THE BENEDICTS' PENNANT

MARRIED MEN WIN FROM THE BACHELORS.

A Small Crowd At The Game At Allendale, But a Quantity Of Fun—The Game Ends on a Score Of 20 To 19

Twenty to 19, with an inning to spare, was the score by which the Benedicts defeated the Bachelors, who had the grit to face them on the Allendale diamond yesterday. The attendance was very light, so that the Kindergarten's treasury was not filled (more's the pity!) and the game was held back awhile by rain. When the ball was put in motion, however, there was an exhibition of playing that made the empty seats in the grand stand curl with merriment while the audience laughed till the tears came.

At 5:15 Umpire Lanier called play and every nerve was strung from that minute forward. The Bachelors were first to bat. Merrimon faced Twirler Collins and touched the ball for a base because Eagan erred and "Sis" trotted to third on Thrash's error. Rankin, who is an old player though a young bachelor, was credited with a hit. These two scored, but no more. Clarke hit, and Dorsett did likewise, but was unthoughtful enough to run off first on Baird's fly, which was accepted by Sawyer without 30 days' notice and put to Nichols by which the first double was made. Adams went down on four balls, but Chandley threw to McLoud in time to catch Clarke and his check was protested as the side retired.

The idea of a double play dampened the Bachelors' spirits, but they went to the field grim and determined, and the married men went up to wield the broomstick. Nichols, whose "M" on his shirt front was an inverted "W" used in the U.S. game, glanced at Pitcher Merrimon and frightened the breeze by being moved down without touching the ball. McLoud made first on Baird's error, but went out at home on Eagan's hit to Adams. Chandley singled, though married, and then Collins swiped a beautiful fly to Rogers, who got under it and then moved for first on Sawyer's error. A razzle-dazzle ensued as the ball took on an anti-Keely jag and three men scored. Faraday Reeves, who was playing with the married men because some of them did not appear, fanned once, and retired the side, remarking as he did so that that was what a man got for pretending to be a married man.

The Bachelors went in to do some winning in the second. Farman got his form ready and went to press on four balls, but he "spat" at the third from Collins. Summey had a struggle with Collins and Nichols and lost. Then with a pair out, Rogers gave himself palpitation of the heart as he gave a hardwood hit and lumbered over to third. Gilkey was hit by the pitcher and went at dinner, rubbing his hit, followed by Merrimon with a hit that would do to bank on. Rankin accepted a draft for a triple, Clarke put a call for 1 on the slate and Dorsett's cash balanced and some over with a double. Five men had scored when Baird pitched out to Nichols. Hudson opened his tea store to the Benedicts by a base on balls, while Thrash, who is not married, got a hit that made the wares in the Crystal Palace dance with glee. Sawyer flew out to Rankin, who followed this play with an error that allowed Nichols to go to first. McLoud's stock was watered with a "batter out," Chandley made a Madison hit, and Eagan gave Gilkey a fly that he didn't have a prescription for, and when Collins died from third to first five men had seen home.

Lanier gave up the umpire business in the third. Metz took his place and struck an attitude that caught the grandstand and his loghorn sounded loud over the sound of the hits. Some of his decisions caused the Benedicts to declare he was a Spartanburg umpire, but they went. Moore began the riot by taking four balls, according to the United States court rules, but Reeves struck out. Hudson went long on his eye and Thrash drove out a double that scored two. Sawyer got in front of the catcher and smote the sphere way out to center and when his books were examined it was found he had a home run to his credit. Nichols and McLoud went safe and Chandley broke his bat with a two bouncer. Eagan got an error and Rankin and Collins coiled up on a juggle at second, followed by Moore's double into left. Reeves then flew to Baird and Hudson fanned, but eight men were round.

The audience kept up its applause all along, and it was expected when the Bachelors came in they would pile up a wagon load of runs. But only three men saw home. The Benedicts kicked when Clarke was put in to pitch and the kick succeeded after Metz had pulled his watch. Only three men batted. Thrash and Sawyer going out on the only double by the single men, between Baird, Dorsett and Rankin, and Nichols striking out.

