THE NEW CZAR ON THE THRONE

FIRST PROCLAMATION OF EMPEROR
NICHOLAS II.

He Records a Solemn Vow to Make the
Peaceful Development of Russia His
Sole Aim—The News Elsewhere in
Europe.

St. Petersburg, Nov. 2.—Emperor
Nicholas II. has issued a proclamation
announcing the death of his father
Emperor Alexander III. and concluding as
follows:

"May we be consoled by the consciousness
that our sorrow is the sorrow of the
whole of our beloved people, and may
the people not forget that the strength
and stability of holy Russia lies in her
unity to us and her unbounded devotion
to us. We, however, in this sad and
solemn hour, when ascending the ances-
tral throne of the Russian empire and
the czarism of Poland and the grand
duchy of Finland, indissolubly conjoined
therewith—in the presence of the
Most High, record our solemn vow that
we will always make our sole aim the
peaceful development of the power and
glory of beloved Russia and the happi-
ness of our faithful subjects."

The proclamation concludes by direct-
ing that the oath of allegiance be taken
by him, Emperor Nicholas II. and also
by the Grand Duke George, his lineal
successor, "until God shall vouchsafe to
bless with a son the union into which
the Emperor is about to enter with the
Princess Alix of Hesse Darmstadt."

WASHINGTON, Nov. 2.—Secretary of
State Gresham today received a dispatch
from the Russian foreign office announc-
ing the succession of the new Emperor.
President Cleveland later received a mes-
sage direct from the new Emperor.

LIVADIA, Nov. 2.—The remains of Czar
Alexander III. having been embalmed
and attired in the uniform of the Pre-
obrazhensky regiment of the guards, were
conveyed this morning to the small pri-
vate chapel of the palace. The lie-in state
was surrounded with lighted candles and
was watched by relays of priests and officers
of the army.

At the religious services which were
afterwards held in the chapel all
the members of the imperial
family and the imperial household were
present. The officiating priest
chanter an impressive liturgy. The
whole ceremony was most imposing and
produced the deepest effect upon those
present.

The entire seventh army corps will pay
military honors to the dead Emperor
when the body shall be embarked at
Yalta. The train from Odessa to St.
Petersburg will stop at every point and
local stations where the local garrison
will be drawn up to render military
honors to their dead commander. The
Czarina is quite broken down and the
doctors are again fearful that her health
may not withstand the strain of her
grief.

BERLIN, Nov. 2.—Emperor William
who was dining with the officers of the
grenadier guards yesterday when the
death of the Czar was announced, after
receiving the news and dictating a mes-
sage of condolence to the Czar's wife at
Livadia, arose and addressed the officers
at the table. He said in part:

"Just as the death shadow rested
on my father's head for an entire
year before his sufferings ended, thus
now comes to our ears the news of
a far-reaching and sorrowful event
in the life of the Czar. He has just died
and Nicholas II. has just ascended the
throne of his fathers, one of the heav-
iest heritages a prince can enter. We
have assembled, throwing our eyes back
upon our traditions, remember the rela-
tions which in olden times united us in a
brotherhood of arms with the Russian
imperial family, we unite our feelings
for the emperor who has newly ascended
the throne, wishing that heaven may
lend strength for the duties of the heavy
office which is just assumed by Emperor
Nicholas II."

At the conclusion of the Emperor's
remarks, cheers were given for Nicholas
II. and the bands played the Russian
hymn.

The Emperor's person called at the
Russian embassy at 11 o'clock this
morning and tendered his condolence to
the Russian ambassador, Count Schou-
valoff. The Prince of Hesse, all the Rus-
sian Princes and members of the diplo-
matic corps in Berlin have called at the
Russian embassy and signed their names
to the visitors list. All the official build-
ings and many private residences are
draped with mourning and flags through-
out the city are flying at half mast.

ROME, Nov. 2.—Flags on all the public
buildings are at half mast. King Hum-
boldt has ordered the court to observe a
period of mourning.

