WHITNEY WOULDN'T HAVE IT

IT NOW LOOKS LIKE JOHN BOYD THACHER.

Whitney Says Hill is the Man For the Place And That He Would Poll An Enormous Vote—Tammany in a Pinch.

QUARANTINE, S. L., Sept. 26.—William C. Whitney was interviewed at quarantine this morning and announced positively that he would not, under any circumstances, accept the Democratic nomination for governor. He declined to state his reasons at length, but gave the impression that his business interests would not allow his acceptance of the nomination.

"There are plenty better men in the Democratic party," he said in reply to a query as to his opinion on the subject of the probable nominee.

Mr. Whitney is apparently in the best of health and says he has enjoyed himself immensely while abroad. He was accompanied by his daughter. After he had finished his breakfast, Whitney went to the smoking room of the steamer and, seating himself in a corner, prepared himself to be interviewed by some 20 reporters.

"In the first place," he said, "I will not accept the nomination under any circumstances. I stated that very positively before I left Europe in a cablegram to somebody or other, I don't remember whom. There are plenty of better men in the Democratic party, men who would be more acceptable and more successful than I. I regard David B. Hill as the very best man for the place. I think he would poll an enormous vote. Of course I think the next governor will be a Democrat. I am not well enough posted in regard to the news of the past few days to hazard a guess at the probable result of the Democratic convention, but I hope to see a strong man nominated."

The revenue cutter Chandler ran alongside the Majestic at quarantine and brought Col. Storey and a party of Democrats to meet Whitney.

SARATOGA, N. Y., Sept. 26.—Tammany's adherents were thrown into a condition bordering on panic today when a bulletin announcing that Whitney had declined the nomination for governor was read. Senator Hill said: "I supposed that he would decline to accept it. I had said all along that Whitney had no desire to enter politics."

Lieut. Gov. Sheehan looked disappointed as he read the dispatch and said: "Whitney would have been a very strong man and the nation now is rather mixed. We have wasted valuable time chasing a shadow."

In the headquarters of other candidates the news was received with great rejoicing and the several booms all received a new impetus.

It now (2 p. m.) looks as though John Boyd Thatcher would be named for Governor.

DR. REID DEAD.
A Long Life of Great Usefulness Ended at Greensboro.

GREENSBORO, Sept. 24.—Dr. F. L. Reid, President of the Greensboro Female college, is dead.

Dr. Reid was born in Rockingham county, N. C., June 16, 1851. At the age of 15 years Dr. Reid entered the freshman class at Trinity college. In 1870 he was licensed to preach at a quarterly conference, over which his father presided. He graduated at Trinity College June 16, 1870 the day he was 19 years of age. Soon thereafter he was elected principal of the Kernersville High school, where he taught a year. He joined the North Carolina conference of the Methodist Episcopal church at Greensboro in December, 1870, and was appointed to the Madison circuit in his native county. He served this charge three years.

Dr. Reid was married June 3, 1873, to Miss Minnie E. Caldwell, daughter of James L. and Sarah P. Caldwell of Rockingham county.

In 1874 he took charge of the Louisville station and served that charge four years. His health failing then, he was forced to retire from active pastoral duties. In 1877 he was elected president of the Louisville Female college, which position he resigned the following year on account of his ill health. In October, 1878, he, with Rev. W. S. Black, purchased the Raleigh Christian Advocate, which he conducted with ability and credit until 1892. He was then elected president of the Greensboro Female college to succeed Dr. B. F. Dixon. He leaves a wife and four children.

TWO YEARS FINDING A MAN.
A LONG, LONG TIME HUNTING FOR ONLY ONE DEMOCRAT.

WASHINGTON, Sept. 26.—A change will be made in the office of deputy commissioner of internal revenue within the next two or three weeks. Capt. George W. Wilson, an Ohio Republican, has held the office up to this time, his long service fitting him for the place, but he has, it is given out semi-officially, declined upon an Alabama man who possesses the requisite qualifications. The new appointee is not endorsed by the Alabama delegation but is said to be the personal choice of the Secretary of the Treasury.

Chinese Seize a British Ship.
LONDON, Sept. 26.—The St. James Gazette says the Chinese war ship seized the British Steamer Pathan from New York in Formosa channel, September 21. The seizure was made in consequence of the receipt by the authorities of a telegram from the Chinese consul at Singapore. The Pathan will be taken to Keelung where she will be overhauled.

