Grocery Store.

Is now always rushed, and it is packed and jammed with all the nicest and freshest goods the market affords. Just received a large lot confectionaries direct from factory at wholesale. Hard work night and day. Careful and polite attention is what makes our store attractive. Prices cut in two in the middle and set on fire at both ends, as I have no one to compete with me. I am doing the funny thing of under selling myself. My tobacco and cigar department is a great attraction, which is complete. No time to mention brands. Come and see 'em. No use going up town. I have what you want. All goods fresh and first class in every respect. No old stale stock. Try my Omega flour. This is the best flour on the market, but I keep all kinds. Also hay, horse and cow feed. In fact everything that man or beast could eat I keep. I receive H. & S. candies direct from factory every week. Drink Kop's Cheer, non intoxicating, pure and healthful; substitute for beer. Kop's Extra for stout. Doctors are prescribing it for invalids and weak persons. Goods delivered to any part of the city free. No trouble to show goods,

In the scheme for re-orgaization the following companies were included: Richmond and West Point Terminal railroad and warehouse company; Richmond and Danville; York River and Chesapeake, South Carolina, Atlanta and Charlotte Air Line, Washington, Ohio and Western, Northwestern of North Carolina, Clarkesville and South Carolina, Oxford and Clarkesville, Charlottesville and Rapidan, Franklin and Pennsylvania, Western North Carolina, Columbus and Augusta, Atlantic, Tennessee and Ohio, Columbus and Greenville, Georgia Pacific, Danville and and Western, Baltimore, York River and Chesapeake Steamboat Co., East Tennessee, Virginia and Georgia, Alabama Central, Knoxville and Ohio, and Louisville Southern.

"CITY BY THE RIVER"

Which Means Marshall—Personals & S. Coates'.

MARSHALL, N. C., Aug. 22.—Nearly everybody in our town is making preparations to attend campmeeting at Turkey creek. Mr. and Mrs. W. R. Lillery attended the Union Sunday school convention at Hemphill church Saturday and Sunday. Mr. Charles Adams of Port Huron, Mich., is stopping at the Wilbar house. Mrs. James Bryan visited friends in town this week. Miss A. P. Wilbar, W. C. Sprinkle and C. W. Tweed went to Asheville Monday.

Mr. Charles C. Smith of Franklin, N. C., was here on business for the government Monday and Tuesday. Mrs. Will Robers and Miss Hattie Roberts were in town Monday visiting relatives. Mr. W. W. Zachary went to Weaverville Tuesday. Misses Florence and Ida Pritchard visited friends in town Tuesday.

There will be a singing contest between the Sunday schools of this county at the court house, the first Sunday in September. The prizes are a handsome Bible and a silk banner. Everybody is invited to attend. With such a leader as Postmaster Lance, the Marshall class has hopes of winning one or both of the prizes.

Mr. Higgins of Lynn, Mass., is registered at the Wilbar House. Mr. Tom Murray of Mars Hill is here stopping at the Rector hotel. Mr. P. M Hudgins came down from Asheville Saturday, and spent Sunday with his family. Dr. J. Wallin of the Madison Seminary, was here Tuesday; also Dr. Tilson of Laurel Branch.

A convention will be held at the court house August 27, for the purpose of nominating candidates for the county offices. Politics seems to be the subject of general conversation in our "city by the river."

WILL WRITE A LETTER.

The President Will Tell Why He Can't Sign the Tariff Bill.

WASHINGTON, Aug. 23.—The President returned last night. Several members of the cabinet who saw him this morning afterwards stated their belief that no change had come over the President during his stay at Buzzard's bay and that he would permit the tariff bill to become a law without his signature. It is generally thought that the President will send a message to the House announcing that he has permitted the bill to become a law and giving his reasons therefor.

Speaker Crisp and other prominent Democrats in the House say they have heard nothing from the President to indicate what he will do with the tariff bill.

Weavers Strike.

SUNCOCK, N. H., Aug. 23.—Four hundred weavers in the China mills here did not go to work today because of a reduction in wages equal to the cut down in the Fall River mills. Notices of reduction have been posted in the Webster and Pembroke mills also and strikes may follow.

ASHEVILLE WINS AGAIN.

The "Moonshiner's" Take Three Straight From Greenville.

A close, but rather lifeless, contest was that between Asheville and Greenville at Allandale yesterday. The features of the game were a fine double play by Metz, unassisted, and the splendid fielding of both teams. A very small attendance was out.

Young led off in the first with a hit. Green got a two bagger and scored on Stephens' hit to right. For Greenville Powell got a hit to center and scored on Morgan's hit. Cain went out to Green, Gibson to Metz and Craig struck out.