PARIS, Nov. 2.—President Casimir Per-
rier presided over the cabinet meeting
this morning and then attended requiem
services in the Russian chapel. After re-
viewing in the chapel the President and M.
Bardoux went to the Pantheon to salute
the tomb of the late President Carnot in
conformity to the French custom of visit-
ing the dead on all souls day.

BOTH FREE SILVERITES.

Bacon and Walsh Nominated in Geor-
gia for the Senate.

ATLANTA, Ga., Nov. 2.—The Demo-
cratic caucus of the general assembly
nominated two United States Senators
yesterday afternoon. The appointment
of Senator Walsh by Governor Northen
was unanimously confirmed by his elec-
tion to fill out the unexpired term of the
late Senator Colquitt. For the long
term beginning March 4, 1895, Hon.
Augustus O. Bacon was nominated on the
first ballot, he receiving 93 votes. Con-
gressman Henry C. Turner received
37 votes. L. F. Curran 21 votes and
Patrick Walsh 9 votes for the long term.
The nomination of Maj. Bacon was then
made unanimous.

The contest has been a very heated
one, and the candidates have been on
the stump for the past four months.
Both Bacon and Walsh, the two sena-
tors nominated yesterday, are outspoken
in their advocacy of a return to the free
and unlimited coinage of silver at a ratio
of 16 to 1.

Blair Packing House Burned.

OMAHA, Neb., Nov. 2.—G. H. Ham-
mond's packing house at South Omaha
is on fire. Already it is certain the loss
will be \$200,000 and it may reach a
million.

Two firemen belonging to the Ham-
mond fire department were caught un-
der falling walls and instantly killed.

HOWARD OUT.

The "U. A. of H. A. A. S." President Fur-
nishes Bond.

J. C. Howard or C. B. Krumblitz,
president of the "Universal Association
of Home Aunts" is out of custody, hav-
ing furnished bond for his appearance
November 15 before U. S. Commissioner
Summey at 11 o'clock today. S. H. Reed
is Howard's surety.

Regarding the cabaretment by the
Western Carolina bank, printed in
one of Howard's circulars, President
Lewis Maddox and Cashier L. P.
McLeod of that bank stated to
The Citizen today that it was unau-
thorized by them, and further, that
they knew nothing of the existence of
such alleged endorsement until the fact
was printed.

Detective W. H. Deaver has received a
letter from T. O. M. Jones, dated Saluda,
November 1, in which the writer says:
"I saw in the paper that J. C. Howard
was in jail to await trial. He swindled
me out of ten dollars. I sent him ten
dollars and he sent me an outfit worth
about \$3. He referred me to a Miss F.
A. Caldwell, Charleston, S. C., as to
how he did business."

A batch of letters in the detective's
hands told of a number of people who had
sent money to Howard for outfits, \$10
being the sum frequently mentioned.
One correspondent says he borrowed the
money to send for the outfit. These let-
ters are from points in Kentucky, Ohio,
Indiana, Virginia, Pennsylvania, South
Carolina, Minnesota, Texas, New York,
and two from North Carolina—Moores-
ville and Saluda. Some of the letters
complain of Howard's delay in respond-
ing to their communications.

In a letter from Camden, N. J., the
writer says: "I sent you my second
copy over two weeks ago, but have re-
ceived no answer. You requested me to
be prompt, which I have complied with,
and I would kindly use of you to be the
same with me. You also desired sim-
ilar weeks back to send you \$10
for my outfit by return mail. As it was
important that I should have my outfit
I did as you requested and have only re-
ceived six scribbles of ink. I am hard-
ly consider that is acting fairly by
me and doing as your circulars and
printed matter represents. I desire to
keep on in this line of work, but I feel
very much discouraged at your treat-
ment."

ADAM EXPECTS HILL TO WIN.

The Senator Told Him That All De-
pends on New York City.

