B. H. Cosby, the jeweler, has on exhibition in his show window on l'attor avenue, two paintings, the work of Mrs. Barchus of the Pacific coast, whose work is rated very high by the Academy of Design of New York. One of the paint ings represents Mt. Tacoma at sunset and is a vivid and beautiful portrayal of seeming unnatural to residents of the east on account of its vividness, is simply perfect to those who are familiar with the sunsets of the far west. One of the visitors of the city, who has visited

Tacoma, remarked yesterday that the painting was almost startling in its truthfulness to the real scenery.

The second painting is a scene on the Sacramento with Mt. Shasta in the distance, and is almost a match to the fact of the Sacramento with second painting of the Sacramento with Mt. Shasta in the distance, and is almost a match to the fact of the Sacramento with Mt. Shasta in the distance, and is almost a match. first one. The glimpse of the Sacra-mento is almost poetic in its beauty. The paintings were put on exhibition by Mrs. Cornwell of 163 Haywood.

There is a third painting, not ex-hibited, which represents Mt. Tacoma at noon is that as perfect as the sunset man has been arrested for causing the