Yates relieved Gilkey and the fifth was a shut out for the Bachelors, Summey, Yates and Merrimon doing the expiring act. McLoud and Chandley scored for the Benedicts but Eagan, Collins and Moore put the side out.

In the sixth the Bachelors ran up two, with Rankin and Clarke. Another double was made here by Nichols, unassisted, putting out Baird on a fly and Dorsett, who had run on it. Adams hit, Furman got four balls and Summey went down on Eagan's error, but with three on bases Rogers died going to first. Reeves and Sawyer helped their side win runs. McLoud made the third out by turning the wrong way running over first base.

The seventh saw the Bachelors determined to win. Yates went out from shortstop to first, and then Rankin batted. Rankin rained the roof of the grand stand with a home run 'way over right field fence. Dorsett got a double and five runs were marked up when Adams and Furman went out on a double play between Chandley and Nichols.

After consultation the game was called here, on account of approaching darkness, and the Benedicts were happy over this.

SCORE BY INNINGS.

Bachelors	1	2	3	4	5	6	7	8	9	Total
Benedicts	0	0	0	0	0	0	0	0	0	0

The players and positions in starting out were as follows, although several changes were made during the game: Benedicts—Nichols, 1 b.; McLoud, 3 b.; Chandley, c.; Eagan, 2 b.; Collins, p.; Moore, r. f.; Reeves, l. f.; Hudson, s. b.; Thrash, c. f.; Sawyer, r. s. a. Bachelors—Merrimon, p.; Rankin, 3 b.;

Clarke, 1 b.; Dorsett, l. f.; Baird, c.; Adams, s. b.; Furman, 2 b.; Summey, r. f.; Rogers, c. f.; Gilkey, r. s. a.; Yates, r. s. a.

After The Ball.

Jim Young was a lively rooster for the Benedicts. Eagan's voice is broken today from coaching. The stock of the married men is above par today. Double plays were as thick as umpires at Spartanburg. Several of the Asheville team were interested spectators. Metz's voice would be a fortune to a diamond catcher. The winners got bouquets from the Idlewild Floral company. Gilkey's Comanche whoop was scarcely louder than his stockings. Faraday Reeves succeeded in making two of the outs in the third. Thud, Thrash made a beautiful one-hand catch of Rogers' fly in the third inning. It made him prouder than if he had sold a barrel of china to Queen Victoria.

DEBS IN JAIL.

Determined to Go There. Perhaps To Seclude Himself.

CHICAGO, July 17.—A largely attended meeting of the railroad strikers was held in Ulich's hall to hear the reports of committees selected to report the condition of the strike on roads they formerly worked for. Some of the reports were not as indicative of success as the leaders expected. A former Nickel Plate employe reported that more than half the strikers had returned to work. Vice President Howard made a speech in which he closed by saying: "Mr. Rogers and I have got to go into court now, and it is possible that we may have to go to jail. We may be even kept there, though a writ of habeas corpus may liberate us. The way to end this thing is for every working man in Chicago to drop his tools."

A score or more of friends urged them to reconsider their determination. Debs, however, was obdurate, and in his determination he was supported by his associates.

In the meantime the orders of the committee were made out by the clerk of court. Marshall Arnold had been summoned and with him he brought deputies J. W. Forsyth and C. H. Jones. A final effort was made to induce the defendants to accept the proffer of their friends. At half past four Marshall Arnold escorted them to the county jail on the north side. On their arrival at the jail the prisoners were courteously received by Jailer Morris. The Marshal did the honors and the prisoners shook hands with their new custodians.

No feature of jail methods, however, was relaxed in their behalf. At the demand of the turnkeys they held up their hands and submitted to a search. They were deprived of all valuables, after which they were led to spacious and roomy cells in the debtors' department.

EARTHQUAKE PHOENIX.

Three Shocks in Memphis and One in St. Louis.

MEMPHIS, July 18.—Three distinct shocks of earthquake were felt here at 6:30 this morning. The vibrations were from north to south.

ST. LOUIS, July 18.—A slight shock of earthquake was felt in this vicinity about 7:10 today. The shock was not so noticeable in the city proper, but in the suburbs the houses were shaken, pictures rattled on the walls, chairs rocked and dishes on the tables were moved. In no case, so far reported, was the shock sufficient to do any damage.

