**A PETITION SENT TO BOARD OF ALDERMEN.**

**Long Suffering Citizens Make a Protest Against a Nuisance—Contemplating Extension of a Sewer Line—Promised Built Over a Butcher's License**

It looked for awhile yesterday afternoon as if the Board of Aldermen would not hold a meeting. In fact, those who were present were on the point of adjourning to the meeting of baseball cranks at Allendale. But by and bye Mr. Jones came in and the business proceeded. Later J. M. Guderger arrived, leaving H. L. Guderger as the only missing member. For probably the first time in the history of the Board flowers graced the desk. Two large bouquets of the austere look that this lawmakers' chamber has for some people.

A petition came in from renters in Central market, asking a general reduction in rents, pleading the general depression and the fact that chickens were being sold from wagons in all parts of the city. There was no action on the petition, but it seemed the sense of the Board that in the recent reduction "had rock" houses.

J. H. Hettelman sent in a bill for \$10.38 for expenses incurred by the removal of a stall in Central market, but the Board could not see its way clear to paying it.

Geo. F. Mills in a communication requested that Sunset Drive be put in better condition; the request went to the street committee.

A letter was read from Mrs. Charlotte Walker, who claims damage to her property at the corner of Bailey and Phillips streets by a change of grades. Mrs. Walker offered to submit the question to arbitration. The street committee recommended the acceptance of the proposition to arbitrate. Report adopted, and W. M. Jones and E. C. Chambers were chosen arbitrators, to decide whether the damage arose through fault of the city or the W. A. & S. S. Railroad, and if of the city, the amount of damage.

The ordinance enlarging the limit inside of which fresh meats and vegetables shall not be sold except in Central market, making it three-quarters of a mile from the court house, was called up, placed on third reading and passed. J. D. Murphy, appearing for James Buttrick and A. Wernow, asked the Board to allow Mr. Wernow to sell meats in the Buttrick block, which is inside the limit, and inside the new. Mr. Murphy said that when he would open his market and had the number of his residence, 325 West Haywood street, inserted. The license was given, he did not know just where he would open his market and had the number of his residence, 325 West Haywood street, inserted. The license was given, he did not know just where he would open his market and had the number of his residence, 325 West Haywood street, inserted.

**IT IS NOT WAR**

**But Sinking Transport Is Not Peace Like, Is It?**

LONDON, July 28.—The Chinese legation today received a dispatch from Tientsin saying that the King of Corea was captured by the Japanese, July 22. This is regarded as explaining the collision which took place at Seoul, capital of Corea, between the Japanese and the Palace guards.

The Chinese minister today said there had been no formal declaration of war between China and Japan in spite of the collisions which have occurred, and that conferences tending towards peace and a full settlement of the disputes between the two countries still continue.

SHANGHAI, July 28.—Further news received here shows that in addition to the Hugh Mathieson and Company steamer Kowlung, which was sunk by a Japanese cruiser as it was being used as a transport for Chinese troops, all on board being drowned, the Chinese trading company's steamer Took An, also being used as a transport for Chinese troops, has been sunk by the fire of a Japanese warship.

YOKOHAMA, July 28.—The Japanese government has issued the following official statement of the recent engagement between the fleets of Japan and China: "In consequence of severe provocation from three ships of the Japanese squadron were compelled to engage the Chinese fleet off Poutao or Round Island. They captured the Chinese warship Tsao Kian and sunk the Chinese transport with the soldiers on board. Unfortunately, one of the largest Chinese ironclads of the northern fleet escaped to China and the Chinese torpedo cruiser Huan Tai escaped to Fusan in Corea."

**HOMINY NOTES**

**Blanton Camp Base Ball Match—Hominious Personal**

CANDLER, N. C., July 27.—The reunion of the 25th N. C. regiment occurred near here on Friday and Saturday last, the veterans going into camp Friday evening. Saturday morning a large crowd assembled on the ground, where they were addressed by J. R. Duhone, ex-G. G. Candler and J. A. Stikelder, who appealed to the young men of the Old North State to perpetuate the memory of their fathers by attending these annual meetings. Efforts will be made soon to erect a monument to the memory of Company I.

The crops in this section are only moderately good this year, being injured by the cold in the early spring.

On the evening of July 21st a game of baseball was played between the Upper and Lower Hominious teams, resulting in a score of 14 to 10 in favor of Upper Hominious.

Cupid's darts have been flying in the midst of us. An almost "infant wedding" took place yesterday morning at seven o'clock. The contracting parties were Burgess L. Gowen and Miss Annie Davis. It is thought they will remain at the home of the groom's father until they become of age.

Hon. W. G. Candler has just returned from Murphy, where he thought of purchasing lands.

Miss Bonnie Candler, who has been in Tennessee for some time, returned last week.

