. By the aid of friends who were in the house and the servants the ceiling of a servants' room, under the dining room, was torn off, a bucket brigade was formed, and the fire extinguished with water from Mr. Nye's well, which, he says, is 100 feet deep. The damage was perhaps \$200 or \$300. The residence is insured with Rutledge & Patterson, this city, in the Phoenix of Brooklyn, Standard London Assurance, Hamburg Bremen and Caledonian.

At the meeting of Asheville's Cycle club last evening steps were taken which will make a club membership more valuable than ever. The club accepted the offers made by the Y. M. C. A., which were to give the club the use of one of the boys' rooms of the association building for their meetings, and a room in which club members may store their wheels while awaiting the privilege of playing the cycling games in the association reading room was also extended, and hereafter the I. A. W. Bulletin, The Bearings, The Wheel, The Referee, American Wheelman and Cycling Life will be kept there, to which all members of the club will have access.

Through the generous offers of the association the Cycle club will have all the privileges that go with membership in the large clubs of the country, in which the monthly dues amount to a considerable sum.

LYNCHED FOR MURDER

Another Case of Assault Followed By The Usual Punishment.

ABELINGTON, Ga., May 22.—Friday evening the 14 years old daughter of Washington Smith living near here was outraged by a negro while returning from school. The negro met a desperate resistance and plunged a knife into her side. Smith came up and the negro fled three bullets in his body and fled. Neighbors found the father and daughter inseparable on the road and took them home. Smith died Sunday morning, and the daughter is not expected to live. Sheriff William caught the negro and arrested an armed band of 25 men took him from the jail and hanged him to a tree. They then fired fully 500 bullets into the body.

FITZSIMMONS AGAIN

He Wins In The Charlotte Bike Races On A Stearns Wheel.

CHARLOTTE, N. C., May 22.—[Special.]—Another great victory for Fitzsimmons on the "yellow fellow." Fitzsimmons cleaned the deck yesterday both in the one mile and the five mile bicycle races. Carson, also on a Stearns wheel, won the one mile novice race. Temple of Richmond won the one-half mile and Roach of Columbia the one-fourth mile races.

The event of the day, the five mile race, was won by Fitzsimmons, Nixon and Ramsay, in the order named, all riding "yellow fellows." The races were very exciting and largely attended.

THE CORNER STONE LAID

IN HONOR OF CONFEDERATE DEAD OF THE STATE.

A Great Crowd at Raleigh To Witness the Ceremony—Orations By Walter Grimes—Speeches by Others—A German.

RALEIGH, N. C., May 22.—The city this morning was packed with people who had come to attend the laying of the corner stone of the monument to be erected in honor of the Confederate dead of North Carolina. A procession seven blocks long was formed on Fayetteville street and marched then on to the Capitol where the ceremony of laying the corner stone was held. A choir of 100 voices rendered the "Old North State," after which Governor Carr introduced the speaker of the day, Walter Grimes.

Mr. Grimes spoke in an impressive manner of the Confederate dead of North Carolina, and was heartily cheered at intervals throughout his speech.

Rev. Mr. Easton of Lenoir led in prayer. He was followed by Judge Bennett and Thomas S. Mason, who delivered short addresses.

The ceremony was very beautiful and will be long remembered by the people of North Carolina.

A German will be given tonight by the Capitol club in honor of the visiting militia.

SMITH HERESY CASE

Consideration of It To Begin Next Thursday.

SARASOTA, N. Y., May 22.—In the Presbyterian General assembly yesterday the judicial committee took the platform and presented the report in judicial case number one, which designates the Smith case. The report was that repeal is in order, the papers having been duly filed, and it was recommended that appeal be entertained, both parties having agreed to waive their right to be heard on this question. If the assembly votes to entertain the appeal, three hours are to be given to Prof. Smith to present his case, four hours to the committee of prosecution, an additional hour to Prof. Smith, twenty minutes to the Synod of Ohio and two hours to the Assembly.

At the close of this time, a vote will be taken on each allegation of error and ground of appeal separately. It was decided to make consideration of this case the special order for Thursday next at 10 o'clock, to continue till finished, having precedence over all other orders.

BUTTS' OFFER OF MONEY.

Kyle Says He Was Promised \$14,000 Down.

WASHINGTON, May 22.—In the bribery investigation case before a Senate committee Eppa Hunton, jr., told the committee that he had been approached by Maj. Butts and offered a sum of money if he would induce his father to vote against the pending tariff.

Senator Kyle testified that Mr. Butts had offered him money for his vote, saying that he could have \$75,000 and made an offer of \$14,000 down.

At the afternoon session of the committee Butts was on the stand for upwards of three hours. He denied vehemently that he has made any attempt to bribe the Senators referred to or any other persons.

COXEY SENTENCED

He Must Go To Jail For Twenty Days and Pay \$5.

WASHINGTON, May 22.—Judge Miller has sentenced Coxe, Brown and Jones to twenty days in jail for violating the statutes by carrying a banner into the capitol grounds, and Coxe and Brown to pay \$5 fine or ten days in jail for stepping on the grass.

The effect of Coxe's conviction on his gungo followers, already demoralized by drenching rain storms, insufficient food and shelter, and repeated change of base, will probably be their entire disintegration. Even now the "army" is mostly made up of idle negroes recruited in Washington and Maryland and has scarcely any of its original members left.