KILLED BY DYNAMITE.

Two Hundred Micks Explode Among a Party of Men.

HAELETON, Pa., July 18.—At the No. 8 Stockton mine yesterday 200 sticks of dynamite exploded among a crowd of men preparing to go to their day's work. All of them were torn to fragments. The exact number of killed is not positively known, but it is placed at between eight and 11.

The cause of the explosion can never be known as none of the men is living.

PULLMAN STRIKERS.

Five Hundred Of Them Put Back To Work Unmolested.

CHICAGO, July 18.—The first break in the ranks of the Pullman strikers has occurred, 150 Hollanders having been put to work on the tracks back of the Pullman foundry. No effort was made by other strikers to prevent the men from going to work.

TIS BLOCKED BY CONGRESS.

A DEAD LOCK ON THE TARIFF BILL.

The House Conferees Will Not Yield, but the Senate Might Were It Not for the Maryland Senator—Wilson to Report.

WASHINGTON, July 18.—Senator Jones of Arkansas, after an ineffectual meeting of the Democratic tariff conferees this morning, drove straight to the White House and had over an hour's conference with President Cleveland.

It is said he reported to the President that all movements looking to concessions by the Senate to the House conferees had been blocked by the influence of the Senator from Maryland (Gorman), representing a group of so-called conservative Senators. It is also said that Senator Jones informed the President that this announcement would probably be made to the House tomorrow on the part of the House conferees, it being the intention of the House conferees to let the country know where responsibility for failure to agree rested.

The House conferees had a consultation this afternoon with Speaker Crisp before going to full conference and came away convinced that they were pursuing the right course in insisting on the essential features of the House bill.

Wilson, if his health enables him to stand the strain, will make a report to the House tomorrow when the tariff bill comes back in disagreement from the conferees.

HARCOURT'S PROGRAM.

Work Cut Out For The House of Commons.

LONDON, July 18.—The House of Commons was crowded today in anticipation of Sir William Harcourt's announcement of the government's program for the remainder of the session. The Chancellor of the Exchequer said it was clearly impracticable to proceed with some of the great measures to which the government was pledged, such as the Welsh church disestablishment bill and local veto bill. The passage of these bills would constitute a part of the work of the next session. Sir William thought the house, before being prorogued, could deal with the evicted tenants' bill, the Scotch local government bill and the miner's eight-hour bill. The evicted tenants' bill was of prime importance. He also mentioned a number of minor bills which he said the government was hopeful of passing in season to enable it to rise at the end of August.

THEY WILL DECORATE.

Foreign Governments Desire to Show Their Appreciation.

WASHINGTON, D. C., July 17.—A bill authorizing John E. Johnson and others, keeper and crew of the lifesaving station at Hog Island, Va., to accept medals of honor and diplomas from the King of Spain for saving a crew of the Spanish ship San Albano, February 2, 1892, was passed by the house today; also a bill authorizing Rear Admiral John C. Walker and Surgeon General Rufus Ryan, U. S. N., to accept decorations from the government of Venezuela; also authorizing Commander C. H. Davis, U. S. N., to accept a decoration from the King of Spain in recognition of services to the infant Eulalia during her visit to the World's Fair.

The bill authorizing the President to appoint delegates to the International Goetheic association passed.

NOT WEAKENING.

The Strike Still on Out in California.

SAN FRANCISCO, Cal., July 18.—The strike situation in California is practically unchanged. The Southern Pacific company is improving of its trains, as is also the Santa Fe system. In the southern part of the State notwithstanding that it has been reported to the contrary there are no signs of the engineers going out. The strikers are holding together at all principal points and give no intention of weakening.

Lynched a Tramp.

BERLINGTON, Ky., July 18.—This morning a mob of twenty masked men took Louis Laferletta from jail and lynched him. He was a tramp and murdered William Whitlock, a farmer.

Utah Will Come In.

WASHINGTON, July 18.—The President has signed the bill to permit Utah to hold a constitutional convention and be admitted to the Union as a State.

MCKEESPORT, Penn., July 18.—The National tube works strike is declared off. The men return to work tomorrow.