A Labor Democrat.
CHICAGO, Sept. 26.—John K. Hannan, nominated for Congress yesterday by the Democratic Second district convention, is vice grand master of the Brotherhood of Locomotive Firemen and prominent in labor circles. He was given the support of the labor element in the convention and defeated his opponent easily.

His Usefulness Has Departed.
PITTSBURG, Pa., Sept. 26.—The Lutheran synod today decided that Rev. Mr. Schubert was guilty of drunkenness and betrayal of trust, and suspended him from the ministry.

"PLAY BALL" ONCE MORE.

Teams to Battle Thursday for the Kindergarten Benefit.

Once more the cry of the coacher is to be heard in the land and the decisions of the umpire are to anger or please the spectators as the case may be. It has been quite a while since Asheville's cranks witnessed a game and the opportunity will be offered tomorrow, Thursday, afternoon to see some exciting ball and at the same time help along those most worthy institutions, the Asheville Free Kindergartens. The contesting teams will be as follows:—Asheville Light Infantry—Jas. Baird, p.; B. Mooney, 3b; A. Featherston, c.; C. P. White, c.; J. S. James, 1b; C. C. Pall, r. f.; Frank Lindsey, s. s.; J. P. Goodson, l. f.; J. Fletcher, 2b. Substitutes, W. H. Shippe, Wyatt Alexander and Plato Hamrick. Colors, blue and white. Asheville's Cycle club—J. Miller, 2b; L. P. McLoud, 3b and r. f.; H. Merrimon, s. s.; W. E. Collins, p.; C. Sawyer, r. f. and 3b; J. A. Nichols, 1b; Thad. Thrash, c.; J. E. Egan, c.; E. C. Sawyer, l. f.; Substitutes, A. E. Rankin, l. f.; Rich and N. S. Rogers. Colors, red and white.

There is good baseball material in these teams, as will easily be seen, and no one need expect murderous scores. The actors propose that from the moment they go on the ground they will bayonet to win, while the cyclists promise to make the infantrymen pneumatically tired.

The games will be called at Allendale at 4 o'clock. Go early and avoid the rush and help the Kindergarten. It will cost only a quarter to get in, or 10 cents for children. And wear your colors.

REGISTER TOMORROW.

The Books Will Open In Buncombe Tomorrow At Sunrise. Throughout Buncombe county the books for the registration of voters for the coming election will open at sunrise tomorrow morning and remain open 30 days. The Commissioners have ordered a new registration and every voter must have his name properly entered on the book before he can vote. Every Democrat should go as soon as possible to the registrar for his name and have his name registered, so that there will be no danger of the matter being forgotten. Delay may mean the loss of the privilege to vote.

In the city wards the registrars may be found at the following places: W. A. James, jr., registrar First ward, at James' bakery, College street.

W. B. Clayton, registrar Second ward, at K. L. Fitzpatrick's store, North Main street.

Alonzo Owenby, registrar Third ward, at Owenby & Son's store, Montford avenue.

J. H. Stelling, registrar Fourth ward, at Bostic's office in building adjoining Heintsh & Reagan's drug store, Patton Avenue.

ON THE ROAD.
Abolition of Two Trains Makes a Long Stay at Spartanburg.

When the night trains are taken off the Asheville and Spartanburg railroad there will be a murmur from that portion of the traveling public that has to come to Asheville from Atlanta and points that way, by way of Spartanburg. The day train on the A. & S. will leave Spartanburg as it does now, an hour or so before the Atlanta train arrives. This necessitates a stop-over in Spartanburg of some 22 hours.

Stock is moving lively over the Western road now. Six cars went through yesterday and 12 today. The stock was shipped from Tennessee to Baltimore and other points.

One of the named first class coaches is in use on the Murphy branch. Chief Dispatcher Newell has been told that the people on that road, seeing "Southern" on the side of the car instead of the familiar "Richmond and Danville," decline to go into the first-class car, preferring the second class, which yet has the old name.

Y. M. C. A. NEWS.
Constitution of the Woman's Auxiliary Adopted—Meetings.

Members of the Woman's Auxiliary met at the Y. M. C. A. rooms yesterday afternoon, to hear the report of Mrs. E. E. Egan and Mrs. W. H. Penland, the committee on constitution. The report was considered and adopted and the meeting was adjourned to Monday afternoon at 5 o'clock, when State Secretary L. A. Coulter will address the members of the auxiliary.

