Afterwards I say the Attorney General on various co-casions, and had repeated conversation with him, in all of which I must obtain a judicial determination puestion, and he assured me, at ad times that it was his purpose to do so in ann ple time for all political parties to make nominations, in case there were waters to links

During the month of April, while hold ing court at Roxboro. I received a conmunication from the Governor askin ne to join with the other in state, who were interested in the resu and with hunself, in a request to the question, and I immediately repli-stating that I most cheerfully joined the request, and hoped the matter would be brought before the Suprem

would be brought before the Supreme court at the earliest time possible. This was my whole connection with the matter. I did nothing more than Chief Justice Merrimon, Judge Clark and Judge McKee: that is, I accepted a commission for eight years which was tendered to me by the Governor, on the advice of the Attorney General. After the emment Chief Justice and two Assoente Justices of the Supreme court has accepted such commissions, under similar eircumstances, it would have been pro-sumptuous in me to have pursued a differ ent course from that which I did pursu In fact no commission was ever tendered me except for eight years, and I presume the Governor would not have issued any

You do not state, and I do not know, with what qualification or limitation the last statement, viet that I armounced my determination to "hold over," is made but I suppose the clarge is that I intended to hold for a full term, whether lawful or anlawful. As to this statement I can only say that at all times, when I have expressed myself at all. I have stated that I proposed to abide by the action of the Democratic party; that if the party saw proper to call a convention I should submit my claims to the convention, and of course be governed by its action.
