BULLETS IN CHICAGO!

The Situation Very Serious There.

REPORTED THAT ONE RIOTER HAS BEEN KILLED.

THE STATE TROOPS TO BE CALLED OUT AT ONCE.

CHICAGO, July 6.—1:30 p. m.: A riot is in progress at the Union depot. The mob is trying to ditch a train.

Gov. Altgeld has ordered out the first and third brigades of the State militia.

CHICAGO, July 6.—Under cover of the darkness Gen. Miles last night began the massing of United States soldiers in Chicago and its vicinity on the lake front.

This morning the city found there two companies of infantry, one company Cavalry, one battery of artillery, which had been fighting to uphold the law in the stock yards, four companies of infantry which came from Fort Leavenworth on a train at the rate of 40 miles per hour, arriving at 4 a. m., three companies of infantry from Fort Brady, Mich., which came in on a special a little later.

It is believed by men conversant with the situation that Chicago will, within 24 hours, be under another government—that of the army of the United States.

Early this morning the commanding officers were pointing over a large map of Chicago and discussing among themselves matters of grave moment. One of them said: "If the throat of the city of Chicago is cut off, the effect, it is feared there will be rioting and destruction of property in the city. We are here to prevent it if possible, but to stop it in any event."

A Debs Permit:

CHICAGO, July 6.—This morning three mail trains on the Fort Wayne were sent through the district between Forty-fifth and Fifty-fifth streets, where the blockade existed yesterday. During the night freight cars that had been dumped on the tracks were removed and trains were sent out without trouble. Part of the mob charged a gang of workmen engaged in some cars at Forty-fifth street under the supervision of Alderman Curry. He showed the men a permit from Debs allowing such work to be done and the rioters left.

Militant Destruction.

Interference with the fire and police alarm system is a new and dangerous feature of the trouble here, and the officers have been ordered to arrest anyone caught in that kind of work. As yet the damage to the railroads is not serious.

One Man Killed.

At 10 o'clock this morning a mob of 500 men attacked the Illinois Central road at Kensington. In a few minutes box cars were run on to the main line, and several were turned and the line completely blocked. The officials of the company at once called on the police department and General Miles for assistance. It was reported shortly after that a United States Marshal at Kensington had fired on the mob and one man was killed.

Fired At The Mob.

Shortly after 11 o'clock a mob of 3,000 men and boys held up a milk train on the Pittsburg and Fort Wayne tracks at Fortieth street and stoned the engineer and fireman. Lieut. O'Neill with a squad of 30 policemen charged the crowd with drawn revolvers, but the mob only jeered, and finally commenced throwing large stones at the officers. The police then fired into the mob and several persons are reported fatally injured.

To Call Out State Troops.

Mayor Hopkins at 10:30 this morning stated that, unless he became convinced that the police could handle the big mobs that he had learned were gathering in various parts of the city he would telegraph Governor Altgeld to call out the second and seventh regiments as well as all cavalry troops and artillery.

"I have just received word from Chief Brennan that several mobs of from 3,000 to 7,000 persons are gathering at a dozen points," said the Mayor, "and I am convinced that a crisis has been reached and that nothing but the troops can save the city from rioters and perhaps worse. The militia could be ready for duty within two hours after they received orders."

Later, Mayor Hopkins has asked Gov. Altgeld to call out five regiments of militia to aid him in preserving the peace. Three are now stationed in Chicago.

Better Situation at St. Louis.

St. Louis, Mo., July 6.—The railway yards here and at East St. Louis are beginning to show signs of life and an attempt is being made to raise the freight embargo.

The firemen on the Frisco road went on a strike this morning. All traffic is suspended. It is believed they quit work in anticipation of the expected injunction of Judge Thayer.

Not a Freight Wheel Move.

CLEVELAND, O., July 6.—The railway men here have decided to go out. Committees were sent to the various yards to notify the men to quit work at 6 a. m. At that hour every man obeyed the orders and there is not a freight wheel moving in the Cleveland yards today. The passenger trains have not yet been interfered with, and the strikers say they will be permitted to run.

No Strike Here.

LOUISVILLE, Ky., July 6.—After a conference extending over three days, the Louisville branch of the American Railway Union voted last night against the strike.

Vote Out.

OMAHA, Neb., July 6.—All switchmen and firemen on the Chicago, St. Paul and Minneapolis and Omaha road in this city struck this morning.

Quit Spreading.

MEMPHIS, Tenn., July 6.—The Little Rock and Memphis employees have voted to strike.

THE FESTIVE DANCERS.

Fourth of July Hop at Kenilworth Inn.

The hop at Kenilworth Inn Wednesday evening, which one of the young ladies present declared should be called the Rhododendron Hop, as these flowers were profusely employed as decorations, was a very pleasant affair. A number of young people were glad to wind up the Fourth by dancing to such excellent music as that afforded by the Imperial trio, these excellent musicians who are at the Kenilworth for the summer.