In the second Stanley got base on balls, stole second, and scored on hits made by Lanier and Robertson. Greenville increased her score one in this inning, Sullivan getting first on passed ball by Oldham and scoring on a hit made by Coppedge.

The third was ciphers for both teams, Green and Oldham for the home team and Gibson for the visitors each took a hit.

Lanier, Metz and Robertson went out in succession for Asheville in the fourth, and Greenville fared but little better, only four men going to bat, two of whom tanned the wind thrice.

In the fifth Young and McClung went to first by being hit by pitched ball and both scored as did also Green and Stanley. In Greenville's half Gibson and Cain went out on a double play by Metz, and Morgan went out from Metz to Green.

Young got a two base hit in the sixth but failed to score, as Robertson and Green went out to Morgan and Stephens struck out. Greenville rolled up four runs in this inning, tieing the score.

By securing a hit and stealing second with the aid of a hit by Metz Stanley made a run in the seventh. The remainder of the game was goose eges all round. Oldham and Stanley went out in the ninth on a nice double from Beiers to Morgan, and the game ended 7 to 6 in favor of Asheville.

Double plays—Metz (unassisted), Powell, Beiers and Morgan, Beiers and Morgan. Base on balls—Off Stephens 4, off Coppedge 2. Hit by pitched ball—By Coppedge 3. Struck out—By Stephens 1, by Coppedge 2. Passed ball—Oldham. Time of game—1.50. Umpire, Mr. Wightman.

The batting of Powell this week has been as good as ever seen here.

The batteries for today's game are Green and Oldham, and Cain and Gibson.

Some of the players want to know when, oh when, the weeds in the field of Allandale are to be cut down.

Metz, the second baseman of the Moonshiners, has accepted 38 chances in the last six games without making an error.

Pitcher Stephens and Stanley, the short stop, are soon to leave Asheville. Mr. Stanley leaves next Thursday and Mr. Stephens goes Saturday week.

The Greenville News says that both their new pitchers, Ramsey and Bamburg, have proved a failure, the Asheville men hitting them when and where they please. Correct.

Ramsey, Lanier and McClung will go to Haywood White Sulphur Springs Saturday, to play a game on that afternoon with the Springs against the Waynesville team.

REPUBLICANS WONT VOTE

SENATE ADJOURNS, A QUORUM.

The Sargeant-at-Arms Instructed To Bring The Wandering Democrats In. But He Will Probably Not Do It, as He Lacks The Power.

WASHINGTON, Aug. 23.—Even before the reading of yesterday's journal in the Senate today the absence of a quorum was pointed out by Manderson, and the roll showed the presence of only 33 Senators, 10 less than a quorum.

Harris moved that the sergeant-at-arms be directed to request the presence of the absent Senators, but Pasco and Cockrell pointed out that the order made yesterday was still in force, and the latter asked that the report of the sergeant at-arms be read. This was dated today and reported that of 42 senators who failed to answer to their names yesterday only two were in the city, and one of these, Voorhees, was too ill to attend. Others were telegraphed to attend immediately. Up to 12:40 o'clock, 35 Senators had responded.

At 12:30, it being apparent a quorum could not be secured, upon a motion by Harris, the sergeant-at-arms was directed to compel the attendance of absent senators. This, it is said, will not amount to anything, as the sergeant-at-arms has always and now refuses to arrest senators unless he is given a warrant for their arrest. The Senate has likewise always refused to issue its warrant. A quorum could be obtained if all the Republicans would vote as there are a number about the building who have so far declined to enter the chamber.

At 1:18 the Senate adjourned until tomorrow.

GONE TO THE SEAT OF WAR.

A Defaulting Cashier Gone to the Flowery Kingdom.

PITTSBURG, Pa., Aug. 23.—"Henry G. Gardner the defaulting cashier of the Second National bank of Altoona, is en route for China or Japan, and he has with him $100,000 in bank notes of large and small denominations."

So spoke Samuel B. Griffith, assistant district attorney, when asked regarding the truth of a rumor that Gardner had been in this city Tuesday. "Gardner was in Portland, Oregon, a few days ago," said Mr. Griffith, "and he has likely left country by this time.

A week ago last Monday Gardner learned that Bank Examiner Miller was going to investigate his accounts. Gardner at once began preparations for a flight and left that afternoon, taking every dollar of the bank's money that he could carry. The capital stock of the bank is $100,000 and the defalcation is in excess of that sum.

No Asylum For Gen. Ezeta.

WASHINGTON, Aug. 23.—Admiral Ramsay, acting Secretary of the Navy, last evening telegraphed orders to the commander of the Mare Island navy yard, San Francisco, instructing him to take a United States marshal out to the Bennington in a naval tug boat and permit him to serve the warrants of the United States court on the Salvadorian refugees. It is expected at the State department that the arrest of General Ezeta and his associates will be made today.