**DEMOCRATIC CLUB**

**Executive and Membership Committees Appointed.**

The regular meeting of the Asheville Democratic club was held in the court house last evening. An executive committee was appointed as follows: First ward, Chas. A. Webb, Second ward, J. H. McConnell; Third ward, Geo. S. Powell; Fourth ward, Dr. Geo. A. McLean; city at large, Chas. H. Blanton.

A membership committee of one from each ward was appointed, as follows: First, J. H. Tucker; Second, Geo. W. Tilson; Third, J. P. Kerr; Fourth, Dr. I. M. Broyles.

A number of names were added to the club's rolls.

It was the sense of the meeting that it would not be necessary to hold regular meetings until the campaign fully opened, and it adjourned subject to the call of President Luther.

**CRIMINAL COURT.**

**New Cases Disposed Of Yesterday and Today.**

The Criminal court had disposed of the following cases up to this afternoon: State vs. Dock Blanton, affray; not guilty.

State vs. Dolph Boone, assault with deadly weapon and carrying concealed weapon; two months on the county roads in the first case and one month in the second.

State vs. W. G. Frady, affray; submitted, and judgment suspended on payment of costs.

State vs. Frank McClarty, larceny; two years on the roads.

State vs. Eugene Murray, affray; submitted, and judgment suspended on payment of costs.

Ed. Luther, f. and c., four months on the roads.

**Jewish Ministers in Asheville.**

For the first time in the history of Asheville two Jewish divines, Dr. Chumaceiro of Augusta and Dr. Mendes of Savannah, Ga., are spending their summer vacation here. Last evening Dr. Chumaceiro officiated at the services of Congregation Beth-El-Teilah and the largest Jewish audience that ever gathered in Asheville enjoyed the prayers in Hebrew, as also his lecture on "Live in Unity," which was eloquent and highly instructive. The choir was ably led by Miss Ray Whitlock and added much to the impressiveness of the service.

Mr. Mendes has consented to conduct the Sabbath prayers next Friday evening. Visitors are invited.

**Marriage License.**

From Register Mackey's office license to wed has been issued as follows: J. R. Barrett and Eliza A. Parker, of Buncombe. Thor. Burrell and Susie Calvert, of Buncombe. J. C. Roberts and Eliza J. Ball, of Buncombe. Charlie Ray and Priscilla Rankin, of Buncombe; colored.

**NO CHANGE IN THE BILL**

**THE SENATE DOES NOT RE-CEDE VERY FAST.**

**The Tariff Measure Back in Conference And No Progress Made—Wilson Consul's With President Cleveland.**

WASHINGTON, July 28.—Vice President Stevenson has been telegraphed to by the Democratic Senate tariff managers to return to Washington at once, as, in their opinion, his presence at this juncture is imperatively needed by his party associates. The Vice President is at his home in Bloomington, Ills.

The decision of the presiding officer of the Senate yesterday (Mr. Harris) sustained the point of order that it was not in order to give instructions in a "full and free conference." The decision was appealed from and the motion to lay the measure on the table was made by Mr. Faulkner, Democrat, of West Virginia. The vote was taken amid great excitement, and it resulted in a tie, 32-32, nava 32. So the motion to lay on the table, not having had a majority, failed.

Then came the question whether the decision of the chair should stand as the judgment of the Senate, and it was also decided in the negative in the same way. Then Senator Gray's original motion to insist and agree to a further conference was agreed to without a division.

Representative Catchings of Mississippi, member of the committee on Rules, called in the White House this morning and had a talk with President Cleveland about the tariff situation.

The House conferees make no secret of the embarrassment of their position especially in relation to the President's attitude on the bill, and are anxiously searching for a way out of their difficulties. Soon after Catchings took his departure Chairman Wilson arrived. Though still in poor health, he took the night train from his home in West Virginia immediately on being advised that the Senate had sent the bill back to conference—as it did yesterday—and on his arrival he drove at once to the White House which he reached at 10 a. m. The President received him immediately and closed the door to all other callers. They remained in close communion for over an hour.

The Democratic members of the conference committee on the tariff bill were prompt in resuming their sessions today. The meeting was held in the room of the senate committee on interstate commerce, with all the members present except Chairman Voorhees who was absent on account of illness. From the best information obtainable the indications are that there will be numerous changes in the less important schedules of the bill. These were agreed upon tentatively in a former conference, and it is considered improbable that the basis of agreement then arrived at will be changed materially during the present conference.

The early session of the conference was devoted entirely to an exchange of views upon the situation, with the Senate members doing the greater part of the talking. They told the House members that in the present feeling in the Senate it was out of the question for Senate conferees to undertake to make any concessions on the principal articles in dispute and that, in their opinion, the conference would have to adopt practically the Senate bill or the c would be no tariff legislation.
