FINE LEMONS Miss Mary Lawson Clarke, Superintendent of the Milwaukee Cook School, 20 CENTS DOZEN Has This to Say About Cottolene:

We have used Cottolene for frying of all kinds-fish, chops, potatoes, drop-cakes, timbales, eggs and oysters, and should have used it for H. T. ESTABROOK North Carolina Roe Herring, other things, if there had been anything else to fry.

We also used it to shorten bread, biscuit and other breakfast breads, finding it better than lard for all purposes, for which lard is generally used.