H. B. Anderson, international secretary for the South-Atlanta, came in last night, accompanied by his wife and several friends. They are stopping at Margo Terrace.

The association is planning for a number of meetings Saturday, Sunday and Monday, when State Secretary Coulter will be here and will look over the association's work.

JOS. S. ADAMS TO SPEAK.
Regular Meeting of the Democratic Club Thursday Evening.

Another very attractive bill of fare has been prepared for the regular weekly meeting of the Asheville Democratic club in the court house tomorrow, Thursday, evening.

The first speaker will be Jos. S. Adams, esq., whose ability to present arguments interestingly and forcibly in the discussion of questions affecting the interests of voters in this campaign is so well known. Besides Mr. Adams there will be several speakers who will make short addresses, and the meeting will be one well worth participating in. Members of the club and voters generally should attend and hear the discussion.

The Income Tax Is Coming.

THOMAS HALE WEAVER COMES OFF

COL. LUSK'S RUNNING MATE DECLINES THE PLACE.

One of the Republican Candidates for the Legislature Sends in His Letter and the County Committee Will Meet Friday.

There is a vacancy on the county Republican ticket, and Col. Virgil S. Lusk is temporarily without a running mate. Thos. Hale Weaver, who was nominated by the late Buncombe Republican convention, has declined the honor which the body heaped upon him and sent a letter of declination to Chairman Roberts of the county committee. In it Mr. Weaver, it is understood, says his business cares will be such that he will be unable to make the race.

A meeting of the county committee will be held here Friday morning at 10 o'clock, to select a candidate to take Mr. Weaver's place on the ticket.

BLOWING A LIVING GALE.
Houses Unroofed at Jacksonville, Fla. One in New York Thursday.

WASHINGTON, Sept. 26.—The tropical hurricane reached northeastern Florida this morning. At 11 a. m. the wind had shifted to the northwest at Jacksonville with a pressure of 29.36, showing that the storm center was a few miles south-east of that station. The observer there reports many trees blown down and houses unroofed. The indications are that the hurricane will move in a north-east direction along the Atlantic coast, probably reaching New York Thursday night. All the principal towns along the coast from Connecticut to Florida have been warned of violent gales and high tides.

JACKSONVILLE, Fla., Sept. 26.—A message reached here from Titusville and Jupiter late yesterday afternoon saying that the wind was blowing at a velocity of 60 miles an hour at those places. Soon after the wires to those places were reported down. The storm seems to be more violent in the Indian river country than elsewhere and it is thought that the orange crop will be badly damaged. Orange men are afraid that the results to the crop will be more disastrous than were those of the great storm of 1893.

SAVANNAH, Ga., Sept. 26.—Everything now points to a storm evening, if it does not exceed in violence, the fully destructive cyclone of August 1893. The wind in Savannah now runs as high as 45 miles and is steadily increasing in velocity. The outlook is very bad.

THE CASE IS ON.
Hearing of the Hominy Assault and Hobbly Case.

The investigation in the case against Claude Jones, Will Baker and James Payne, who were arrested last week on suspicion as being the persons who assaulted and robbed Joshua R. Jones, a well known Buncombe man, at his home on Hominy, began in the court house this morning before Justice Frank Carter. The chief witness, Mr. Jones, who is Claude Jones' grandfather, and several others were examined before noon, when the hearing was adjourned until 3.30. Parne was discharged early in the proceeding, as it was seen the evidence was not conclusive against him.

In the hearing W. W. Jones appears for the State, J. M. Gudgeon for Claude Jones, and J. H. Merrimon and D. M. Luther for Baker.

He is Not a Democrat.
WICHITA, Kan., Sept. 26.—The Democratic Congressional committee of the Seventh district has endorsed Congressman Jerry Simpson for re-election. The Democrats here say that the committee had no authority to do this. It is probable that an injunction will be asked for prohibiting the placing of Simpson's name on the ticket as a Democratic nominee.

McKinley Spoke.
INDIANAPOLIS, Ind., Sept. 26.—At a large Republican demonstration here yesterday, ex-President Harrison presided at a meeting held in Tomlinson hall and introduced Governor McKinley who spoke over two hours.

So They Are Parted.
NEW YORK, Sept. 26.—Referee Edward Jacobs filed in the Superior court this morning his report in which he recommends that Kuehn Beverage Coghlan receive absolute divorce from Charles F. Coghlan, the actor.