There were about forty dancers. The young women numbered some of the prettiest girls in Asheville.

At about 10 o'clock the guests began to arrive and very soon the dancing rooms were a gay scene, with the couples whirling to the inspiring strains of waltz music. Most of the young ladies were in white.

At 12 o'clock a collection of saloons, ices, cake and such light refreshments, spread in the large dining rooms, was heartily enjoyed by the merry makers.

Then there were a few more waltzes and everybody went home after this very successful inaugural hop.

The musicians, Messrs. Jean and Charles Schaefer, and L. Taylor are first-class artists, whose two daily concerts at the Kenilworth are very entertaining features of the day. They were the backbone of the orchestra at the "Fates of Perseus" at the opera house Tuesday evening. Those who were present at the performance had an opportunity to judge of their merits as performers. Mr. Jean Schaefer, the violinist of the trio, has recently completed a three years' course at the Paris conservatory and is a master of the bow. Their selections afford the greatest variety, as they include the popular airs of the day as well as extracts from the favorite operas and classic pieces from the best composers.

The trio are considering the possibilities of locating permanently in Asheville and providing competent instructors in all branches of music.

The hop was a complete success and at its close the tired but joyous young people felt that they had to thank Mr. Rhoades, the manager of the Kenilworth, for a very enjoyable time.

REPUBLICAN CONVENTION.

They Did Very Little Harm at Waynesville.

WAYNESVILLE, N. C., July 6.—[Special.]—The Republican Judicial Convention met in the court house here yesterday afternoon in a short session. Jeter Pritchard was called to the chair and J. B. Ensley, of Jackson county, was made secretary. The committee on resolutions retired a few minutes and returned with a long set of typewritten resolutions, prepared beforehand.

A resolution was passed calling on Chairman Eaves to convene the State Convention at Raleigh on the 31st inst., it being the same day of the popular election for the purpose of effecting a coalition of the two parties.

Jeter Pritchard made his usual speech on county government, with some few modifications. Richard Pearson also made a short speech with very little effect. The nomination of candidates for judge and solicitor was then gone into. W. L. Norwood, of Haywood, was nominated for judge by acclamation. R. S. McCall, of Buncombe, and C. G. Washburn, of Madison, were put in nomination for the solicitorship. The vote stood 7 to 11 in favor of McCall.

A pretty good delegation was present, and among them was noticed Richard Pearson, Jeter Pritchard, Bob Patterson, Editor Roberts of the Banner, Lawyers Hendrix and C. G. Washburn of Marshall, Detective W. H. Weaver, J. S. McLeod of Franklin and Dr. W. F. Tompkins.

SPARTANBURG TEACHERS' Excursion Accompanied by State Militia.

Chairman Brown of the Teachers' association at Spartanburg, stated on Wednesday that the expected excursion of teachers to Asheville was indefinitely postponed "for good and sufficient reasons," one of which was that a train better back to Asheville, N. C., was in operation on a special trip at 11 o'clock, to return this afternoon at 6. With them came the Ft. Mott guards, R. M. Claffy, captain, 15 strong; the Santee Rifles, from Ellerbe, W. Bull, captain, 30 in number; the Clinton Rifles, H. Y. Vance, captain, 18 strong; the Maxwell guards from Greenwood, Captain Evans, with 18, and about 25 of the Clemson cadets and the Cadet band, the Washington, D. D. C. Campbell Infantry was commanded by Private King, who was the sole representative of the company in camp. The companies are at the State encampment at Spartanburg and will break camp on the 12th. The entire party took a trip to Vanderbilt this morning.

GREAT RAIN FALL.

Crops Laid Low And Creeks Made Impassable.

Uncle Pleas Ibsreal says that last Saturday's rains did great damage to all kinds of crops in the section between South Hominny and Leicester.

South Turkey Creek, New Found, Dick's Creek, and parts of Hominny over flow their banks and a great deal of grass was destroyed. One man reports a damage of \$1,000, others of from \$100 to \$500. No such rain was ever seen in the district before. It all fell in two hours, but creeks were made impassable that have not been known in years to flow high to top. Uncle Pleas had a beautiful stand of oats, but it lies flat now, covered with mud and sand. He says that in 40 years he has seen no such rain at this season of year.

SEATS SETTLE.

A Republican Confirmed in His Seat—Senate Tariff Bill.

WASHINGTON, July 6.—The Senate tariff bill was received in the House today, ordered printed and referred to the committee on ways and means.

Two private bills were passed by the House election committee today. The case of Williams vs. Settle from the fifth North Carolina district was reported in favor of Settle, the Republican sitting member.

World's Fair Buildings Burned.

CHICAGO, June 6.—The six large World's Fair structures which formed the boundaries of the court of honor perished by incendiarianism early last evening.

LETTERS BY THE PEOPLE

VARIOUS SUBJECTS AND PERSONS MENTIONED

Chapman For The People.