JACKSON, Miss., Oct. 30.—Before leav-
ing this city today Vice-President Ste-
venson extended the greetings of the
New York Democracy to Michigan Dem-
ocrats. He also said to a Democratic
leader:

"If Senator Hill is not elected Governor
of New York, I shall be disappointed.
When I spoke at Troy on Saturday even-
ing the entire audience rose en masse at
the mention of Senator Hill's name and
cheered for 10 minutes. It was the most
wonderful demonstration I had ever wit-
nessed outside of a national convention.
I spent some time at Hill's house, and
was assured by the Senator that if the
Democrats would be the chief of New York
city and would be well, as he would come
to the Hudson river with an adverse
majority of only about 40,000."—N. Y.

BEFORE MURKIN'S WALLS.

The Japanese Steadily Advancing In-
to Chinese Territory.

YOKOHAMA, Nov. 2.—It is announced
here that the investment of Port Arthur
by the Japanese forces of land and by sea
has been completed and that the forward
movement of both the Japanese armies
in the direction of Moukden is being rapidly
pushed. A portion of Field Marshal
Oyama's force will attack Kinchow
Yokohama which is occupied by the Chinese
troops. In the meanwhile, general
Nodzu's advance column is
approaching Ping Wang, a fortified
town on the main road between Wijn
and Moukden, to which place all the
Chinese troops retreated after leaving
their positions north of the Yalu river.
The Japanese expect to defeat the Chi-
nese at both places and then unite their
columns before the walls of Moukden.

MURDERED FOR MONEY.

An Insurance Scheme to Get Money on
Infants.

CHATTANOOGA, Tenn., Nov. 2.—It is
believed by the Tennessee State Board
of health that the horrible practice of
murdering young infants for the in-
surance taken out upon them is
rapidly growing among the lower
classes of the negro population, and an
investigation is now in progress which
promises to disclose a shocking condi-
tion of affairs. For a long time the
board has been closely watching the
movements of certain insurance com-
panies who make a business of selling risks
on the lives of infants and very young
children and they have found that the
practice has become so general that it
demanded instant investigation and per-
haps correction.

TRIED TO BRIBE GOFF.

But He Refused to Let Up on the In-
vestigation.

NEW YORK, Nov. 2.—The Evening
Post says that it has indubitable evi-
dence that during the course of the pre-
sent investigation Mr. Goff was waited
on by a person who offered him \$10,000
as a fee for examining the title of real
estate which was worthless than \$5,000
on condition that he (Goff) would not
call a witness certain captain of
police mentioning the name of said cap-
tain.

Mr. Goff declined the offer, and called
the name of that captain the next day.

CONDENSED TELEGRAMS.

Alfred Merritt, in a suit against John
D. Rockefeller and F. T. Gates, charges
them with defrauding him out of \$1,
226,400 in the formation of the Lake
Superior Consolidated Iron Mines com-
pany.

Ex-Premier Salisbury spoke warmly
recently about the proposed abolition of
the House of Lords and warned the
country that it would be a great peril.

The embargo against American cattle
and dressed beef has been extended to
all the ports of the German empire.

The President and five members of the
cabinet attended the regular cabinet
meeting today.

Leslie E. Carter has won his divorce
suit, and Mrs. Carter will return to the
stage.

NEW YORK'S POLITICAL NEWS

WORK OF THE DEMOCRATIC COM-
MITTEE ABOUT FINISHED.

Figuring on the Returns Received
From the Various Districts Through-
out the State—Democrats Confident of
Victory Over Morton.

NEW YORK, Nov. 2.—The Democratic
State Committee has practically con-
cluded its work for the campaign. The
managers have received reports from
every election district in the State and
are engaged today in tabulating figures.
Clerk Defrest is making a computation
of the probable number of votes which
each ticket will receive. He has not yet
made any specific announcement of the
number of votes he expects the Demo-
cratic and Republican delegates to poll,
but he adheres to the statement that
Morton's majority above Harlem will
not exceed 40,000 or 42,000 votes.
This he calculates will be swamped by
the vote for Hill in this city and Brook-
lyn.

The managers of the campaign are
looking to Brooklyn for a heavy Hill
vote. John Boyd Thatcher said this
morning that the reports from Brooklyn
were more encouraging to the Democrats
than those from any other part of the
State.

Matters were comparatively quiet at
the Park avenue hotel this morning.
Hugh J. Grant was one of the earliest
callers. He went to State headquarters
to compare notes with Major Hinckley
on the prospects in this city. The Major
told him he admitted the manner in which
he was working. "Next to Senator
Hill," he said, "you are doing the hard-
est work of any candidate in the cam-
paign of whom I know."

Senator Hill is not expected in this
city before election. Governor Flower
will arrive in Jersey City by tomorrow
evening. He speaks in Brooklyn and
will probably remain in this city over
Sunday. Speaker Crisp will arrive here
tomorrow afternoon. He speaks in
Brooklyn with Governor Flower, but
will stop at the Park avenue hotel. Mr.
Thatcher has appointed Perry Belmont
and Walter Stanton a committee to re-
ceive Mr. Crisp on his arrival.

Considerable talk is caused by the an-
nouncement that Isidore Strauss,
brother of Nathan Strauss, the original
candidate of Tammany for mayor, had
sent a check to the Wheeler campaign
committee and that the other brother,
Oscar Strauss, ex-minister to Turkey,
had sent a letter to the committee en-
dorsing Mr. Wheeler as Democratic can-
didate for Governor.

CRIMINAL COURT.

A Number of Cases Disposed of Since
Yesterday.

The Criminal court is working its way
through business now at a good steady
gait, and recesses are short.

Yesterday afternoon Will Teague,
charged with larceny, was found guilty
and sentenced to two years on the roads.
State vs. Jim Floyd alias Dave Floyd,
three counts assault with deadly weapon;
in one case judgment was suspended and
in the other two he was sent to the
reformatory for five months.

State vs. Thos. Allison, affray, guilty;
prayer for judgment continued to next
term.

State vs. Jim Morris, gambling; plead
guilty.

State vs. Frank White and Allie Gul-
ler, affray; three months each on the
roads.

This morning Taylor Stepp, who was
yesterday found guilty of an affray, was
sent up for one month.

State vs. Pres. Tyson, larceny; not
guilty.

State vs. Robert Abernethy, assault
with deadly weapon; fined \$5 and costs.

State vs. Henry Hill, injury to house;
not guilty.

State vs. Cephas Mills, larceny; on
trial.

VOTE FOR PRINCIPLE.

The Business Men Will Not Follow
Richmond Pearson.

Richmond Pearson has spoken of the
great expectations he has of votes from
the business men of Asheville. But he
evidently spoke without consulting these
gentlemen, for they are indignant at his
insinuations that they are to follow such
a leader. "The business vote of Asheville,"
said a prominent man today, "is not
purchasable, and if Mr. Pearson is in
town next Tuesday we will give him an
object lesson that will last him for
25 years."

The business men of several North
Carolina towns are going to close their
stores on election day. How does the
idea strike the Asheville merchants?

Hold Ups are Common.

CHICAGO, Nov. 2.—Four men held up a
street car on Pauline street last evening
and robbed George Hobbie of a large dia-
mond pin. One of the robbers has been
arrested and gives the name of Thos.
Brady. The three men who escaped
have the diamond and their identity is
unknown.

STATE NEWS.

—Rev. Dr. B. Carradine of St. Louis,
who is conducting a revival at Raleigh

doctrine in that part of the country.
This is the doctrine of "holiness," or
"sanctification." The attendance at the
revival is great.

—Thomas Skinner, a young white man
of Middleburg, while on his way home
from a political speaking at Henderson,
lay down on the railway track and was