Work—Geo Washington's Non-A Boon For Lowly.

EDITOR THE CITIZEN:—Evangelist W. R. Gales and myself arrived here on Saturday, June 23, and on Sunday, the 24, Brother Gales commenced a series of Evangelistic meetings in the school house here, used as a Presbyterian church. This school and church is under the charge of Rev. K. P. Pell, synodical evangelist. The meeting was a union one. Rev. W. H. L. McLaurin, pastor of the Estato circuit, M. E. church, South, uniting with Bro. Pell.

Bro. Gales spoke with his accustomed earnestness and pathos, and the Holy Spirit honored his work in the conversion of over 50 persons, who confessed to a total surrender of their hearts and lives to the service of Christ.

The weather has been all we could desire, the roads good, and the meetings very largely attended. Yesterday Bro. Pell took about 20 persons into the Presbyterian church. Bro. McLaurin will receive as many more, and the remainder will unite with the Baptist denomination. Bro. Gales will remain here with his wife and daughter for a few days when he will probably commence a meeting at Elk Park. Very truly, Fitch Taylor.

Spring Pine, N. C., July 2.

Endorsed Crawford.

EDITOR THE CITIZEN:—A meeting of the County Executive committee with J. K. Neill as chairman, was called to meet in Burnsville on July 2nd inst., for the purpose of organizing the various committees of the Democratic party in Vance county to prepare for the coming campaign.

The various townships were fairly represented and the executive committees for each was appointed and organized.

The following committee was appointed as the County Executive committee for the next two years: L. H. Smith, chairman; E. H. Hammett, C. L. McPeters, J. F. Byrd.

On motion a meeting was called to appoint delegates to the different conventions to nominate candidates on the 21st inst., and then to determine when to call the county convention.

We are all harmonious and determined to win in the next election.

A resolution was passed endorsing the course of Wm. T. Crawford in Congress heartily.

Burnsville, N. C., July 2.

But Washington Had No Son.

EDITOR THE CITIZEN:—Asheville is to be congratulated upon the honor of entertaining for a time a direct descendant of the immortal George Washington.

It would be interesting if THE CITIZEN would obtain and publish the biography of the son of Washington. In revealing him to a country ready to do him honor THE CITIZEN will not only prove its own worth as one of the best informed and most accurate journals, but correct one of the most glaring mistakes of history.

Perhaps the writer can assist THE CITIZEN in its investigation by reference to Encyclopaedia Britannica, vol. 24, page 340, 24 column, paragraph 2. Z.

All for Crawford.

EDITOR THE CITIZEN:—Democracy in old Haywood is rapidly "wheeling into line" and may be counted upon to do her duty. Now Crawford is really stronger with our people than ever before, and that, too, without a word of line to influence any one from him personally.

Our springs are rapidly filling up from all parts of the South, and a big crowd is confidently expected. The boarding houses are also filling up.

Waynesville, N. C., July 2.

Jose P. Lowry.

EDITOR THE CITIZEN:—I take this opportunity of recommending to the favorable consideration of the Democrats of the 9th Congressional district, Hon. Jose P. Lowry, for Congress. He is a true type of all-around politician. Mr. Lowry's environments have brought him in close touch with the toiling masses of his district. The Democratic voters of this district in honoring Mr. Lowry would do honor to themselves.

For The Legislature.

EDITOR THE CITIZEN:—The people of Buncombe county are anxious to see her interests well and ably represented in the State legislature, and a large number of voters desire Mr. S. F. Chapman elected to the House of Representatives. He would make us as good a member as we can possibly get, and is very popular, and can be elected with a rousing majority. I therefore suggest his name as one of the Democratic nominees.

DIED AT 81.

Mrs. Jerre Rich, Well Known in Asheville and Vicinity.

Mrs. Jerre Rich, relict of the late Jerre Rich, died yesterday evening at 7 o'clock at the old homestead, five miles West of Asheville.

Mrs. Rich was a daughter of Rev. Peter Miller, who was for many years pastor of old Bethel church. She was 81 years old and had been a member of the Baptist church for over 65 years. She was the mother of J. R. Rich, formerly of Ballard & Rich, and of Mrs. A. Brand and Mrs. John Long of Asheville. The funeral was held in the family burial ground this afternoon at 4 o'clock.

There Was a Plot.

ROME, July 6.—The Popolo Ramano says police investigation has established the fact of the existence of a conspiracy, the object being to take the lives of the heads of various European countries.

Anarchist Lega, in accordance with this plot, was delegated to kill Premier Crispi, and Cessario was chosen to kill M. Carnot. Lega came to Rome from Cetta when he made the attempt to shoot Signor Crispi.

Hanged For An Attempt.

TUPELO, Miss., July 6.—George Pond, a negro, was lynched at Fulton Wednesday night by a mob. The charge against him was that he had entered a girl's room with the intent of assaulting, but the girl awoke and he fled. He confessed on his examination trial.
